THE MAKING OF CASABLANCA

BOGART, BERGMAN, AND
WORLD WAR II

ALJEAN HARMETZ
READ BY SCOTT BRICK

Making Of Casablanca The

Robert Weldon Whalen

Making Of Casablanca The:

Round Up the Usual Suspects Aljean Harmetz, 1992-11-26 An inside look at the making of Casablanca offers fresh insights into and revelations about the people the period and the countless details that all had a hand in shaping the quintessential movie lover's movie

The Making of Casablanca Aljean Harmetz, 2002-10-23 ritically acclaimed when published in 1992 as Round Up the Usual Suspects The Making of Casablanca offers the ultimate insider's look at the politics and personalities behind the most celebrated movie of all time Casablanca Updated and timed for the 60th anniversary Thanksgiving Day 1942 of this movie this critically acclaimed book draws upon years of research including access to Ingrid Bergman's personal acting diaries and the vast Warner Brothers archives as well as interviews with many of those close to the film including the late Paul Henreid Lauren Bacall and scriptwriters Howard Koch and Julius Epstein Richly detailed and full of surprises The Making of Casablanca debunks many cherished myths about the casting script story and stars to reveal the realities of the highly pressured Hollywood studio system during World War II

Casablanca's Conscience Robert Weldon Whalen, 2024-02-06 A new look at a beloved classic film that explores the philosophical dynamics of Casablanca Celebrating its eightieth anniversary this year Casablanca remains one of the world's most enduringly favorite movies It won three Academy Awards for Best Picture Best Director and Best Adapted Screenplay It is still commonly quoted We'll always have Paris and Here's looking at you kid And who can forget You must remember this a kiss is just a kiss Yet no one expected much to come of this little film certainly not its blockbuster stars or even the studio producing it So how did this hastily cranked out 1940s film despite its many limitations become one of the greatest films ever made How is it that year after year decade after decade it continues to appear in the lists of the greatest movies ever produced And why do audiences still weep when Rick and Ilsa part The answer according to Casablanca's Conscience is to paraphrase Rick It's true Much has already been written about the film and the career defining performances of Bogart and Bergman Casablanca is an epic tale of love betrayal and sacrifice set against the backdrop of World War II Yet decades later it continues to capture the imagination of filmgoers In Casablanca's Conscience author Robert Weldon Whalen explains why it still resonates so deeply Applying a new lens to an old classic Whalen focuses on the film's timeless themes Exile Purgatory Irony Love Resistance and Memory He then engages the fictional characters Rick Ilsa and the others against the philosophical and theological discourse of their real contemporaries Hannah Arendt Dietrich Bonhoeffer and Albert Camus The relationships between fictional and historical persons illuminate both the film's era as well as perennial human concerns Both the film and the work of the philosophers explore dimensions of the human experience which while extreme are familiar to everyone It's the themes that resonate with the viewer that have sustained it as an evergreen classic all these years

The Making of FDR Linda Lotridge Levin, 2010-03-05 Chronicles Early's loyalty to Roosevelt their close but sometimes tumultuous personal and professional relationship from Roosevelt's appearance as a New York delegate to the Democratic National Convention in 1912 through his

four terms as US President **The Making of 'Casablanca': A Hollywood Icon Revealed** Elvis Valdez, Step behind the scenes of the legendary film Casablanca and uncover the captivating story of its creation This meticulously researched book takes you on a journey through the challenges triumphs and fascinating anecdotes that shaped this cinematic masterpiece From the initial screenplay to the casting decisions that defined the iconic roles you ll witness the transformation of a mere idea into a timeless classic Dive into the intricate plot explore the characters motivations and gain a deeper understanding of the themes that continue to resonate with audiences worldwide But this book is more than just a historical account It delves into the creative process revealing the clashes between artistic vision and studio demands You ll witness the brilliance of the writers the dedication of the cast and crew and the serendipitous events that ultimately forged Casablanca into the cultural phenomenon it is today Whether you re a film buff a history enthusiast or simply curious about the making of one of the greatest movies ever made this book is an unmissable glimpse into the cinematic alchemy that created Casablanca It s a captivating narrative that celebrates the art of filmmaking and reminds us why this timeless classic continues to captivate hearts and minds decades later The Only Writing Series You'll Ever Need Screenwriting Madeline Dimaggio,2007-01-19

