

MAKARIOS

FAITH & POWER

Dr. P. N. VANEZIS
INTRODUCTION BY JAMES CAMERON

ABELARD-SCHUMAN

Makarios Faith And Power Faith And Power

Michael Rajnik

Makarios Faith And Power Faith And Power:

Makarios P. N. Vanezis, 1921 The Rowman & Littlefield Handbook of Christianity in the Middle East Mitri Raheb, Mark A. Lamport, 2020-12-15 This work represents the current and most relevant content on the studies of how Christianity has fared in the ancient home of its founder and birth. Much has been written about Christianity and how it has survived since its migration out of its homeland, but this comprehensive reference work reassesses the geographic and demographic impact of the dramatic changes in this perennially combustible world region. The Rowman Littlefield Handbook of Christianity in the Middle East also spans the historical, socio-political and contemporary settings of the region and importantly describes the interactions that Christianity has had with other major/minor religions in the region. *The Archbishops of Cyprus in the Modern Age* Michalis N. Michael, Andrekos Varnava, 2013-07-26 Cyprus Historical and Contemporary Studies Since the onset of Ottoman rule, but more especially from the mid 18th Century, the archbishops of the autocephalous Cypriot Orthodox Church have wielded a great deal of political power. Most people of a certain age will remember the bearded monk who became a Greek nationalist politician and the first President of the Republic of Cyprus in 1960, Archbishop Makarios III. Indeed, his presence at Madame Tussaud's is a reminder of his stature. But were all Cypriot archbishops such political and powerful Greek nationalists? This study is unique in its exploration of the peculiar role of the archbishop-ethnarch and, as such, offers valuable historical and political insights into the phenomenon. This book offers a political history of religious authorities in the pre-modern, modern and post-modern eras. It examines how nationalist politics evolved and was co-opted by religious authorities in order to re-establish political hegemony from a secular European colonial power and the consequences this entailed after the end of the British empire. **Makarios P.N. Vanezis, 1971**

The United States and the Making of Modern Greece James Edward Miller, 2009-02-01 Focusing on one of the most dramatic and controversial periods in modern Greek history and in the history of the Cold War, James Edward Miller provides the first study to employ a wide range of international archives. American, Greek, English and French, together with foreign language publications, shed light on the role the United States played in Greece between the termination of its civil war in 1949 and Turkey's 1974 invasion of Cyprus. Miller demonstrates how U.S. officials sought over a period of twenty-five years to cultivate Greece as a strategic Cold War ally in order to check the spread of Soviet influence. The United States supported Greece's government through large-scale military aid, major investment of capital and intermittent efforts to reform the political system. Miller examines the ways in which American and Greek officials cooperated in and struggled over the political future and the modernization of the country. Throughout, he evaluates the actions of the key figures involved, from George Papandreou and his son Andreas to King Constantine and from John Foster Dulles and Dwight D. Eisenhower to Richard Nixon and Henry Kissinger. Miller's engaging study offers a nuanced and well-balanced assessment of events that still influence Mediterranean politics today. *The Church in the Modern Age* Gabriel Adriányi, 1981 **Politics of**

Violence Charlotte Heath-Kelly, 2013-10-15 Critical thinkers like Foucault Benjamin Derrida and Iek have long challenged the liberal separation of violence and politics by highlighting the implicit violence within political and economic structures But in an era of international terrorism and counter terrorism should we not also reverse the question to ask what is political about violence Using interviews with ex militants from Italian leftist struggle of the 1970s and the Cypriot anti colonial militancy of the 1950s Heath Kelly explores the political utility of violence Studies of conflict and international politics rarely address how killing and injuring function to win wars or overturn regimes But by rejecting conceptions of violence as a means to an end found in the works of Clausewitz and Arendt this book draws upon studies of pain to explore the ways in which armed struggle produces new political subjects and regimes and discredits others through experiences of violence Using Elaine Scarry's conception of pain as world destroying and Walter Benjamin's delineation of violence as either lawmaking or law preserving to frame ex militant discussions of participation in armed struggle the book contributes a pathbreaking empirical exploration of violence to international politics literatures moving the study of political violence away from an understanding of violence as just a means to an end Drawing out insights that have a far wider resonance and significance for the analysis of the politicality of political violence this work will be of interest to students and scholars in areas such as international relations security studies and international relations theory

