Making Music With The Young People With Special Needs A Guide For Parents:

Sound Choices Wilma Machover, Marianne Uszler, 1996 This guide should be of interest to parents whose children study or are considering studying an instrument or taking music lessons It should also be of use to music teachers *Teaching Music to Students with Special Needs* Alice M. Hammel, Ryan M. Hourigan, 2017-06-26 The Second Edition of *Teaching Music to Students with Special Needs* offers updated accounts of music educators' experiences featured as vignettes throughout the book An accompanying Practical Resource includes lesson plans, worksheets, and games for classroom use As a practical guide and reference manual *Teaching Music to Students with Special Needs* Second Edition addresses special needs in the broadest possible sense to equip teachers with proven research-based curricular strategies that are grounded in both best practice and current special education law Chapters address the full range of topics and issues music educators face including parental involvement, student anxiety, field trips and performances, and assessment strategies The book concludes with an updated list of resources building upon the First Edition's recommendations **Teaching Music to Students with Differences and Disabilities** ALICE M. HOURIGAN HAMMEL (RYAN M.), Graduate Faculty Alice M Hammel, Ryan M Hourigan, 2024-10-22 The latest edition of the landmark text *Teaching Music to Students with Differences and Disabilities A Label Free Approach* designed for music education faculty in service, music administrators in service, music teachers and preservice music teachers offers a comprehensive manual and reference guide that introduces those in the field of music education to best practices when teaching music to students with differences and disabilities Acclaimed pedagogues and clinicians Alice Hammel and Ryan Hourigan address a variety of topics such as research-based strategies for methods courses, practical approaches for in-service music educators and professional development grounded in research, special education law and best practice Like previous editions, a core focus of this book is that a student with differences and disabilities is an individual who deserves a music education that is free of labels This philosophical premise of a label-free approach is centered in the preservation of the individual personhood of each student Through this approach music educators will be able to gain and advocate for support, understand their rights and responsibilities, and offer an affective and effective music education for students with and without disabilities This includes learning strategies for effective collaboration with special educators, teacher educators, and classroom teachers The authors also include curriculum development ideas, lesson plan strategies, observation strategies, methods, classroom and practical ideas, methods, classroom **Resources in Education**, 2001 *The American Music Teacher*, 1995 *Making Music with the Young Child with Special Needs* Elaine Streeter, 1993 Intended to help to make the most of the child's interest in music as early as possible, this book describes the ways in which music can be used and provides practical help in starting to play simple musical instruments with the child The first part of the book explains how musical activities can help to stimulate skills in other areas such as language and communication, describes a range of basic instruments, and outlines the approach It emphasizes the

fact that prior knowledge of music is not needed and also provides a choice of very accessible ways for parents to approach music themselves to give them the confidence to make music with their child The second part of the book describes in detail thirteen musical activities with ideas for variations and further developments Elaine Streeter's guide will help parents and others to learn how they can add to a child's fun one of the most rewarding things anyone can do
