Making and Managing a Trout Lake Rupert Barrington, 1983 Anyone who has ever dreamed of owning a trout lake or pond will enjoy reading this comprehensive and practical guide based on the author's own experience of creating a trout lake more than two acres in size Although the main purpose is to give guidance on how to make and manage a lake as a trout fishery for pleasure or profit the author recognizes that there are many reasons for making a lake He therefore includes useful notes on such aspects as coarse fishing shooting conservation and environmental improvement As a keen naturalist and gifted artist Dr Barrington looks at all the flora and fauna in the lake's environment and thus presents a book with wide appeal to anglers and nature lovers as well as land owners and those concerned with the management of fresh waters
