Make Believe Monsters:

Magic, Monsters, and Make-Believe Heroes Douglas E. Cowan, 2019-01-29 Magic Monsters and Make Believe Heroes looks at fantasy film television and participative culture as evidence of our ongoing need for a mythic vision for stories larger than ourselves into which we write ourselves and through which we can become the heroes of our own story Why do we tell and retell the same stories over and over when we know they can't possibly be true Contrary to popular belief it's not because pop culture has run out of good ideas Rather it is precisely because these stories are so fantastic some resonating so deeply that we elevate them to the status of religion Illuminating everything from Buffy the Vampire Slayer to Dungeons and Dragons and from Drunken Master to Mad Max Douglas E Cowan offers a modern manifesto for why and how mythology remains a vital force today

Olivo, 2001-02 Olivofonics Oh Lee Vo Fawn Ecks Small Business Management Philosophy for Beginners Small business management is nothing more than philosophies It covers business ethics business reality marketing philosophies logic and much more As individuals the only thing that we own is our beliefs If you believe something to be true you consider it to be your knowledge If however you don't believe something to be true you have very little knowledge of it So knowledge is power but only if you believe it to be true If one side of the coin says Man has no guarantees in life then it's safe to assume that the opposite side of the coin guarantees man one thing No individual can live forever Yet people flip the coin every day Even though I cannot offer you any guarantees we already have our guarantee Let me say that if you believe the philosophies in this book then my philosophies will become your knowledge If however you don't believe the philosophies in this book you'll have very little knowledge of small business management Regards Frank

Rei attends an exclusive New York prep school but unlike her classmates she welcomes nightfall. That's when she can secretly hunt Deathlings the deadly creatures that have prowled Manhattan's subway tunnels and blood-soaked streets since the Vanishing. After they brutally slaughtered her parents years ago Rei is desperate for vengeance. To get it Rei must qualify for and win the Tournament a competition to join the ranks of the city's legendary Deathling hunters. Rei's nightly pursuits should give her an advantage but the other competitors are fierce and in some cases familiar. Enter Kieran Cross. Rei's most infuriating rival and ex-boyfriend. As the Tournament progresses and the cutthroat competition escalates everything Rei believed about who she can trust is called into question. Soon enough she's caught in the crosshairs of the elite who want to keep the city's ruling class in power as well as those who will stop at nothing to bring it down. Because sometimes it's not the monsters waiting in the dark you should fear it's the ones who dare to walk into the light. Coco Ma's exhilarating urban fantasy thrusts readers into an immersive world of thrills and chills featuring the smart sardonic post-apocalyptic heroine you'll soon wish you could be.