The insider info you need Writing scripts for the big screen takes more than a big idea it requires passion perseverance and insider know how The Only Writing Series You ll Ever Need Screenwriting is your go to resource for mastering the complete screenwriting process Taking you step by step from idea to deal you ll learn how to Write a sellable script Create real and credible dialog Find an agent and market the script the right way Edit and revise over and over and over again Live the life of a full time screenwriter Ideal for those writers who want to perfect their craft and shop their script around The Only Writing Series You ll Ever Need Screenwriting is your break into this exciting career *The Jews of the Middle East and North Africa* Reeva Spector Simon,2019-09-20 Incorporating published and archival material this volume fills an important gap in the history of the Jewish experience during World War II describing how the war affected Jews living along the southern rim of the Mediterranean and the Levant from Morocco to Iran Surviving the Nazi slaughter did not mean that Jews living in the Middle East and North Africa were unaffected by the war there was constant anti Semitic propaganda and general economic deprivation communities were bombed and Jews suffered because of the anti Semitic Vichy regulations that left them unemployed homeless and subject to forced labor and deportation to labor camps Nevertheless they fought for the Allies and assisted the Americans and the British in the invasion of North Africa These men and women were community leaders and average people who despite their dire economic circumstances worked with the refugees attempting to escape the Nazis via North Africa Turkey or Iran and connected with international aid agencies during and after the war By 1945 no Jewish community had been left untouched and many were financially decimated a situation that would have serious repercussions on the future of Jews in the region Covering the entire Middle East and North Africa region this book on World War II is a key resource for students scholars and general readers interested in Jewish history World War II and Middle East history

Organizational Behavior and Public Management, Revised and Expanded Michael L. Vasu, Debra W. Stewart, G. David Garson, 2017-09-25 Organizational Behavior and Public Management reveals how organizational behavior enables managers to direct resources that advance the programs and policies of public and government. This edition offers a public sector perspective of core topics such as communication, decision making, leadership, management ethics, motivation, organizational change, participation, and performance appraisal. Contemporary Psychology called this book skillful and comprehensive. There is a need for a text like this; the device of juxtaposing theory and application is a sound one. The authors discuss such topics as communication, decision making, worker participation, and total quality management, organizational change, management systems, information computers, and organization theory in public management. The Medium and the Magician Paul Heyer, 2005 Few twentieth-century artists are renowned in such a variety of media as Orson Welles. Well known for his work in film and theater as director, actor, and writer, Welles's influence in the field of radio has often been overlooked for the more glamorous entertainment of his movies. The Medium and the Magician is a comprehensive review of Welles's radio career devoted to assessing his radio artistry and influence in the field. Paul Heyer offers a new look at the infamous War of the Worlds panic broadcast and a discussion of how Welles's use of sound in radio influenced his motion pictures. Daily Life in the United States, 1940-1959 Eugenia Kaledin, 2000-09-30 Examine the everyday lives of ordinary Americans from the 1940s and 1950s and discover how very different the two decades were. World War II affected Americans and the way they behaved not only in the 1940s but also in the years that followed when the depression that preceded the war was replaced with an economic boom. Explore how women's roles and lives changed during these two very distinct decades, how politics and political decisions impacted all walks of life, and what the advent of growing technology, much of it developed during the war, meant to the general population. What was it like to be a woman suddenly earning her own money while men were off fighting? How did children and teenagers contribute to the war effort? How did housing change in postwar America? What pastimes were popular during these two decades, and how did they reflect the times? These questions and others are explored in detail, encouraging students, teachers, and interested readers to recognize the tremendous shift in society between the war years and the atomic age that immediately followed. This text presents the 1940s as a time of social problems that existed alongside community commitment to the war, while the 1950s are presented as a time when exciting social change, such as the beginning of the civil rights movement and the building of Levittowns, occurred. After the war, ordinary people began to question long-accepted ideas. The exploration of these everyday details provides a rich look at two very important decades in our country's history. Behind the Scenes James Stanley, 2020-06-30 Behind the Scenes takes place during a time referred to as the Golden Age of Hollywood, bookended by the end of silent films and the advent of television. Follow the meeting and subsequent lives of LA transients, the strikingly beautiful Dinah Nolan from Chicago and the high-ranking mobster David Abrams from New York, and the peripheral influences of the beginning and end of Prohibition, the Great Depression, and

