Make Me Laugh:

God Makes Me Laugh Joseph A. Grassi, 2009-03-23 God has made me Laugh and all who hear about it will laugh at me These are the words of Sarah after she bore a child to Abraham when both were in advanced old age Sarah named this child Isaac which means laughter Thus believers as descendants of Abraham and Isaac are children of laughter Luke takes the theme of joy and laughter through his whole gospel The angels at Jesus s birth announce good news of great joy to all the people Jesus presents his teaching in the form of grace and surprise which prompt joy and laughter on the part of the gospel audience Luke has before him the image of a laughing Jesus As a climactic story Jesus visits Jericho near the Dead Sea The chief tax collector for Rome Zaccheus a most unpopular man small in stature and character as well climbs a tree so he can see Jesus coming in spite of the crowds Jesus spots him with laughter and calls out to the dismay of the crowd Zaccheus hurry up and climb down I m going to have dinner at your house today Luke s gospel presents Jesus as a comic contrast to many ultra serious religious teachers by his concern for the outcast strangers and marginalized of society **She Made Me Laugh** Stephanie Emmons, 2020-10-06 Most people likely know of Mother Teresa s great faithfulness to God s call as she started her ministry to the poor in Calcutta But at the time few knew that she had lost all sense of God s presence love and sometimes the assurance that God existed at all Astonishingly for 50 years the saint s life was spent in what she called the darkness Yet somehow Mother Teresa managed to get up every morning and say yes to God And not only did she say yes she came to accept the darkness while also allowing a sense of humor and even playfulness to shine through This book is a memoir of the author s direct experiences with Mother Teresa during a trip to Calcutta in 1996 when she discovered that sense of humor first hand It is also an extended reflection on the beloved saint s dark night of the soul and what that might mean for spiritual seekers today [Riveted: The Science of Why Jokes Make Us Laugh, Movies Make Us Cry, and Religion Makes Us Feel One with the Universe](#) Jim Davies, 2014-08-05 Why do some things pass under the radar of our attention but other things capture our interest Why do some religions catch on and others fade away What makes a story a movie or a book riveting Why do some people keep watching the news even though it makes them anxious The past 20 years have seen a remarkable flourishing of scientific research into exactly these kinds of questions Professor Jim Davies fascinating and highly accessible book Riveted reveals the evolutionary underpinnings of why we find things compelling from art to religion and from sports to superstition Compelling things fit our minds like keys in the ignition turning us on and keeping us running and yet we are often unaware of what makes these keys fit What we like and don t like is almost always determined by subconscious forces and when we try to consciously predict our own preferences we re often wrong In one study of speed dating people were asked what kinds of partners they found attractive When the results came back the participants answers before the exercise had no correlation with who they actually found attractive in person We are beginning to understand just how much the brain makes our decisions for us we are rewarded with a rush of pleasure when we detect patterns as the

brain thinks we've discovered something significant the mind urges us to linger on the news channel or rubberneck an accident in case it might pick up important survival information it even pushes us to pick up People magazine in order to find out about changes in the social structure Drawing on work from philosophy anthropology religious studies psychology economics computer science and biology Davies offers a comprehensive explanation to show that in spite of the differences between the many things that we find compelling they have similar effects on our minds and brains

Don't Make Me Laugh Julia Raeside, 2025-02-13 A great book an important book that will start a discussion that needs to be had my heart was in my mouth Marian Keyes Exhilarating viscerally thrilling and SO timely an ambitious dark comedy that really delivers Hugely smart with so much emotional depth and resonance Daisy Buchanan Sharp dark and outrageously funny Marianne Levy This is an honest funny devastating and timely book Jenny Colgan Don't Make Me Laugh balances anger and humour with the deftest of touches It is a story about power and control and manipulation about gendered roles in both the workplace and our personal lives and about how women are set up in competition with each other And ultimately satisfyingly it's a story about fighting back

Lord Make Me Just a Drop of Oil Twila Christner, 2012-03 Surely God has a sense of humor or why would He have made us with the ability to

laugh Why too has He made it so that a little laughter eases a lot of tension No it may not change the situation But it can refresh and give a new perspective The daily grind of life can get pretty rough at times and we find ourselves needing a drop of oil in our machinery A Drop of Oil is meant to lighten another s load and provide encouragement thru humor to sooth the friction that comes from the daily grind Seeing humor in some of these events that I clearly didn t plan has proven to be just that drop of oil Road to Recovery from Parkinsons Disease Ph. Showings Mirabai Starr,2022-04-01 As a major fan and promoter of Julian of Norwich whom I call my favorite mystic it is genuinely exciting to find such a faithful but freeing translation of Julian s long lost Showings Now they are no longer lost for anyone Fr Richard Rohr O F M Center for Action and Contemplation In this contemporary translation of one of the most beloved and influential mystical texts of all time Julian of Norwich The Showings brings the message and spirituality of this 14th century mystic to 21st century readers Revelations of Divine Love the first book published in English attributed to a woman is also included Julian of Norwich a contemporary of Geoffrey Chaucer was an English anchoress in East Anglia At the age of 30 suffering from a severe illness and believing she was on her deathbed Julian had a series of intense visions of Jesus which she recorded and then expanded on later in her life In her visions God was not angry and wrathful Instead the three properties of God were presented as life love and light and all of His creation was good including his servant man In Julian s version man is not to blame for his sin sin is something that he must experience and overcome in his spiritual journey with God Her message for today s readers is simply this She reveals the feminine face of the Divine and reminds us to see God there All our failings are an opportunity to learn and grow they should be honored but not dwelled upon God s love has nothing to do with love and retribution and everything to do with love and compassion In spite of all appearances all is well This book contains some of the most profound spiritual writing ever written and remains a perennial favorite among Christians This book was previously published as The Showings of Julian of Norwich This new edition includes a foreword by Richard Rohr author of Falling Upwards **Merriitt Magic** Melinda Merritt,2017-03-27 This book is about the world we lived in which was one of dreams spirituality magic and love I arrived just at the end of the Pisces Age in 1950 and I could feel the energies changing early in my life The Sages had spoken to the families about the coming cultural change which

would take the world by storm We had no idea what they meant but we knew it would happen I was just going about my life learning all the ancient African knowledge and wisdom my family taught After all this is the spirituality and ancestral knowledge which freed the slaves from bondage We were a very blessed family in that there was never any lack just a life of abundance The Sages controlled what happened in this world and no one ever questioned them Our world was filled with happiness excitement and surprise Then as though my world was not already filled with many unusual things in the early 1960 s it happened The change of which the Sages had been speaking started to happen Rev Martin Luther King Jr and the Civil Rights Movement came to our little town of Americus GA This was the very beginning of what turned out to be the biggest event ever My father was a successful independent business leader and he and Rev King as Dr King was known at that time bonded immediately This meant that our entire family was heavily involved in the Movement Dr King was frequently at our home and became a part of the family for many years Everything changed for me and the family when this Movement came but the Sages managed to keep control over our daily lives These were some powerful Black women whom no one dared cross The energy which drove the Movement was constantly pointed out to me by the Sages I became an expert on the human energy phenomenon The world was completely magical and it seemed to have come to our small town The people we met were from all over the globe The power of the black people s energy was working full force Because of what the Sages taught me I was able to travel through my entire life in control of my elements The Sages believed practiced and taught that if you can control your elements you can control your life This book is about these Black powerful women who had taken their gifts and skills underground until now Lyricism Of A Butterfly's Bluze Cherice Rush-Harris,2010-11-16