The Greek Connection James H. Barron, 2020-07-13 Spanning from WWII to the Cold War and beyond this is the magnificent triumphant biography of the investigative journalist resistance fighter and whistle blower who helped expose the Watergate scandal Doris Kearns Goodwin author of *Leadership* He was one of the most fascinating figures in 20th century political history Yet today Elias Demetracopoulos is strangely overlooked even though his life reads like an epic adventure story As a precocious twelve year old in occupied Athens he engaged in heroic resistance efforts against the Nazis for which he was imprisoned and tortured After his life was miraculously spared he became an investigative journalist covering Greece's tumultuous politics and America's increasing influence in the region A clever and scoop hungry reporter Elias soon gained access to powerful figures in both governments and attracted many enemies When the Greek military dictatorship took power in 1967 he narrowly escaped to Washington DC where he would lead the fight to restore democracy in his homeland while running afoul of the American government too Now after a decade of research and original reporting James H Barron uncovers the story of a man whose tireless pursuit of uncomfortable truths would put him at odds with not only his own government but that of the Truman Eisenhower Kennedy Johnson Nixon Ford Carter and Reagan administrations making him a target of CIA FBI and State Department surveillance and harassment and Greek kidnapping and assassination plots American authorities may have purposefully overlooked A stunning feat of biographic storytelling sweeping from World War II to the Cold War Watergate and beyond *The Greek Connection* is about a lifetime of standing up for democracy and a free press against powerful special interests It has much to teach us about our own era's abuses of power dark money journalist intimidation and foreign

interference in elections **The Other Powers** Ronald P. Barston,2024-05-01 Originally published in 1972 this book examines the scope and possibilities for small states in the conduct of their foreign policies In the introduction the editor discusses the problem of defining the term small state and outlines the restraints they face and the type of international roles they play The subsequent chapters analyse the foreign policies of Norway the Netherlands Switzerland Zambia Israel Cyprus Cuba Singapore and New Zealand In each study the author examines the factors which shape that country s foreign policy objectives the organizational structures employed to formulate and implement foreign policy the type and level of international involvement and the methods used to deal with the political economic and security issues which make up and stem from the external policies The book will be of interest to specialists and students of government foreign policy analysis and other branches of international relations **The EOKA Cause** Andrew R. Novo,2020-11-12 This book explores the origins conduct and failure of Greek Cypriot nationalists to achieve the unification of Cyprus with Greece Andrew Novo addresses the anti colonial struggle in the context of the competition for the nationalist narrative in Cyprus between the Left and Right the duelling Greek Cypriot and Turkish Cypriot nationalisms in Cyprus the role of Turkey and Greece in the conflict on the island and the concerns of the British Empire during its retrenchment following the Second World War More than a narrative history of the period an analysis of British policy or a description of counter insurgency operations this book lays out an examination of the underpinnings of the enosis cause and its manifestation in action It argues that the strategic myopia of the enosis movement shackled the cause defined its conduct and was the primary reason for its failure Divided and occupied Cyprus and the world deal with its unresolved legacy to this day The Statesman's Year-Book 1983-84 J. Paxton,2016-12-28 The classic reference work that provides annually updated information on the countries of the world *Reshaping of Cyprus: A Two-State Solution* Halil Ibrahim Salih,2013 H Ibrahim Salih earned his Ph D in International Studies in 1967 at the American University School of International Service in Washington D C He was born in Kyrenia Cyprus and became an American citizen in 1969 He has been a professor of Political Science at Texas Wesleyan University in Fort Worth since 1968 He was chair of the department of Political Science for many years and has been director of the study abroad programs in Mexico and the Holy Land His past publications include three books Cyprus An Analysis of Cypriot Discord 1968 Cyprus The Impact of Diverse Nationalism on a State 1978 and Cyprus Ethnic Political Counterpoints 2004 His previous articles of the Middle East and Cyprus have appeared in many newspapers and journals nationally The Statesman's Year-Book 1984-85 J. Paxton,2016-12-15 The classic reference work that provides annually updated information on the countries of the world **Propaganda and the Cyprus Revolt** Maria Hadjiathanasiou,2020-05-14 During the EOKA period of Greek Cypriot revolt against British colonial rule the Greek Cypriots and the British deployed propaganda as a means of swaying allegiances both within Cyprus and on the international scene Propaganda and the Cyprus Revolt places new emphasis on the vital role propaganda played in turning the tide against British colonial control over Cyprus Examining

