## **Making Of The Modern Near East 1792 1923:**

**The Making of the Modern Near East 1792-1923** Malcolm Yapp, 2014-01-09 This clear and authoritative text surveys the history of the region from the collapse of the Ottoman Empire to the present day It contains a general regional introduction followed by a series of country by country analyses and a section which places the Near East in the international context Professor Yapp's new edition covers recent dramatic events including the end of the Cold War the Kuwait Crisis of 1990 91 and the continuing conflict in Israel as well as assessing the huge social and economic changes in the region It will be essential reading for students and scholars concerned with modern middle eastern history and politics of the middle east

The Making of the Modern Near East, 1792-1923 M. E. Yapp, 1993      **The Making of the Modern Near East, 1792-1923** Malcolm Edward Yapp, 1991      Making of the Modern Near East 1792-1923 M. E. Yapp, 2005-05-31      **The Making of the Modern Near East, 1792-1923 Photocopy** Malcolm E. Yapp, 1987      *Imperial expectations and realities* Andrekos Varnava, 2015-09-01 A wide ranging edited collection that interrogates colonial expansion and the mismatch between intention perception and hype and the actual realities      **Middle Eastern Politics and Historical Memory** Jacob Lassner, 2020-07-09 How is the complex history of the ancient Near East and Islamic World brought to bear in contemporary political discourse In this book Medieval Near Eastern historian Jacob Lassner explores the resonance of ancient and medieval history in the political disputes that dominate the contemporary Middle East From identification with ancient forbears as a method of legitimization and nation building to tracing the deep history of the concept of revolution in the Arab world the author probes the historical foundations of modern conflicts in the region A medievalist the author takes the position that an appreciation of cultural history is essential to understanding the debate surrounding the Israel Palestine conflict In turn the book identifies the misappropriation and misunderstanding of the past deliberate or accidental as key weapon in the ongoing conflict      **The Empire of the Raj** R. Blyth, 2003-04-15 British India as a result of history geopolitics and its unique status within the Empire controlled a chain of overseas agencies that stretched from southern Persia to eastern Africa This book examines how as the relative importance of British interests steadily eclipsed those of India throughout the region Indian sub imperial impulses clashed with the relentlessly advancing metropole The nature of the struggle over political control between Britain and India reveals differences in perception and approach during a period of profound change in Anglo Indian relations      *Books on Turkey*, 2005      A Compendium of World Sovereigns: Volume III Early Modern Timothy Venning, 2023-06-30 The Compendium of World Sovereigns series contains three volumes Ancient Medieval and Early Modern These volumes provide students with easy to access who's who with details on the identities and dates ages and wives where known of heads of government in any given state at any time within the framework of reference The relevant original and secondary sources are also listed in a comprehensive bibliography Providing a clear reference guide for students to who was who and when they ruled in the dynasties and other ruler lists for the Ancient Medieval and

Early Modern worlds primarily European and Middle Eastern but including available information on Africa and Asia and the pre Columbian Americas The trilogy accesses and interprets the original data plus any modern controversies and disputes over names and dating reflecting on the shifts and widening of focus in student and academic studies Each volume contains league tables of rulers records and an extensive bibliographical guide to the relevant personnel and dynasties plus any controversies so readers can consult these for extra details and know exactly where to go for which information All relevant information is collected and provided as a one stop shop for students wishing to check the known information about a world Sovereign The Early Modern volume begins with Eastern and Western Europe and moves through the Ottoman Empire South and East Asia Africa and ends in Central and South America Compendium of World Sovereigns Volume III Early Modern provides students and scholars with the perfect reference guide to support their studies and to fact check dates people and places *The Kurdish Question and Turkey* Kemal Kirisci, Gareth M. Winrow, 2013-11-05 This volume examines the Kurdish question in Turkey tracing its developments from the end of the Ottoman Empire to the present day The study considers secession federal schemes various forms of autonomy the provision of special rights and further democratization

Sovereignty After Empire Sally N Cummings, 2012-09-11 This is a unique systematic comparison of empires and of their consequences for sovereignty in the Middle East and Central Asia It brings theory on empire and sovereignty to bear on empirical variation across the two regions **The Arab Lands under Ottoman Rule** Jane Hathaway, 2019-12-06 The Arab Lands under Ottoman Rule assesses the effects of Ottoman rule on the Arab Lands of Egypt Greater Syria Iraq and Yemen between 1516 and 1800 Drawing attention to the important history of these regions the book challenges outmoded perceptions of this period as a demoralizing prelude to the rise of Arab nationalism and Arab nation states in the nineteenth and twentieth centuries As well as exploring political events and developments it delves into the extensive social cultural and economic changes that helped to shape the foundations of today's modern Middle and Near East In doing so it provides a detailed view of society incorporating all socio economic classes as well as women religious minorities and slaves This second edition has been significantly revised and updated and reflects the developments in research and scholarship since the publication of the first edition Engaging with a wide range of primary sources and enhanced by a variety of maps and images to illustrate the text The Arab Lands under Ottoman Rule is a unique and essential resource for students of early modern Ottoman history and the early modern Middle East The New Cambridge History of Islam: Volume 5, The Islamic World in the Age of Western Dominance Francis Robinson, 2010-11-04 Volume 5 of The New Cambridge History of Islam examines the history of Muslim societies from 1800 to the present Francis Robinson a leading historian of Islam has brought together a team of scholars with a broad range of expertise to explore how Muslims responded to the challenges of Western conquest and domination across the last two hundred years As their articles reveal the social economic political and historical circumstances which influenced these responses have in many different parts of the world empowered Muslim societies and

encouraged transformation and religious revival The volume offers a fascinating glimpse into the local dimensions of that revival and how regional connections have been forged Synthesising the academic research of the past thirty years as well as offering substantial guidance for further study this book is the starting point for all those who wish to have a serious understanding of modern Muslim societies      **The End of the Ottoman Empire and the Forging of the Modern Middle East** Andrew Wender, Martin Bunton, 2025-02-18

