Harriet's Beau Emily Hendrickson, 2011-01-12 Ferdinand Andrews was a rake but he was also up for a challenge And Miss Harriet Mayne was obviously in need of his help Her clothes were dreadful and her rides in the park hoydenish But Ferdy's lessons in delightful ton behavior left Harriet open to the advances of a fortune hunter and an obnoxious peer Harriet was going to need her archery skills to hit the proper target

Regency Romance by Emily Hendrickson originally published by Signet

Making Harriet Arthur Joel Katz, 2002-08-20 Jonathan Bendel has shot himself in the foot in Hollywood terms by producing and directing the greatest bomb in motion picture history Reduced to hustling paddle tennis games on Venice Beach Jonathan somehow manages to get to write produce and direct Popcorn and Harriet This is the story of how he did it including the bodies he had to step over the ladies he had to romance and the lies he had to tell along the way

How Authors' Minds Make Stories Patrick Colm Hogan, 2013-01-28 This book explores how the creations of great authors result from the same operations as our everyday counterfactual and hypothetical imaginations which cognitive scientists refer to as simulations Drawing on detailed literary analyses as well as recent research in neuroscience and related fields Patrick Colm Hogan develops a rigorous theory of the principles governing simulation that goes beyond any existing framework He examines the functions and mechanisms of narrative imagination with particular attention to the role of theory of mind and relates this analysis to narrative universals In the course of this theoretical discussion Hogan explores works by Austen Faulkner Shakespeare Racine Brecht Kafka and Calvino He pays particular attention to the principles and parameters defining an author's narrative idiolect examining the cognitive and emotional continuities that span an individual author's body of work

Secrets from the Sofa Kenneth Herman, 2007-03 If what everyone really wants from life is happiness success and peace of mind then why do people stay at unrewarding jobs or in destructive relationships Why are people neglecting their physical and mental health Why do we sometimes have so much trouble just getting through the day Unfortunately people feel safe and secure with familiar emotions Even misery is preferable to the anticipated anxiety associated with change Intellectually we would like to change

emotionally we question if change is necessary or even possible As a practicing clinical psychologist for over 45 years Dr Kenneth Herman shares his Secrets from the Sofa his proven step by step approach to helping people change and achieve a greater sense of purpose happiness and peace He offers readers the chance to be their own psychologist to look at their problems to address where they are coming from to make a plan to overcome the issues and then to execute that plan With motivation and determination you will find that your personal peace plan can make a change for the better completely possible Secrets from a Sofa can lead you to a happier more fulfilling life And if you really put your mind to it it will

Creating the Fictional Female Detective Carla T. Kungl, 2006-04-27 This study examines a number of previously overlooked or undervalued women detective fiction writers of the late 19th and early 20th centuries and traces their relationship to later women writers who shaped the future of the genre Dorothy Sayers Agatha Christie and Gladys Mitchell This work argues that their use of the female detective character served as a means through which they were able to establish their professional authority in the detective fiction genre Women writers employed a variety of narrative strategies to explore the tensions between society's underlying domestic ideology and women's entrance into the work force during this time period Creating female detectives and employing these narrative strategies helped women writers establish professional authority by providing them with ways of expressing their ability to write in this genre and adapting it as a vehicle for women's writing The study examines the critical importance of early female detectives Many critics and editors have dismissed these

early detectives as conventional and trite ignoring the genre's rich variety Yet female fictional detectives appear as both paid professionals and gifted amateurs single married widowed older spinsters and young adventurers detecting for pleasure and to clear their own or a loved one's name In choosing to create female detectives who were both varied and unusual women writers confronted some of their own literary anxieties and ultimately were able to explore the ways they would create new routes to women's authority within a male dominated culture and specifically in the genre of detective fiction

Riduna Diana Jackson, 2012 *Riduna* speaks volumes about the power of love and loss and is beautifully written with a fluidity that speaks to your soul Author Diana Jackson's ability to portray the everyday ordinary yet life changing events of those in a community is amazing you get a true feel of what it must have been like living in *Riduna* during that era Fans of The Guernsey Literary and Potato Peel Pie Society will fall in love with *Riduna* Historical Novel Society Review August 2010 *Riduna* is the Latin name for the unique and picturesque island of Alderney sister island to Guernsey Channel Islands UK This is the first novel in the *Riduna* Series set in the late 19th Century For Harriet who was born on *Riduna* in 1866 and many others in her community the island seems to be a character in its own right It is the only world they have known or wanted to know On the other hand Edward lives with his head full of dreams of distant shores As their destiny is challenged will their devotion remain constant *Riduna* tells the story of Harriet and Edward as they move towards adulthood when conflicting dreams tragedy and poor communications all play a role in their lives

Making Adult Stepfamilies Work Grace Gabe, Jean Lipman-Blumen, 2005-08 If you are among the growing number of families in which adults with grown children have remarried later in life you are probably familiar with the conflicts and complicated emotional dynamics that can result Parents expect that remarrying will be easier because the children are grown up But the reality is that these remarriages can cause painful struggles between parents and their adult children Based on in depth research by a psychiatrist and a sociologist *Step Wars* trains a revealing lens on the sources of these conflicts and teaches the skills required to manage them Topics include Your Children and Mine Can They Ever Become Ours What Will Happen to the Family Home Who Should Inherit My Property Managing Financial Conflict Between Generations Health and Illness Thank Heaven the Caretaker Is on Duty The Grandchildren Pawns or Bridges Written for both the couple getting married as well as their adult children *Step Wars* is a road map for happily surviving remarriage later in life

Using Language John T. Kearns, 1985-06-30 In a pioneer study of how language is actually used Dr Kearns combines the rigor of formal logic with a detailed analysis of natural language patterns Through this double focus he develops artificial languages that are syntactically more similar to the spoken word than first order language itself Numerous diagrams illustrate the evolution of these artificial languages which represent a significant contribution to both the fields of linguistics and logic The book begins by delineating a theory of the structures of intentional acts and then applies this to the special case of linguistic acts Given an understanding of the meanings of component expressions we can use our knowledge of linguistic structure to determine the meaning of a complex

expression An innovative discussion of semantics is subdivided into theories of three semantic dimensions representational meaning inferential meaning and truth conditions Drawing upon these analyses the speech act theory of this book purposes that the meaning of a sentence sentential act is to be explained wholly in terms of the meanings of component expressions acts and the structure of the sentence
