Becker, 2011 Father Thomas Garrity is a Catholic priest who unexpectedly comes face to face with a horrific demon Through fate or demonic manipulation he winds up substituting for a prison chaplain who mysteriously committed suicide and was counseling a serial killer condemned on death row Garrity meets with the convict who at first is mute and then becomes all too talkative claiming to be a demon A naive Father Garrity assumes he is dealing with a schizophrenic Truly possessed by the demon Furfur the inmate begins his attack on Father Garrity As all Catholic priests Garrity is uneducated and unskilled at confronting the supernatural much less a demon This demon is intent on destroying Garrity's faith in God through any means possible The one problem is that this inmate will be executed in a week so time is of the essence At first Garrity thinks that he must only survive until the execution but then finds he will become hunted afterward by a demon that will transfer to a whole new body Furfur a documented fallen angel taken from demonology initially attempts to overwhelm Garrity with his knowledge and history Failing he escalates his efforts to violence and eventually murders Father Garrity as all common parish priests is inexperienced but is desperate to defeat this demon even though his path is crammed with obstacles He is surrounded by non believers and a Catholic organization that has created an impossible bureaucracy which frowns on the very mention of exorcism The demon Furfur intends to deliver the soul of this convict to hell and then transfer himself to another person and continue to torment the priest Father Garrity finds that Furfur in documented demonology ranks high in the hierarchy of hell and has 150 000 demons at his command Although in prison Furfur can torture the priest through hurting those close to him simply by using his legions Father Garrity reaches out to the Vatican and eventually enlists the help of the official head Exorcist He is also aided by an unofficial American exorcist Their realization that the limited time

until the execution is nowhere near adequate for an exorcism makes for an unsolvable dilemma     The African Way Edward Kavimba Lungu,2010-12 The African Way is the story about the struggles and successful life experiences of Lungu Growing up in unprivileged conditions faced with common human adversaries such as poverty ignorance and illiteracy Lungu managed to continue with his life through the help of family friends and God By reading this book your life will come to term with what your soul and mind desire physically and spiritually in spite of all odds In fact that is the African way which also is the human way for everybody regardless how one was brought up or is being brought up Remember all human beings with the help of their creator are programmed to overcome all storms of life even death itself This too is the African Way which also is your way     **Under Four Administrations** Oscar S.
