prying for answers she doesn't have. He's a hero always saving animals and people and maybe she doesn't need one of those right now. He's more likely to break her heart than to solve the riddle of her past. Dylan has returned to the small town he never should have left. He's tired of women with secrets, the kind of women who always leave. When he finds Hailey in his friend's barn, his training makes him uniquely qualified to be what she needs most if he can keep the way he's beginning to feel about her out of it. Because more and more he's sure her secrets will tear him apart. But he can't walk away or let her go. So maybe it's time to take matters and love into his own hands. Welcome to the small town of Forgotten where people are more concerned about who you are now than what you might have left behind. Each of the novels in this series are stand alone books and you can read them in any order. However, characters are like one big extended family and often appear in many of the books so by reading all of them you can catch up with what your favorite characters are doing now.

Editorial Review It's easy to root for Hailey as she struggles to find her place. This clean romance has just the right amount of mystery to keep you turning the pages. It also brings in other attention grabbing elements: a beloved dog about to give birth and later her adorable puppies; a B.B. owner with secrets of her own; a veterinarian house calls; characters you'd like as your own neighbors; and a charming small town festival. The ending is completely satisfying with exactly the right blend of sweet and passion to thrill lovers of wholesome romance.

Catia Shattuck, Senior Reviewer, My Book Ratings What readers are saying about Rachel Branton: Once I started reading, I couldn't put it down. I can't wait for the next book in this series because Rachel is a great writer. Excellent read. Truthful and honest, written to inspire and entertain. Clean romance with mature topics. What can I say? She writes great stories and now *Lily's House* which reminds of Robyn Carr's series, wholesome but still dealing in real life situations and challenges. Rachel's characters just grab you and you want to stay in their world to see what happens next.
