China since 1978 both openly and for internal circulation The editors have pursued a threefold goal firstly to translate every text by Mao which could be obtained so as to make this English version as complete as possible secondly to annotate the materials in sufficient detail to make them accessible to the non specialist reader and thirdly to combine accuracy with a level of literary quality which is intended to make the volumes agreeable as well as instructive to read Volume 1 includes translations of the entire contents of the authoritative Mao Zedong Zaoqi Wengao 1912 6 1920 11 Draft writings from Mao Zedong s early period June 1912 November 1920 published in Beijing in 1990 plus some 15 additional texts for the same period which have been attributed to Mao Among the items thus made available in English are his first surviving work a middle school essay of 1912 in praise of Shang Yang his very extensive Classroom Notes of late 1913 on the lectures of his most influential teachers Yang Changji and Yuan the Big Beard a dozen letters to his then close friend Xiao Zisheng Siao yu who described a shared odyssey in Mao Tse tung and I were Beggars his marginal annotations of 1918 to the German philosopher Friedrich Paulsen s work on ethics in which Mao proclaimed himself a believer in individualism and an admirer of Nietzsche and many important letters articles and other writings documenting his evolution from liberalism to anarchism and finally to Marxism in 1919 1920 *Proceedings of The 5th International Conference on Linguistics and Cultural Studies 5 (ICLC-5 2024)* Muhammad Hasyim, Mardi Adi Armin, Yusuf Yusuf, 2025-05-19 This is an open access book Research and teaching activities in the fields of language literature and culture are still being carried out even during the Covid 19 era that hit the world It is undeniable that the results of research and learning of language literature and culture at this time were a bit hindered because most activities were carried out from home During the Covid 19 period which started in early 2020 practically more activities were done at home Likewise institutions during the Covid 19 era were carried out online For example the Language Agency continues to carry out activities but it is carried out online such as online webinars that contribute to the wider community in accordance with the duties and functions of the Language Agency carried out using a hybrid method or completely online Various events are packaged creatively and innovatively to produce a new spirit in speaking Research and teaching of language literature and culture during the Covid 19 period resulted in many amazing innovations and creativity in line with technological developments Covid 19 has inspired many in research on language literature and culture In the field of language you can see research on the language used in Covid 19 such as said cases of suspected respiratory tract infection ODP People Under Monitoring confirmed cases a person who is late known to be infected with Covid 19 etc That s the content Content on YouTube about the use of language is a hot object of research to research In terms of culture the Government is making various efforts to break the chain of the spread of the Covid 19 pandemic in a massive and systematic manner Covid 19 is not only a deadly virus but has a domino effect that is also terrible One of the policies used by the government in preventing and controlling the spread of Covid 19 is implementing the Large Scale Social Restrictions PSBB policy As an investment culture also requires strategies and enablers so that it is able to

achieve the target of the happiness and welfare of the Indonesian people This strategy is implemented through providing for a diversity of cultural expressions developing cultural practices utilizing cultural promotion objects accelerating institutional reform and increasing the government s role as a facilitator Teaching issues especially teaching methods of language literature and culture need to be highlighted in terms of IT based innovation and creativity after Covid 19 How especially teaching methods in applying the material Research on learning methods has also been carried out a lot especially methods that focus on students entering the new normal era or the new era after Covid 19 with innovative research and learning of language literature and culture It is interesting to reveal a major event namely the 3rd International Conference on Linguistics and Cultural Studies sponsored by the Faculty of Cultural Sciences Hasanuddin University Makassar Cutting for All!