In one hundred and twenty pages this book provides a compelling account of the shaping of the modern Middle East and the critical part played in that process by the Ottoman Empire even as it fell apart It offers a mine of background information for anyone wishing to understand the current scene Thirty four well chosen documents mainly culled from the archives buttress and illuminate the story Jonathan Schneer Georgia Institute of Technology author of *The Balfour Declaration The Origins of Arab Israeli Conflict*      **Hajj Travelogues** Richard van Leeuwen, 2024-06-03

In *Hajj Travelogues Texts and Contexts from the 12th Century until 1950* Richard van Leeuwen maps the corpus of hajj accounts from the Muslim world and Europe The work outlines the main issues in a field of study which has largely been neglected A large number of hajj travelogues are described as a textual type integrating religious discourse into the form of the journey Special attention is given to their intertextual embedding in the broader discursive tradition of the hajj Since the corpus is seen as dynamic and responsive to historical developments the texts are situated in their historical context and the subsequent phases of globalisation It is shown how in travelogues forms of religious subjectivity are constructed and expressed      *Territory, State and Nationalism* Adel Soheil, 2018-10-18

The Sykes Picot Agreement map signed in May 1918 by the Imperial powers of Great Britain and France constituted the blueprint for redrawing the map of the Middle East after the dismemberment of the Ottoman Empire in 1918 by the victorious Allies thus dividing the Arab territories as well as Kurdistan into its current form In this book the author makes an ambitious attempt to provide a comprehensive new insight into the Kurdish national movement and its struggle against the mandatory power the British and the Iraqi government for achievement of national self determination from 1918 to 1932 The book explores both Kurdish and Arab nationalism within the context of power relations in international politics at the time on the one hand and in relation to domestic political development in Iraq on the other Thereby salient issues are explored inter alia the reasons for the British failure to create a modern national state in Iraq the reluctance of the Anglo Iraqi authorities to accommodate Kurdish rights and their policy to incorporate Kurdistan into the nascent Iraqi state the U S interests and implication in the region and the impact of the principle of self determination advocated by President Wilson on Kurdish and Arab nationalism Revised with a new chapter      *The United States and Iran* James F. Goode, 2016-07-27

This study presents an analysis of US Iranian relations in the twentieth century with particular attention to the crisis over nationalization of British oil interests at midcentury As such it focuses on the career of Muhammad Musaddiq who struggled during those years to free his country from foreign influence and whose memory continued to haunt bilateral relations with the United States up to the Iranian

revolution Throughout it examines Anglo American views of Iranians and by implication of other non Westerners which affected and still affect the conduct of international relations

**Constitutionalism in Islamic Countries: Between Upheaval and Continuity** Rainer Grote,Tilmann Röder,2012-01-11 Constitutionalism in Islamic Countries Between Upheaval and Continuity examines the question of whether something similar to an Islamic constitutionalism has emerged out of the political and constitutional upheaval witnessed in many parts of North Africa the Middle East and Central and Southern Asia In order to identify its defining features and to assess the challenges that Islamic constitutionalism poses to established concepts of constitutionalism this book offers an integrated analysis of the complex frameworks in Islamic countries drawing on the methods and insights of comparative constitutional law Islamic law international law and legal history European and North American experiences are used as points of reference against which the peculiar challenges and the specific answers given to those challenges in the countries surveyed can be assessed The book also examines ways in which the key concepts of constitutionalism including fundamental rights separation of powers democracy and rule of law may be adapted to an Islamic context thus providing valuable new insights on the prospects for a genuine renaissance of constitutionalism in the Islamic world in the wake of the Arab spring

**America's Forgotten Middle East Initiative** Andrew Patrick,2015-06-25 Sent to the Middle East by Woodrow Wilson to ascertain the viability of self determination in the disintegrating Ottoman Empire the King Crane Commission of 1919 was America s first foray into the region The commission s controversial recommendations included the rejection of the idea of a Jewish state in Syria US intervention in the Middle East and the end of French colonial aspirations The Commission s recommendations proved inflammatory even though its counsel on the question of the Palestinian mandate was eventually disregarded by Lloyd George and Georges Clemenceau in favour of their own national interests In the ensuing years the Commission s dismissal of claims by Zionist representatives like David Ben Gurion on their right to Palestine proved particularly divisive with some historians labeling it prophetic and accurate and others arguing that Commission members were biased and ill informed Here in the first book length analysis of the King Crane report in nearly 50 years Andrew Patrick chronicles the history of early US involvement in the region and challenges extant interpretations of the turbulent relationship between the United States and the Middle East
