#MakeoverMonday Andy Kriebel, Eva Murray, 2018-10-02 Explore different perspectives and approaches to create more effective visualizations MakeoverMonday offers inspiration and a giant dose of perspective for those who communicate data Originally a small project in the data visualization community MakeoverMonday features a weekly chart or graph and a dataset that community members reimagine in order to make it more effective The results have been astounding hundreds of people have contributed thousands of makeovers perfectly illustrating the highly variable nature of data visualization Different takes on the same data showed a wide variation of theme focus content and design with side by side comparisons throwing more and less effective techniques into sharp relief This book is an extension of that project featuring a variety of makeovers that showcase various approaches to data communication and a focus on the analytical design and storytelling skills that have been developed through MakeoverMonday Paging through the makeovers ignites immediate inspiration for your own work provides insight into different perspectives and highlights the techniques that truly make an impact Explore the many approaches to visual data communication Think beyond the data and consider audience stakeholders and message Design your graphs to be intuitive and more communicative Assess the impact of layout color font chart type and other design choices Creating visual representation of complex datasets is tricky There s the mandate to include all relevant data in a clean readable format that best illustrates what the data is saying but there is also the designer s impetus to showcase a command of the complexity and create multidimensional visualizations that look cool MakeoverMonday shows you the many ways to walk the line between

simple reporting and design artistry to create exactly the visualization the situation requires **Exhibit Makeovers** Alice Parman, Ann Craig, Lyle Murphy, Liz White, Lauren Willis, 2017-02-15 Since its publication in 2008 Exhibit Makeovers has been a useful do it yourself handbook for museum staff and volunteers Exhibit Makeovers is a workbook that provides grounding in interpretive principles how to advice step by step guidance and moral support for in house exhibit planning and design The revised and expanded 2nd edition preserves the supportive tone and easy to follow steps that make the original Exhibit Makeovers so user friendly Significant revisions especially in the technology arena and additions make this new edition a must have addition to any museum s toolkit New emphasis on visitor input with step by step guidelines for evaluation studies during planning and design New text and worksheets to guide development of interactives and ensure varied levels of visitor participation Focus on affordable software to help with exhibit planning and design as well as low cost technologies that can vary and deepen the visitor experience Brand new chapters on exhibit design production and installation written by the experienced team responsible for in house exhibits at a thriving mid size museum Following the same pattern as the 2008 original the revised Exhibit Makeovers guides users through step by step processes of a single case makeover development of a new exhibit and renovation renewal of an entire gallery or museum Makeup Makeovers Beauty Bible Robert Jones, 2011-08-01 Forget extreme makeovers Robert Jones makeup artist extraordinaire outlines step by step how even the ugliest duckling can become a swan with makeup alone In hundreds of awe inspiring before and after photos Robert makes it easy for any woman to achieve true beauty in this book which has become the definitive encyclopedia on the subject Unlike most makeup books that focus on celebrities or the already glamorous this book shows every woman how to be her most beautiful No matter what your age skin tone or profile Robert can show you simple techniques that camouflage flaws and highlight each woman s unique beauty Best of all it s EASY Even if you ve never worn makeup before you can learn how to bring out your best in just a few minutes This stunning book is also a full color guide to applying wedding makeup with countless stunning before and after pictures of regular women throughout It is highly instructional and does not just show model perfect women instead it focuses on the girl next door your best friend and you Every woman can be beautiful on her wedding day no matter what her age or ethnic background with Robert s makeup techniques It features special makeup techniques for morning midday afternoon and evening weddings because with each time of day you will photograph differently and as we all know one of the most important things to think about is how you will photograph There are also chapters on more makeup tricks for wedding photos and of course makeup for bridesmaids and matrons of honor *Makeup Makeovers* Robert Jones, 2005-09-01 Forget extreme makeovers Robert Jones makeup artist extraordinaire outlines step by step how even the ugliest duckling can become a swan with makeup alone In hundreds of awe inspiring before and after photos Robert makes it easy for any woman to achieve true beauty Unlike most makeup books that focus on celebrities or the already glamorous Makeup Makeovers shows every woman how to be her most beautiful No matter what your age skin tone
