Making Life A Prayer Selected Writings Of John Cassian:

Making Life a Prayer John Cassian, 1997 The beliefs and teachings of John Cassian are revealed in *Making Life a Prayer* The book has 14 accessible segments that encourage reading and reflection *Writings of John Cassian (Annotated)* Keith Beasley-Topliffe, 2017-04-01 With Historical commentary Biographical info Appendix with further readings For nearly 2 000 years Christian mystics martyrs and sages have documented their search for the divine Their writings have bestowed boundless wisdom upon subsequent generations But they have also burdened many spiritual seekers The sheer volume of available material creates a seemingly insurmountable obstacle Enter the Upper Room Spiritual Classics series a collection of authoritative texts on Christian spirituality curated for the everyday reader Designed to introduce 15 spiritual giants and the range of their works these volumes are a first rate resource for beginner and expert alike *Writings of John Cassian* includes a significant sampling of writings by this monk and contemporary of Augustine Excerpts of Cassian s writings on prayer and commitment continue to speak practically and potently to readers 15 centuries later **Oasis of Wisdom** David G. R. Keller, 2005 Introduces readers to the wisdom of the desert elders in the context of their daily lives presenting their background historical cultural and religious and describing the environment of solitude ascetic disciplines labor and interactions with other people that was the source of their wisdom Provided by publisher *Peter's Last Sermon* James M. Dawsey, 2010 What Christian would not want to hear Mark s gospel as the first believers heard it Using the tools of modern scholarship Peter s Last Sermon takes seriously Mark s audience The community would have heard rather than read the gospel It would have encountered the story as a whole instead of piecemeal in short texts for sermons Missing would have been the static of Matthew Luke and John As for the speaker While most modern scholars table the question of authorship the post apostolic writers of the second and third centuries claim with one voice that though penned by Mark the gospel actually went back to Peter So to hear the gospel as did those early Christians was to hear it as if coming from him Does it make a difference to our understanding of Mark s message if from Peter Yes And the result is surprising Peter s Last Sermon takes us on a journey through Roman and Jewish texts to meet the Jesus not of the modern Church but of Peter s proclamation in Rome Nero s persecution had left the community in crisis What was Peter s message for his time Christ was different from expected he said but how James Dawsey shows that Christ broke the messianic expectations of his Galilean followers and the Jerusalem religious elite of his day And as the reader of Peter s Last Sermon will see he surprised Mark s hearers a generation later The Gospel of Mark still confronts us in new ways **You Were Never Meant to Do It All** Kelly M. Kopic, 2025-05-20 Are you exhausted anxious and sick of feeling like you should always be doing one more thing In this 40 day devotional award winning author Kelly Kopic helps you embrace the truth that God never intended for you to do it all Topics include facing your limits in a world that demands more more more why God s love isn t contingent on your behavior the goodness of your body and the importance of embodied worship finding beauty in humility dependence on others and rest

Secrets of a Good Life as Told by Saints and Sinners, 2005

On the Song of Songs and Selected Writings Saint Bede (the Venerable), 2011 The first English translation of Bede's allegorical commentary *On the Song of Songs* along with selections from his homilies and the *Ecclesiastical History* an introduction to his spirituality and notes

The Sacred Writings of John Cassian John Cassian, Cassian was one of the first and most prominent of the Semi Pelagians maintaining that while man is by nature sinful he yet has some good remaining in him and that while the immediate gift of God's grace is necessary to salvation conversion may

also be begun by the exercise of man's will. He further asserted that God is always willing to bestow his grace on all who seek it though at the same time it is true that he sometimes bestows it without its being sought. These views have been held by a very large part of the church from his time and embrace much of the essence of Arminianism. The style of Cassianus is slovenly and shows no literary polish but its direct simplicity is far superior to the rhetorical affectations which disfigure most of the writings of that age. At the request of Castor, bishop of Apt, he wrote two monumental and influential treatises on the monastic life. The *De Institutione Coenobiorum* twelve books describes the dress, the food, the devotional exercises, the discipline and the special spiritual dangers of monastic life in the East: gluttony, unchastity, avarice, anger, gloom, apathy, vanity and pride. The *Collationes Patrum*, a series of dialogues with the pious fathers of Egypt, deal with the way in which these dangers and others, e.g. demons, may be avoided or overcome. At the desire of Leo, then archdeacon of Rome, he wrote against Nestorius his *De Incarnatione Domini* in seven books.

American Book Publishing Record, 1998. *First Sight* Laurence Freeman, 2011-01-07. In his latest book Laurence Freeman shows that the basic experience of contemplation is the experience of faith and that we all need to develop this in order to become fully human. We are all capable of it; indeed we are designed for it. Freeman redefines faith for our secular age. He draws on his wide experience and travels in the modern world to show how a new sense of the spiritual dimension can transform the way we approach education, business, mental health, the environment, inter-religious dialogue and our view of ourselves in society. Moving from this new vision and fresh thinking illustrated vividly from his own life experience, he leads to practice. Meditation, he shows, offers an accessible and attractive antidote to the current cult of speed and distraction. He does not deny that this needs discipline but because it is radically simple it is a path that all can integrate. *First Sight* is the sequel to Laurence Freeman's acclaimed book *Jesus the Teacher Within*. [Ascetic Pneumatology from John Cassian to Gregory the Great](#) Thomas L. Humphries Jr., 2013-10-24. *Ascetic Pneumatology from John Cassian to Gregory the Great* presents three interconnected arguments. The first argument concerns scholarly readings of antiquity: there are developments in 5th and 6th century Latin pneumatology which we have overlooked. Theologians like John Cassian and Gregory the Great were engaged in a significant discussion of how the Holy Spirit works within Christian ascetics to reform their inner lives. Other theologians like Leo the Great participate to a lesser extent in a similar project. They applied pneumatology to theological anthropology. Thomas L. Humphries Jr. labels that development ascetic pneumatology and begins to track some of the late antique schools of thought about the Holy Spirit. The second argument concerns the reception of Augustine in the two centuries immediately after his death: different people read Augustine differently. Augustine's theology was known and understood to varying degrees in various regions. Humphries demonstrates significant engagements with Augustine's theology as it was relevant to Pelagianism evidenced in Prosper of Aquitaine as it was relevant to Gallic Arians evidenced

with the L rinian theologians and as it was relevant to African Arians and certain questions posed of Nestorianism evidenced with Fulgentius of Ruspe Instead of attempting to rank various theologians as better and worse Augustinians Humphries argues that there were different kinds of Augustinianisms even in the years immediately after Augustine The third argument concerns Gregory the Great and his sources Once we see that ascetic pneumatology was a strain of thought in this era and see that there are different kinds of Augustinianisms we can see that Gregory depends on both Augustine and Cassian In the closing chapters Humphries argues that Gregory uses Cassian s ascetic pneumatology and this allows Gregory s synthesis of Cassian and Augustine to stand in greater relief than it has before The study begins with Cassian ends with Gregory and is attentive to Augustine throughout

Demons and the Making of the Monk David BRAKKE, David Brakke, 2009-06-30 In this finely written study of demonology and Christian spirituality in fourth and fifth century Egypt David Brakke examines how the conception of the monk as a holy and virtuous being was shaped by the combative encounter with demons Drawing on biographies of exceptional monks collections of monastic sayings and stories letters from ascetic teachers to their disciples sermons and community rules Brakke crafts a compelling picture of the embattled religious celibate
