*On Loop* Alex Werth, 2025-10-21 How struggles over Black sound have shaped Oakland's culture politics and geography Chicago has house Detroit has techno But Oakland slaps *On Loop* explores the role of Black dance music and sonic politics in recurring struggles over race and space in Oakland California Insisting on the centrality of sound in everyday social movements from the mobilization of funk music and boogaloo dance during Black Power to the policing of the Hyphy movement in the 2000s Alex Werth argues that Black dance music is not merely a soundtrack to or record of urban resistance Rather its very sound waves have animated looping clashes over development dispossession and Black freedom Through studies of downtown nightclubs Lake Merritt and the Eastmont

Mall geographies rarely considered yet critical to Oakland's culture and politics Werth reveals how the liberatory sonic politics of funk hip hop and hyphy rap have been met with a repetitive war on nuisance As both a means of empowerment and a magnet for policing Black dance music has transformed not only Oakland's nightlife but also its streets parks and neighborhoods On Loop is a rousing encounter with the sound that moves urban life

**Dark Matter in Breaking Cyphers** Imani Kai Johnson, 2023 The dance circle called the cypher is a common signifier of breaking culture known more for its spectacular moves than as a ritual practice with foundations in Africanist aesthetics Yet those foundations evident in expressive qualities like call and response the aural kinesthetic the imperative to be original and more are essential to cyphering's enduring presence on the global stage What can cyphers activate beyond the spectacle What lessons do cyphers offer about moving through and navigating the social world And what possibilities for the future do they animate With an interdisciplinary reach and a riff on physics author Imani Kai Johnson centers the voices of practitioners in a study of breaking events in cities across the US Canada and parts of Europe Dark Matter in Breaking Cyphers the Life of Africanist Aesthetics in Global Hip Hop draws on over a decade of research and provides a detailed look into the vitality of Africanist aesthetics and the epistemological possibilities of the ritual circle

**Rock This Way** Mel Stanfill, 2023-08-15 Any and all songs are capable of being remixed But not all remixes are treated equally Rock This Way examines transformative musical works cover songs remixes mash ups parodies and soundalike songs to discover what contemporary American culture sees as legitimate when it comes to making music that builds upon other songs Through examples of how popular discussion talked about such songs between 2009 and 2018 Mel Stanfill uses a combination of discourse analysis and digital humanities methods to interrogate our broader understanding of transformative works and where they converge at the legal economic and cultural ownership levels Rock This Way provides a new way of thinking about what it means to re create and borrow music how the racial identity of both the reusing artist and the reused artist matters and the ways in which the law polices artists and their works Ultimately Stanfill demonstrates that the extent to which a work is seen as having new expression or meaning is contingent upon notions of creativity legitimacy and law all of which are shaped by white supremacy

**The Kind of Man I Am** Nichole Rustin-Paschal, 2017-09-12 Nearly four decades after his death Charles Mingus Jr remains one of the least understood and most recognized jazz composers and musicians of our time Mingus s ideas about music racial identity and masculinity as well as those of other individuals in his circle like Celia Mingus Hazel Scott and Joni Mitchell challenged jazz itself as a model of freedom inclusion creativity and emotional expressivity Drawing on archival records published memoirs and previously conducted interviews The Kind of Man I Am uses Mingus as a lens through which to craft a gendered cultural history of postwar jazz culture This book challenges the persisting narrative of Mingus as jazz s Angry Man by examining the ways the language of emotion has been used in jazz as shorthand for competing ideas about masculinity authenticity performance and authority

**Art and the Performance of Memory** Richard Cándida Smith, 2003-08-29 This book investigates the role that the visual and performing arts play in our experience and understanding of the past The essays highlight the role of oral history in the documentation of the visual and performing arts

*Theorizing Sound Writing* Deborah Kapchan, 2017-04-04 The study of listening aurality and its relation to writing is the subject of this eclectic edited volume Theorizing Sound Writing explores the relationship between sound theory language and inscription This volume contains an impressive lineup of scholars from anthropology ethnomusicology musicology performance and sound studies The contributors write about sound in their ongoing work while also making an intervention into the ethics of academic knowledge one in which listening is the first step not only in translating sound into words but also in compassionate scholarship

**Punk Ethnography** Michael E. Veal, E. Tammy Kim, 2016-10-18 This ground breaking case study examines record production as ethnographic work Since its founding in 2003 Seattle based record label Sublime Frequencies has produced world music recordings that have been received as radical sometimes problematic critiques of the practices of sound ethnography Founded by punk rocker brothers Alan and Richard Bishop along with filmmaker Hisham

Mayet the label s releases encompass collagist sound travelogues individual artist compilations national regional and genre surveys and DVDs all designed in a distinctive graphic style recalling the DIY aesthetic of punk and indie rock Sublime Frequencies producers position themselves as heirs to canonical ethnographic labels such as Folkways Nonesuch and Musique du Monde but their aesthetic and philosophical roots in punk indie rock and experimental music effectively distinguish their work from more conventional ethnographic norms Situated at the intersection of ethnomusicology sound studies cultural anthropology and popular music studies the essays in this volume explore the issues surrounding the label including appropriation and intellectual property while providing critical commentary and charting the impact of the label through listener interviews

Sounding Race in Rap Songs Loren Kajikawa, 2015-03-07 As one of the most influential and popular genres of the last three decades rap has cultivated a mainstream audience and become a multimillion dollar industry by promoting highly visible and often controversial representations of blackness Sounding Race in Rap Songs argues that rap music allows us not only to see but also to hear how mass mediated culture engenders new understandings of race The book traces the changing sounds of race across some of the best known rap songs of the past thirty five years combining song level analysis with historical contextualization to show how these representations of identity depend on specific artistic decisions such as those related to how producers make beats Each chapter explores the process behind the production of hit songs by musicians including Grandmaster Flash and the Furious Five The Sugarhill Gang Run D M C Public Enemy N W A Dr Dre and Eminem This series of case studies highlights stylistic differences in sound lyrics and imagery with musical examples and illustrations that help answer the core question can we hear race in rap songs Integrating theory from interdisciplinary areas this book will resonate with students and scholars of popular music race relations urban culture ethnomusicology sound studies and beyond

Animal Musicalities Rachel Mundy, 2018-06-05 Over the past century and a half the voices and bodies of animals have been used by scientists and music experts as a benchmark for measures of natural difference Animal Musicalities traces music s taxonomies from Darwin to digital bird guides to show how animal song has become the starting point for enduring evaluations of species races and cultures By examining the influential efforts made by a small group of men and women to define human diversity in relation to animal voices this book raises profound questions about the creation of modern human identity and the foundations of modern humanism
