**The Making of Evita** Alan Parker, 1996      **Making of "Evita"** Alan Parker, 1998-12      Madonna Mary Gabriel, 2023-10-10 New York Times Editors Choice One of NPR's Best Books of the Year In this infinitely readable biography award winning author Mary Gabriel chronicles the meteoric rise and enduring influence of the greatest female pop icon of the modern era Madonna People Magazine With her arrival on the music scene in the early 1980s Madonna generated nothing short of an explosion as great as that of Elvis or the Beatles taking the nation by storm with her liberated politics and breathtaking talent Within two years of her 1983 debut album a flagship Macy's store in Manhattan held a Madonna lookalike contest featuring Andy Warhol as a judge and opened a department called Madonna land But Madonna was more than just a pop star Everywhere fans gravitated to her as an emblem of a new age one in which feminism could shed the buttoned down demeanor of the 1970s and feel relevant to a new generation Amid the scourge of AIDS she brought queer identities into the mainstream fiercely defending a person's right to love whomever and be whoever they wanted Despite fierce criticism she never separated her music from her political activism And as an artist she never stopped experimenting Madonna existed to push past boundaries by creating provocative visionary music videos films and live performances that changed culture globally Deftly tracing Madonna's story from her Michigan roots to her rise to super stardom master biographer Mary Gabriel captures the dramatic life and achievements of one of the greatest artists of our time      *The Making of Saints* James F Hopgood, 2005-04-24 A multidisciplinary study of the commonalities between heroes icons saints and their institutions across several cultures      *The Musical* William Everett, 2011-06-02 The musical whether on stage or screen is undoubtedly one of the most recognizable musical genres yet one of the most perplexing What are its defining features How does it negotiate multiple socio cultural economic spaces Is it a popular tradition Is it a commercial enterprise Is it a sophisticated cultural product and signifier This research guide includes more than 1 400 annotated entries related to the genre as it appears on stage and screen It includes reference works monographs articles anthologies and websites related to the musical Separate sections are devoted to sub genres such as operetta and megamusical non English language musical genres in the U S traditions outside the U S individual shows creators performers and performance The second edition reflects the notable increase in musical theater scholarship since 2000 In addition to printed materials it includes multimedia and electronic resources      *Evita's Revenge* Richard J. Walter, 2016-02-29 In this thrilling sequel to the author's *Twisted Tango* former OSS officer Pete Benton finds himself in Washington D C in the summer of 1951 working for a Department of Justice task force investigating organized crime When a member of the task force is found near dead from a brutal beating Pete and his wife Mara are confronted with the possibility that they might be next to suffer from an attack But a greater danger lurks when the Bentons unknowingly become the targets of revenge from the powerful first lady of Argentina Evita Pern still bitter over Pete's efforts to spy on her and Juan Pern six years earlier David Friedman the man who

recruited Benton in Buenos Aires is now working for the Central Intelligence Agency continuing his relentless pursuit of Nazi war criminals In that effort Friedman himself is recruited by a beautiful Israeli intelligence officer to provide information on Nazi war criminals relocated by the CIA to the United States Reunited in the nation s capital the Bentons and Friedman find themselves caught up in a tangled web of intrigue deceit betrayal and revenge that puts them all in peril Four Plays Copi,2019-09-05 This collection brings together four of Copi s best known works for the stage Eva Peron The Homosexual The Four Twinsand Loretta Strong Set on the borderline between reality and delirium and featuring such charismatic icons as Eva Peron and Greta Garbo Copi s plays are imbued with his trademark racy wit and manic pace intended at once to unsettle the bien pensants and to open up radically new insights The product of one of the most talked about dramatists in the French language since Arrabal and the advent of the theatre of panic Copi s works continue to shock and challenge to this day Hollywood Online Ian London,2024-03-07 Hollywood Online provides a historical account of motion picture websites from 1993 to 2008 and their marketing function as industrial advertisements for video and other media in the digital age The Blair Witch Project is the most important example of online film promotion in cinema history Over the last thirty years only a small number of major and independent distributors have converted internet created buzz into box office revenues with similar levels of success Yet readings of how the film s internet campaign broke new ground in the summer of 1999 tend to minimize overlook or ignore the significance of other online film promotions Similarly claims that Blair initiated a cycle of imitators have been repeated in film publications and academic studies for more than two decades This book challenges three major narratives in studies about online film marketing Hollywood s major studios and independents had no significant relationship to the internet in the 1990s online film promotions only took off after 1999 because of Blair and Hollywood cashed in by initiating a cycle of imitators and scaling up corporate activities online Hollywood Online tests these assumptions by exploring internet marketing up to and including the film s success online Pre Blair 1993 9 then by examining the period immediately after Blair Post Blair 2000 8 which broadly coincides with the rise and decline of DVD as well as the emergence of the social media sites MySpace Facebook and Twitter **Cambridge International AS and A Level English Language Coursebook** Mike Gould,Marilyn Rankin,2014-08-21 Comprehensive student friendly resources designed for teaching Cambridge International AS and A Level English Language syllabus 9093 The core aim of this Coursebook is to help students to develop and apply the key skills they need to achieve in AS and A Level English Language They will build the skills needed for assessment through frequent activities Divided into two distinct parts for AS and A Level studies the book covers a wide range of reading skills such as understanding aspects of style voice and tone It also addresses the conventions of key kinds of writing and spoken language from scripted speeches to travel articles and looks at how they can capture these conventions in their own work Juan Perón Jill Hedges,2021-04-08 Within Argentina Juan Domingo Per n continues to be the subject of exaggerated and diametrically opposed views A dictator a great leader the hero of the working classes and

Argentina's first worker a weak and spineless man dependent on his stronger-willed wife a Latin American visionary a traitor responsible for dragging Argentina into a modern socially just 20th century society or conversely destroying for all time a prosperous nation and fomenting class war and unreasonable aspirations among his client base Outside Argentina Peron remains overshadowed by his second wife Evita The life of this fascinating and unusual man whose charisma political influence and controversial nature continue to generate interest remains somewhat of a mystery to the rest of the world Peron remains a key figure in Argentine politics still able to occupy so much of the political spectrum as to constrain the development of viable alternatives Jill Hedges explores the life and personality of Peron and asks why he remains a political icon despite the negatives associated with his extreme personalism *Right Girl, Wrong Side* Ginny Baird, 2023-03-28 New York Times and USA Today bestselling author Ginny Baird brings her signature charm to this multicultural story about two disputing families sharing a beach house and the messiness that comes from falling in love with someone who your family is determined to despise Busy flower shop manager Evita Machado can't wait to get to Nantucket With a bad breakup behind her relaxing at the shore with her folks and her brothers and their families sounds like the sure cure for heartache and their vacation destination looks like an amazing place But when they arrive at the quaint rose covered cottage another group has already put down stakes the Hatfields Ryan Hatfield was Evita's former crush from high school but their business rival moms refused to let them date Now history professor Ryan is here for a week with his parents who won them this oceanfront rental in a society silent auction Once it's clear there's been a double booking due to a bidding mistake Ryan's mom digs in her heels meaning to stay When Evita's mom won't back down either both sides tepidly agree to share the luxury accommodations by dividing the cozy space With the boisterous Machados livening things up and the strait laced Hatfields tamping them down can Evita and Ryan keep the peace between the warring factions while fostering a growing chemistry between the two of them Madonna J.
