Making Of An American:

The Making of an American Jacob A. Riis, 2019-12-03 In *The Making of an American* Jacob A Riis intricately weaves together a compelling narrative that melds autobiography with social commentary chronologically tracing his journey from a humble Danish immigrant to a pioneering social reformer in the United States Riis employs vivid imagery and candid anecdotes capturing the stark realities of life in New York City s tenements His unflinching style not only illuminates the struggles of the urban poor in the late 19th century but also utilizes elements of realism reflecting the broader social tensions and aspirations that characterized the American landscape during this transformative period Jacob A Riis 1849 1914 was a journalist social reformer and photographer whose own experiences as an immigrant profoundly shaped his worldview His work in social reform was largely influenced by the harsh conditions he witnessed in urban America which he sought to expose through his writings and photographs Riis s dedication to improving living conditions for the impoverished was pivotal to the progressive movement and his firsthand accounts serve as critical historical documentation of the time I wholeheartedly recommend *The Making of an American* for readers who are interested in the immigrant experience the social fabric of 19th century America and the transformative power of rhetoric in promoting social change Riis s narrative is not just a personal history it is a clarion call for empathy and action that resonates with contemporary dialogues on immigration and social justice

The Making of an American Jacob August Riis, 1970-01-01 **Gertrude Stein and the Making of an American Celebrity** Karen Leick, 2013-05-13 This book is a cultural history of Stein s rise to fame and the function of literary celebrity in America from 1910 to 1935 By examining not the ways that Stein portrayed the popular in her work but the ways the popular portrayed her this study shows that there was an intimate relationship between literary modernism and mainstream culture and that modernist writers and texts were much more well known than has been previously acknowledged Specifically Leick reveals through the case study of Stein that the relationship between mass culture and modernism in America was less antagonistic more productive and integrated than previous studies have suggested

The Making of an American Jacob August Riis, 1921 *The Making of an American* Jacob August Riis, 1901 In all of which I have made no account of a factor which is at the bottom of half our troubles with our immigrant population so far as they are not of our own making the loss of reckoning that follows uprooting the cutting loose from all sense of responsibility with the old standards gone that makes the politician s job so profitable in our large cities and that of the patriot and the housekeeper so wearisome We all know the process The immigrant has no patent on it It afflicts the native too when he goes to a town where he is not known

The Making of an American , 1901 **The Making of an American (Classic Reprint)** Jacob A. Riis, 2015-07-11 Excerpt from *The Making of an American* With tassels Says my wife maliciously she has been looking over my shoulder Well with tassels What then Did I not worship a pair of boots with tassels which I passed in a shop window in Copenhagen every day for a whole year because they were the only other pair I ever saw

I don't know there may have been more perhaps others wore them I know she did Curls she had too curls of yellow gold Why do girls not have curls these days It is such a rare thing to see them that when you do you feel like walking behind them miles and miles just to feast your eyes Too much bother says my daughter Bother Why I have carried one of your mother's miss About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

B Shea writes on colonial America Lawrence Buell on the American Renaissance Susanna Egan on the years after the Civil War and Albert E Stone on the twentieth century The second part of American Autobiography shows the diversity of voices forms audiences and modes of identity in the literature of American autobiography Provocative essays by William Boelhower and Sau Ling Cynthia Wong on immigrant autobiography discuss the changes in the sense of self that occur when strangers come to a strange land Arnold Krupat writes about how American Indians conceptualize the self and about the relationship between oral and written discourse William L Andrews evaluates the strong body of critical theory that has grown up around African American autobiography showing how both the genre and its criticism have responded to contemporary historical pressures Carol Holly explores the model of personal identity that underlies nineteenth century women s autobiographies and Blanche Gelfant examines the narrative and political strategies of Emma Goldman s autobiography especially her use of popular romance and melodrama The last essay offers a more personal perspective on contemporary autobiography a dialogue between Robert and Jane Coles about how they developed their method of eliciting first person oral narratives for their famous Children of Crisis and Women of Crisis series These essays raise theoretical issues that are examined in Paul John Eakin s incisive introduction How do we define a literary genre of protean shape and perplexing cultural multiplicity How do we approach the special problems created by documents that are both historical and literary texts ones that pose difficult questions about truth and representation Most important how is the canon of American autobiography to be constructed and how is its history to be written Tracing that critical history Eakin explains how changing ideas about the mainstream and the marginal have revitalized our retrospective view of American autobiography and opened up new and exciting prospects for today s reader

Exposing Hidden Worlds Michael Burgan, 2017-07-01 President Theodore Roosevelt called Jacob Riis the best American I ever knew The pioneering photojournalist an immigrant from Denmark drew attention to the poverty and evils of slum life in the late 1800s Riis won national acclaim when his photos illustrated his bestselling book *How the Other Half Lives* The book focused on the difficult time immigrants faced as thousands of newcomers flooded into the United States each year Riis called for reform and hoped to prod government officials to help the poor people who were forced to live under horrible conditions The impact of Riis photos came from capturing the poor and homeless as they lived and worked with the subjects eyes often staring directly into the camera The great photographer Ansel Adams called them magnificent achievements in the field of humanistic photography But the reforms that came from Riis work have not eliminated urban poverty and homelessness and important work remains to be done