the increase of violence and coercion during this period of revolt this book examines how the opposing sides mobilization of propaganda offered two alternative visions for the future of Cyprus that divided opinion to the ultimate detriment of British counterinsurgency efforts Detailing the deployment of propaganda by both parties across radio television and print channels the book draws upon previously unpublished archival material in order to paint a detailed picture of how the British Empire lost control over the hearts and minds of the Greek Cypriot people This study shines new light on a crucial period of Cypriot history and contributes to wider transnational debates around the use of propaganda and the end of empire This will be an essential read for students of Cyprus history and British colonial history

America, Britain and the Cyprus Crisis of 1974: Calculated Conspiracy or Foreign Policy Failure? Dr. Andreas Constandinos, 2009-06-29 America Britain and the Cyprus Crisis of 1974 examines recently released and declassified British and American government documents in order to scrutinize the roles played by both of these countries during the Cyprus crisis of 1974 It evaluates British and American aims towards Cyprus analysing in particular the roles played by British Foreign Secretary James Callaghan and US Secretary of State Dr Henry Kissinger and their respective relationships with the Cypriot Greek and Turkish governments Also the book considers Whitehall and Washington's responses to the Greek military coup the Turkish invasion the two Geneva conferences on Cyprus and the second consolidatory phase of the Turkish invasion Ultimately the book seeks to ascertain whether there exists any credible evidence to support the belief that Britain and or America were complicit in the coup against President Makarios as well as whether they colluded with Ankara in her subsequent partition of the island

The Statesman's Year-Book 1982-83 J. Paxton, 2016-12-15 The classic reference work that provides annually updated information on the countries of the world

Historical Dictionary of Cyprus Farid Mirbagheri, Emiliou A. Solomou, 2021-12-10 As a major tourist destination and the most eastern member of the European Union housing two British Sovereign Bases and sitting at the intersection of three continents Cyprus attracts international attention in more ways than one hence the complex web of converging and conflicting outside interests that has marked and scarred the country's history Since 2009 when the previous edition appeared further big changes have occurred with the United Nations led efforts to bring about a settlement to the Cyprus problem as well as the latest on the exploration of hydrocarbon in the eastern Mediterranean seabed Historical Dictionary of Cyprus Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has several hundred cross referenced entries on important personalities politics economy foreign relations religion architecture and culture This book is an excellent resource for students researchers and anyone wanting to know more about Cyprus

Cyprus and International Peacemaking 1964-1986 Farid Mirbagheri, 2014-05-01 This book traces the international community's attempts to achieve a solution to the Cyprus problem from 1964-86 and analyzes why it has failed It also discusses the deep mutual distrust between Turks and Greeks throughout the Eastern Mediterranean which hampers all attempts to reach a satisfactory solution to this intractable problem Mirbagheri also examines the divergent policies of the

key external players and how they have contributed to the current stalemate **The Statesman's Year-Book 1980-81** J. Paxton, 2016-12-15 The classic reference work that provides annually updated information on the countries of the world

British Foreign Policy Towards Turkey, 1959-1965 Cihat Goktepe, 2013-07-23 This volume examines how Conservative and Labour governments in the UK related diplomatically to a plurality of Turkish governments between 1959 and 1965 With research based on newly available Public Records Office archives the author provides insight on British reactions to political events in Turkey and shows that in relation to the partition of Cyprus the crucial changes started as early as 1963 with Britain's indirect support
