

How to Make **EFFECTIVE AMENDS**

1

BE SINCERE

Don't make the amends unless you are ready. Avoid doing it by email or text which shows a lack of caring.

2

ACKNOWLEDGE THE MISTAKE

Be honest about what you said or did. Or, *what you avoided* that may have caused harm.

3

BE SPECIFIC

Saying you were wrong is great but specifically name it shows more accountability.

4

BE SINCERE

Don't make the amends unless you are in the right frame of mind. If the timing isn't right it's not worth it.

5

LISTEN AND VALIDATE

Be willing to listen. Validate their feelings by showing them you understand why they were hurt.

6

LET GO OF THE RESULT

No matter what reaction you get, you are building integrity and that will benefit you in the long run.

Making Amends:

12 Hidden Rewards of Making Amends Allen Berger, 2013-05-28 Did you know there are hidden rewards to making amends Without a willingness to experience our painful feelings we can never grow and mature into the person we d like to be We can never reach our potential We can never become our true self To grow we must stay in close contact with our experience whatever it is We need to stay in close contact with how we behaved in our relationships in order to make a thorough list of those we have harmed We must face the wrongs we have done without running away from the truth If we were rigorously honest with ourselves while making the list of people we had harmed we probably felt one or more of the following feelings anxiety shame discomfort or guilt This is exactly what we were suppose to feel We were learning that we don t have to feel comfortable to be OK In fact another hidden reward is that the more willing we are to feel uncomfortable the more comfortable we become Yes another paradox One of the many hidden rewards in working Steps 8 9 and 10 is to stay in close contact with our experience so we can learn from it This self understanding is at the heart of self forgiveness and emotional recovery Excerpted from *12 Hidden Rewards of Making Amends*
