Make Or Break A Guide To Marriage Counselling Pastoral Helps:

Make Or Break Jack Dominian,1986 **Make or Break Your Church in 365 Days** Rev. Paul D. Borden,2012-04-01 The joy of ministry is lost in the terror of being ill equipped for daily tasks This book leads the way providing clear plans for the daily tasks of effectively leading a congregation *Make or Break Your Church in 365 Days* helps pastors develop competency in the daily task of leading congregations by answering two fundamental questions What must be done in the first 365 days of a pastor s tenure What is the optimal way to structure a daily work life to affect change in the first year and beyond These very specific tasks are the behaviors that demonstrate competency and lead to growing effective churches **The Catholic Biblical Quarterly** Wendell Stephen Reilly,1986 Includes various reports of the Association **Make Or Break** Jack Dominian,John Dominian,1985-01-01 *The Publishers' Trade List Annual* ,1986 **Sex and Love in the Home, Second Edition** David M. McCarthy,2011-01-01 This book inaugurates a completely new way of thinking about the ethics of marriage and sex I know of no book on the subject more promising than what McCarthy has achieved here Stanley Hauerwas Gilbert T Rowe Professor of Theological Ethics Duke University Much has been written in Christian theology about sex love and procreation but their social meanings and contributions are much more rarely addressed McCarthy now takes this greatly neglected task eloquently connecting the Christian household to the common good All those who want to realize the social vocation of the Christian family will find in this work a rich and challenging resource for understanding and for life Lisa Sowle Cahill J Donald Monan Professor of Theology Boston College Drawing on his own experience of learning how to be a husband and father David Matzko McCarthy offers wonderfully incisive and readable reflections on the habits of the household a neighborly space which resists consumerism and enables sexual relationships to be ordinary meaningful and passionate If you think that all that Christian theology has to say about sex and relationships is twaddle about complementarity and family values then this is the book for you Gerard Loughlin Senior Lecturer in Religious Studies University of Newcastle upon Tyne M3 Dr. Jerry Adamson,2015-12-18 Marriage is not easy and anyone who enters a marital relationship thinking that it is will likely be disappointed quickly Even so difficult times do not necessarily mean the end of a marriage not if both partners are willing to work on making it better Author Dr Jerry Adamsons M3 Making Marriage Meaningful offers advice and practical real life examples of counseling situations and current issues that can either make or break a marriage Each section includes suggested Scriptures and a focused prayer to encourage individuals or couples to draw close to a wise and loving God Using humor and honesty this guide presents a workshop of ideas for growing toward an ideal marriage It includes information on establishing proper perspective helpful hints for having fun and methods for dealing with dysfunctions It also explores key turning points in a marriage ways to deepen your relationships and a variety of topics related to children M3 Making Marriage Meaningful is intended for pastors counselors and as a tool for classroom study but it is also a very personal book for couples seeking to help them make discoveries about marriage **The Pastor's**

Solution-Focused Pastoral Counseling Charles Allen Kollar,2010-06-15 This groundbreaking book now updated and expanded furthers its original effective time saving approach that benefits pastors overtaxed by counseling demands Dr Charles Kollar presents a departure in pastoral counseling showing that counseling need not be long term or depend on psychological manipulation to produce dramatic results In most cases the solution lies with the counselees themselves Using the tested methods found in Solution Focused Pastoral Counseling pastors apart from counselors will be well equipped to help their counselees discover a solution and put it in motion speedily and productively SFPC is short term typically one to five sessions in which the counselor seeks to create solutions with not for the counselee The focus is on the possibility of life without the problem through an understanding of what is different when the problem does not occur or is less intrusive The goal is healthy change sooner rather than later by helping the counselee see and work on the solution with God s activity already present in his or her life The solution focused approach does not require the counselor to be a highly trained psychological expert It requires biblically based sensitivity and common sense Yet this approach also recognizes its limitations and understands that there are situations in which other professional and or medical help is required Brief

Pastoral Counseling Howard W. Stone, Most pastoral counselors clergy and psychotherapists assume that truly effective counseling requires months or even years Studies have proven otherwise showing that most people come for four or fewer sessions and that the majority of any counseling s effectiveness occurs in the opening few sessions *Counsel for Couples* Jonathan D. Pastor James E. Bullard Jr.,2023-04-03 Make it Last Forever It almost seems like a foreign concept with this high Divorce Rate that we have in the United States of America It s like people go into marriages with exit plans Incase their perfect plan of flawless matrimony doesn t work out Well let me

just give you a shocking reality at the beginning of this book there are no perfect marriages Reason being there are no perfect people In order for there to be a perfect marriage there would have to be two perfect people And I m sure you know by now your spouse isn t perfect And guess what you re not either In order to make it Last Forever you have to have two people that make a decision to consciously put forth Effort to do just that Make it Last Forever This book is intended to curve the divorce rate in the world I believe if the principles used in this book are applied correctly it can be the start of a New Movement of Making it Last Forever **"I Do"s (and Don'ts)** Joseph Byrd,2006-04 Ever wonder why some marriages last and some don t Ever hoped for a happy successful marriage but haven t a clue how to get there Ever lay awake at night imagining marital bliss only to be dogged by nightmares of divorce I Dos and Don ts holds the answers you ve been looking for In a day when marriage vows are regarded as less than truly solemn promises I Dos and Don ts shoots from the hip Largely gleaned from the unfettered mouths of the successfully wed I Dos and Don ts is your passport to wedded bliss spelling out the journey in practical accessible suggestions that cut straight to the heart Sex money family children even the wedding ceremony itself are addressed in short no nonsense how to sections full of answers guidance and advice The author s experience as mentor to young people from both Europe and America spells out practical advice that prepares you to do the work of thinking about what marriage really means and to enjoy yourself in the process Informational and inspirational I Dos and Don ts is a book that will serve as both a reference guide and a starting point for those attempting to chart the course of marital happiness