World War II along with the growth of Las Vegas as the gambling capital of America Three members of the mob community David Abrams Aaron Crackers Cohen and Sara Balin bond on the streets of New York rise in the underworld and move to the West Coast at the request of the Commission the mob s governing body Unexpected circumstances await the three and Dinah Nolan Their world meets an unexpected end in 1952 for two of the four as well as a new beginning for the remaining two Follow Stanley s suspenseful and sensual story in *Behind the Scenes* **A Hard Fought Ship** John A Rodgaard,2024-06-30 Here is the exhaustive and exhilarating story of HMS Venomous one of sixty seven V W destroyers built at the end of the Great War that were to play a key role in the struggle to keep the sea lanes open in the Atlantic Home Waters and the Mediterranean during the following war Her story was perhaps the most memorable of all her class When war broke out she was to find herself in the front line as the German blitzkrieg swept across Europe in 1940 and the V Ws made high speed dashes across the Channel to bring troops and civilians back from Calais Boulogne and Dunkirk and prepared for the expected invasion Later that year she and her sister ships escorted the Atlantic convoys which supplied our Russian allies with the weapons to halt the German advance She returned to the Mediterranean and took part in Operation Pedestal to save Malta and as the allies prepared for the landings in North Africa she was ordered to escort the destroyer depot ship HMS Hecla to the invasion beaches When Hecla was torpedoed off the coast off Morocco Venomous fought the attacking U boat and rescued 500 survivors She escorted convoys along the coast of North Africa including the first through convoy from Gibraltar to Alexandria and she joined the invasion force to Sicily during Operation Husky In October 1943 she returned to Britain for a major refit at Falmouth when she was converted to an air target ship for training Barracuda torpedo bombers based at Douglas Isle of Man and then after being transferred to the east coast she was nearly lost in a hurricane before being sent to Kristiansand to accept the surrender of German naval forces Venomous and her sister ships were all scrapped after the War but her extraordinary career during which she fought without cessation is brought to life in this rousing and beautifully told ship biography a fitting memorial to the V Ws and the men who served in them I would rate this as being in the same class as *The Cruel Sea* for a picture of small ship life in World War Two *The Naval Review* A portrayal of life on a wartime destroyer with a depth and insight that is possible unequalled by any previously published work *Warship Annual* This book is outstanding for its detailed insight into the life on not just a single destroyer but by extension life at sea aboard and Royal Navy destroyer *The Northern Mariner* *A Hard Fought Ship* is a vivid portrait of a fighting vessel and the men who operated her *Warships International Fleet Review* Highly recommended to both naval historians and the general public *Mariner s Mirror* It is an exemplary ship biography where a detailed narrative of the destroyer s exploits are brought to life by a wealth of first hand accounts *Navy News* This book is a detailed and thrilling account of the life of a typical V W class destroyer *Sea Breezes* *The Great Escape* Kati Marton,2006-10-17 Extravagantly praised by critics and readers this stunning story by bestselling author Kati Marton tells of the breathtaking journey of nine extraordinary men from Budapest

to the New World what they experienced along their dangerous route and how they changed America and the world This is the unknown chapter of World War II the tale of nine men who grew up in Budapest s brief Golden Age then driven from Hungary by anti Semitism fled to the West especially to the United States and changed the world These nine men each celebrated for individual achievements were part of a unique group who grew up in a time and place that will never come again Four helped usher in the nuclear age and the computer two were major movie myth makers two were immortal photographers and one was a seminal writer The Great Escape is a groundbreaking poignant American story and an important untold chapter of the tumultuous last century **Short Stories From The Library of Wayne King Livingston**

