**Arthur Garfield Kennedy**

## **Making Of The English Bible:**

The Making of the English Bible Gerald Hammond, 2022-12-06 A renowned Bible scholar examines how the Hebrew text has been interpreted and misinterpreted from the Renaissance to modern times In this wide ranging and authoritative study Gerald Hammond sheds light on how the Bible has evolved over centuries of English language translation His extensive analysis begins in the sixteenth century with William Tyndale s pioneering work This early text is contrasted with the seventeenth century authorized version showing how each in their own ways attempted to bring the meaning and nuance of the Hebrew scripture to English readers Between these towering Renaissance works Hammond examines the two Bibles translated by Miles Coverdale the Geneva Bible the Bishops Bible and the Catholic Bible He also offers incisive criticism of the New English Bible demonstrating that in the pursuit of accessibility above all the newer translations seem to have given up on what should be essential faithful adherence to the source

**The Making of the English Bible** Samuel McComb, 1909 *The Making of the English New Testament* Edgar Johnson Goodspeed, 1925 **The Making of the English Bible** Benson Bobrick, 2001 In this account of the politics surrounding the translation of the Bible into vernacular languages Benson Bobrick shows that the achievement of Tyndale and other translators had a permanent influence on the English speaking world *Our English Bible* Willard Nathan Tobie, 1905 *A Dictionary of the English Bible and its Origins* Alec Gilmore, 2014-02-04 The Dictionary of the English Bible and Its Origins is designed to increase awareness of the origins of the Bible to introduce readers to the variety of versions and manuscripts that lie behind the familiar English translations to provide in alphabetical order entries on texts versions manuscripts persons places and terminology covering the origins of the Hebrew Bible the New Testament and the English Bible including the most recent translations and generally to facilitate a more intelligent understanding of the Bible among lay people by removing some of the mystique and prejudices associated with it Entries are factual not evaluative and reflect contemporary biblical scholarship Dictionary of the English Bible and Its Origins will prove to be a handy reference tool for anyone with an interest in the Bible

**The Making of the English Bible** Samuel McComb, 2017-11-28 Excerpt from The Making of the English Bible With an Introductory Essay on the Influence of the English Bible on English Literature Our day asks that these Old Greek and Hebrew writings should speak to him as they Spoke to their first readers freed from the meanings imposed upon them by later ages and from the unconscious errors Of imperfect scholarship A Bible that refuses to meet this demand may serve the needs Of a coterie it cannot Speak home to a wider humanity On the other hand a translation which would break away from the past and pedantically renounce the moving and living rhythm of earlier workers would make no wide appeal to the popular mind Having no root in the soil of a great literary tradition it would soon wither away About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst

repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*A History of the English Bible as Literature* David Norton,2000-05-29 Revised and condensed from David Norton s acclaimed *A History of the Bible as Literature* this book first published in 2000 tells the story of English literary attitudes to the Bible At first jeered at and mocked as English writing then denigrated as having all the disadvantages of an old prose translation the King James Bible somehow became unsurpassed in the entire range of literature How so startling a change happened and how it affected the making of modern translations such as the Revised Version and the New English Bible is at the heart of this exploration of a vast range of religious literary and cultural ideas Translators writers such as Donne Milton Bunyan and the Romantics reactionary Bishops and radical students all help to show the changes in religious ideas and in standards of language and literature that created our sense of the most important book in English

*The English in English Bibles* Joseph F. Sheahan,1881

*The History of the English Bible* John Brown,1912

**the history of the english bible** Thomas Harwood Pattison,1938

**Paratexts of the English Bible, 1525-1611** Debora Shuger,2022 Studies paratexts found in sixteenth century English bibles from prefaces dedications and annotations to prayers diagrams and woodcuts to shed light on the materiality of surviving bibles and on their publication histories but also on Reformation theology and the history of the English church

**The Part of Rheims in the Making of the English Bible** James George Carleton,1902

**The Making of the English Bible** Samuel McComb,2023-07-18 This fascinating exploration of the development of the English Bible is an essential resource for anyone interested in the history of Christianity McComb provides a detailed analysis of the political and religious factors that shaped the translation and dissemination of the Bible in England from the earliest versions to the King James Bible Required reading for scholars of theology and English literature This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**A Concise Dictionary of Bible Origins and Interpretation** Alec Gilmore,2006-01-01 Provides students with concise manageable information on the history and context of the Bible specifically the different texts interpretations and versions available

*The Making of the English New Testament* Edgar Johnson Goodspeed,1925

*A Bibliography of Writings on the English Language from the Beginning of Printing to the End of 1922* Arthur Garfield Kennedy,1927

**The Making of English** Henry Bradley,1904

**The Evolution of the English Bible** Henry William

Hamilton-Hoare, 1901      **In Discordance with the Scriptures** Peter Johannes Thuesen, 2002 The story of the translation of the Bible in America begins with the King James Version In fact many Americans thought of the KJV as the foundational text of the Republic rather than a cultural inheritance from Anglican Britain In the nineteenth century however as new editions of the Greek New Testament appeared scholars increasingly recognized significant errors and inconsistencies in the KJV This soon led to the Bible revision movement whose goal was the uniting of all English speaking Protestants behind one new improved version of the Bible Ironically as Peter Thuesen shows in this fascinating history the revision movement in fact resulted in a vast proliferation of English scripture editions and an enduring polarization of American Christians over versions of Holy Writ The recurrent controversies over Bible translations he argues tell us less about the linguistic issues dividing conservatives and liberals than about the theological assumptions they have long held in common

## Unveiling the Power of Verbal Art: An Emotional Sojourn through **Making Of The English Bible**

In a global inundated with monitors and the cacophony of quick transmission, the profound power and mental resonance of verbal art usually fade into obscurity, eclipsed by the constant onslaught of sound and distractions.
