Making Good Marriages Better:

199 Ways to Make Your Good Marriage Great Or Your Bad Marriage Better Richard W. Linford, 2009-08 199 ways to make your good marriage great or your bad marriage better Improve your marriage today Change your state of mind Share your love with your husband or wife *Making Marriage User Friendly* Russ Holloman Ph. D., 2012-05 Why are some marriages more successful more satisfying and more enduring than others The answer to this question is perhaps the most widely studied and best known part of our marriage and family therapy literature although arguably it is the least understood and certainly the least followed in terms of avoiding the pitfalls that lead to unsuccessful marriages What this book proposes as an answer to this question is the nearest thing we have to a manifesto for marriage and family living It provides us with a clear description of what married life should be like No words or ideas sum up the intention of this manifesto better or indicate more clearly its challenge to contemporary marriages than the words making marriage user friendly 5 Simple Steps to Take Your Marriage from Good to Great Terri L. Orbuch, 2015-10-27 Contrary to what you've been told keeping a marriage successful does NOT take hard work All it takes is making a few small changes over time If you're feeling your good marriage is starting to show a little wear zero in on those imperfections right WRONG Focus on what's going well Enhance the good aspects of your marriage and build on the solid foundation you already have Dr Orbuch debunks many common marriage myths and you'll find out who needs more compliments men or women Who falls in love faster women or men With engaging quizzes and checklists easy to use tips and new takeaways on compatibility fighting fair and relationship ruts 5 Simple Steps to Take Your Marriage from Good to Great will give you perfect ways to say I love you and show you how to reignite the passion in your relationship You'll find out why it's okay to go to bed mad and why you don't want to engage in kitchen sinking The advice in this smart entertaining book will help you put the excitement back in your marriage in no time and you'll be amazed at how easy it will be 5 Simple Steps to Take Your Marriage from Good to Great is based on the findings of a groundbreaking study directed by Dr Orbuch and funded by the National Institutes of Health The study of the same 373 married couples began in 1986 and continues today Dr Orbuch is a professor a renowned therapist and a nationally recognized relationship expert known as The Love Doctor 10 Choices for a Better Marriage Dr. Ron Welch, 2021-07-20 In this practical and encouraging book Welch outlines 10 specific choices couples can make to minimize or even avoid conflict and increase joy With his expert guidance you will learn how to employ proven strategies to communicate accurately and positively choose forgiveness over unforgiveness understand your marriage type and make decisions more effectively Whether you are engaged newly married or have been married for decades you'll find that this book will transform your relationship Creating a Better Marriage: A Woman's Guide Rebecca Harper, 2012-11-13 This book touches on the way the Bible views marriage from a spiritual and physical perspective as well as the differences between men and women We look think and act differently By understanding our differences we can learn the best way to interact with each other With this

understanding the author uses a very positive approach to introduce a few select points that can be used to make you the right partner *Making Good Marriages Better* Robert D. Dale, Carrie Kondy Dale, 1978 **Marriage Enrichment** Richard A. Hunt, Larry Hof, Rita DeMaria, 1998 This volume traces the modern critical and performance history of this play one of Shakespeare's most loved and most performed comedies The essay focus on such modern concerns as feminism deconstruction textual theory and queer theory **The Second Handbook on Parent Education** Marvin J. Fine, 2014-06-28 This book should enhance the reader's understanding of the contemporary scene in parenting education including effective programming important issues and future trends **The Complete Idiot's Guide to the Perfect Marriage** Hilary Rich, Helaina Laks Kravitz, 2001 Discusses strategies for improving communication skills steps for dealing with times of transition and ways to cope with the daily hurdles found in marriage **Time for a Better Marriage** Jon Carlson, Don C. Dinkmeyer, 2002 The return of a classic A systematic practical model for building marriage skills newly revised and updated Invaluable tools to help make marriages more rewarding effective and satisfying by showing couples how to encourage each other resolve conflict communicate effectively maintain equality in the relationship and make better choices Basic Types of Pastoral Care & Counseling Howard John Clinebell, Howard Clinebell, Bridget Clare McKeever, 2011 Basic Types of Pastoral Care and Counseling remains the standard in pastoral care and counseling This third edition is enlarged and revised with updated resources methods exercises and illustrations from actual counseling sessions This book will help readers be sensitive to cultural diversity ethical issues and power dynamics as they practice holistic growth oriented pastoral care and counseling in the parish *The Constructive of Marriage* Dr. Ramses Charles, 2013-11-25 This is my idea This book is the best concept practical application for all friends and families married and unmarried couples should be able to read **Making Marriage Work** Rob Pascale, Louis H. Primavera, 2016-02-23 Staying happily married has become a difficult proposition in recent times Although the institution is still firmly embedded in our culture divorce rates have steadily climbed since the 1960s While some marriages are truly divorce worthy many other broken marriages can be saved Recent emphasis on personal needs and greater social acceptance of divorce and alternative lifestyles may have weakened the resolve of partners to work through their problems Furthermore many couples may not realize that problems in their current marriages are likely to surface in other relationships Consequently while they may consider divorce a solution it may in fact only be a stepping stone to the next relationship where patterns may repeat Solving marital differences can be difficult They tend to be linked to or caused by other problems and that can make it hard to identify the real reasons for conflicts Without knowing the true nature of their problems couples cannot arrive at solutions that actually work To understand the underlying issues that plague many marriages the authors look to the research conducted on the subject over the past fifty years and to real life stories of success and failure to outline the major issues that detract from marital stability Drawing on Louis Primavera's twenty five years in private practice as a marriage counselor each chapter is peppered with

anecdotes that every married person can relate to and that help bring issues to life The authors also propose frank and honest solutions that can help couples have more satisfying relationships Anyone looking to improve their marriage will find suggestions for sussing out the underlying problems they may be experiencing and guidance for addressing those problems

100 Ways to Cultivate Intimacy in Your Marriage Claire Robin, Missed opportunity Silence hurt Confusion The irony of modern life Today many couples live under the same roof as strangers because they lack the clues to sustain pleasure in intimate relationships so they keep falling apart in their marriage The intimate relationship provides both emotional and physical home to satisfy the need for openness and closeness Intimacy is the reward of happiness a genuine feeling of satisfaction deep biological needs are met the mental need to express the range and intensity of one's emotions Over the past 24 years I have gradually built a communication theory social learning theory marriage behavioral theory and psychodynamics of family systems that bring about practical insight for applying practical skills in achieving deeper intimacy This book offers exactly the set of skills couples need to solve problems in their private lives and achieve an intense level of intimacy It includes 100 different approaches and practical ideas to rekindle love Hearings, Reports and Prints of the Senate Committee on Human Resources United States.