Wayne King Livingston,2011-06-10 The stories you are about to read are from traveling and a culmination from eight years of my wife and I living among the people in lands of rich stories not excluding Ireland It has given me great joy to write of our adventures in a format that takes the best of times stirred with some pathos of fallen friends and then mixed into the tales within These reminiscences will be treasured by my wife Pat and I forever No one character is represented in his or her entirety and no narrative can be said to be an actual event These storied chapters herein capture our lives as it might have happened I have pasted the wonderful characters together from all the many vignettes we encompassed while dwelling amongst one of the most reflective societies today Not reflective in some lofty sense but as in a mirror of life that needs the rich loamy land and vibrant countryside to place one s heart into Ireland with not much doubt is the last and most beautiful virginal country left today Thanks to flying there are many corners and stories on this earth that I have seen and wrote about of great exotic beauty and depth but the endowments of pastoral Ireland leave one breathless It s soft and natural charm is the result of native Irishmen resisting the huge industrial revolution that has changed lives within the short span of our diminutive existences The Emerald Isle is a refuge from the unbridled growth of material things Time will undoubtedly take this last resort but there are those of us who have advantaged ourselves with an affair of the heart a sojourn with Ireland The

Author **Making West Indian Literature** Mervyn Morris,2005 West Indian Literature as a body of work is a fairly recent phenomenon and literary criticism has not always acknowledged the diversity of approaches to writing effectively In Making West Indian Literature poet and critic Mervyn Morris explores examples of West Indian creativity shaping a range of responses to experience which often includes colonial traces Appreciating various kinds of making and a number of West Indian makers these engaging essays and interviews display a recurrent interest in the processes of composition Some of the prices highlight writer performers who have not often been examined This very readable book often personal in tone makes a distinctive contribution to the knowledge and understanding of West Indian Literature **Billboard** ,1977-11-26 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *The Geographical Journal* ,1916 Includes the

Proceedings of the Royal geographical society formerly pub separately The (Almost) Complete Hitchhiker in Time Shawn M. Tomlinson,2015-11-07 The Hitchhiker in Time columns were the single most popular things ever written by Shawn M Tomlinson which honestly doesn't say all that much All together they appeared in fewer than 10 newspapers between 1988 and 2001 Well multiple copies of those newspapers of course The highest circulation was approximately 40 000 so not exactly Bob Greene levels Still Tomlinson had a following with these columns and to a great extent they hold up well today Either that or Tomlinson would like to think so Many of these columns appeared in chapbooks over the years but this is the first full collection of them to be in print *Lady Tempts a Rogue* Collette Cameron,2023-02-14 What happens when a runaway

rogue and a fearless spinster make an impossible bargain A rake's flight Devin Everingham is notorious for two things his devil may care charm and his steadfast refusal to marry But when his formidable mother issues an ultimatum find a wife or lose his inheritance Devin does what any self respecting rogue would do he vanishes Crossing continents to escape the altar he plans to return only when the scandal has cooled What he doesn't plan for is the captivating woman who barrels into his life bringing chaos complications and temptation A spinster's plight Trinity Ablethorne has given up on the fantasies of romance and grand passion A confirmed spinster with a taste for adventure she's more at home trekking foreign lands than curtsying in drawing rooms But when a string of misfortunes leaves her stranded in a dangerous plague stricken country she's left with one impossible option a marriage of convenience to the infuriatingly handsome rake who seems as wary of love as she is A union forged in desperation What begins as a convenient solution spirals into something neither of them can control With every stolen glance every searing kiss Devin and Trinity edge closer to surrendering their hearts But old secrets and hidden dangers threaten to tear them apart before they can even begin Can a rogue with no intention of settling down and a woman who's vowed to remain untethered find the courage to risk everything for a love they never sought

Making Of Casablanca The Introduction

In today's digital age, the availability of Making Of Casablanca The books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Making Of Casablanca The books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Making Of Casablanca The books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Making Of Casablanca The versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Making Of Casablanca The books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Making Of Casablanca The books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Making Of Casablanca The books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of

Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Making Of Casablanca The books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Making Of Casablanca The books and manuals for download and embark on your journey of knowledge?
