All for God's Glory Louis B. Weeks, 2008-12-08 Nobody likes scutwork the unwanted dregs of the working day Pastors are no exception to this often dreading the endless e mails and phone calls having no heart for putting together one more bulletin or attending one more meeting all of which feels like so much distraction from the true pastoral work to which they have been called Louis Weeks challenges that paradigm and lifts up scutwork as an integral part of pastoral care and leadership How can we

administer congregations in ways most likely to increase the measure of pastoral care How can our service in menial and glorious work alike build up the Body of Christ How can all the work and worship in this congregation help God's work in the world Preparation organization and other administrative duties are crucial for effective programs and mission in a congregation as elsewhere in society Preaching teaching and pastoral care three indispensable parts of congregational life all depend upon competent congregational administration It is through focused attention to the details of scutwork that pastors are able to build solid relationships within the congregation and without the trust that comes from these relationships no true pastoral care and leadership is possible All for God's Glory explores ways in which churches are engaged and can engage in practices of administration that deepen care and build a healthy congregational community
