Myers,2015-11-01 Nothing has been more contentious in the history of Christianity than the meaning of the Bible and that debate continues today Arguments over scripture have divided denominations churches and families and these squabbles have led many to abandon the faith altogether Jacob D Myers a rising young scholar has a solution to the problem with scripture The instability of the Bible s meaning he argues is not a weakness but a strength and it can benefit conservatives and liberals alike In a conversational style peppered with pop culture references Myers provides a variety of tools for readers of the Bible helping the experienced and inexperienced alike appreciate the sacred text in new ways Finally he proposes the intriguing alternative of an erotic interpretation one that makes love with the Bible and opens new vistas of understanding

**Fifth Force** Santosh Jha, 2022-11-19 Four forces create all realities but what crafts humanity's worst criminalized depraved brutal actualities Fifth Force hypothesis seeks to decipher mystical code that plays out harmonious melodious probabilities supplanting them over discordant cacophonous propensities in human world lives It revisits fundamentals of life living especially relationships to install lasting bliss fruition Fifth Force premise journeys beyond populist perceptions of good bad right wrong success morality even meanings and experiences to unravel probability of a Cosmic Causality pervading and embedded in consciousness as well as in building blocks of reality which installs and sustains aesthetics and homeostatic synergy in emergent realities It diagnoses pathologies seeks code of vitality This eBook delves into the spectrum of reality in a novel and alternative way as facilitated by modern contemporary scientific knowledge of the mechanisms and processes of all realities The Fifth Force metaphor attempts to deliberate on the cosmic construct of the criminality depravity hypocrisy deception shamelessness brutality insanity of contemporary humanity and in turn discover the missing element and dimension which have potentials of nobility amiability mutuality magnanimity sincerity fraternity It also inquires the processes of emergence of realities within human body brain mechanism as well as in external milieus of society cultures to ascertain where and how realities get aligned to discord cacophony instead of harmony melody This Fifth Force enterprise is aimed at bringing to deliberation the reality that since ages we all have been used to accepting meanings in a definitive way and restricted to some experiences dominant in popular cultures and it is high time we revisit them and accept novel and alternative dimensions about them We must revisit the earliest landscapes of brains as well as consciousness to unravel true and unadulterated feel of experiences as they engender in brain states representing meanings through metaphors We must revisit all meanings which we take for granted and seldom think about their true nature We must revisit critical ideas and feels of morality aesthetics melody harmony poise emotions righteousness et al This revisiting is a two way process first we need to unlearn this age old and innate subconscious habit of accepting populist and intuitive meanings and experiences and secondly we must then learn and accept a novel and alternative meanings and experiential realities as propounded and enunciated by modern science It is a humble and simple hypothesis that probably contemporary humanity is in such calamitous shape and spirit because of our old archaic obsolete and partial perceptions about life living realities realities of Self and Reality of the cosmos as a whole That is why I continue to write about probable novel and alternative meanings and experiences so that you embark on this new journey which contemporary science beckons you to

 Some days can seem just ordinary We awaken at a designated time with a head full of tasks have to and what ifs We might

check our phones and devices getting info for the day that ranges from the weather stocks politics and messages to Alexa turn on the coffee pot Somehow this probable routine has become normal Somehow this may be how we prepare for an ordinary day with the intent that we might be ready and safe to greet the day with some level of pleasure and success All this actually sounds reasonable However it only takes one traffic jam one late bus one unexpected phone call one breaking news alert and this seemingly reliable system can easily crumble into dust carrying all positive goals and expectations with it We would falter into distractions upsets frustrations and fatigue before noon because of something or someone that knocks us off our purposed day and all without warning Uncertainty bubbles up everywhere Local and global news are filled with violence and upheaval on a regular basis We are bombarded by the media on all our tech devices and we now are even further conflicted with what has been phrased Fake news We have access 24 7 to split second ongoing information yet we don't really know what is valid and what isn't We may feel the media government philosophies dreams goals and faith have all failed us Whom or what can we trust We do our best to analyze understand the rapid pace of present lives and somewhere deep inside we perhaps all want similar goals We desire peace prosperity healthy bodies and relationships and the opportunity to make some dreams come true personally and professionally It all sounds reasonable However the biggest challenge may be how to bridge what we desire from inside our hearts with a world outside that feels often unsafe biased and unfair If we have ever tried to make clear sense of our lives we probably have said or even shouted Where are you Lord Regardless of the mood we were in asking or praying this plea may have mostly resulted in more quiet tears and confusion I say this from my own experience In fact this missive is the result of my own confusion pain and earnest desire to know the truth of God on a daily basis I used one guiding Light based on one single truth Seek first the Kingdom of God and all things will be given to you as well Matthew 6:33 I wanted to know and feel a reliable relationship with God that was not slanted by my ego needs or imagination I wanted to trust His truth and then be guided to live with a practical spirituality that was rooted in joy love peace and wisdom that could serve everyone This book is my personal encounter It is not meant to be blindly accepted or rejected only shared Each reader is encouraged to find his/her own way so to speak These pages are meant to provide a practical way to hear the inner Voice that is within all of us and to learn how to trust it and follow it This inner Voice is always a gentle whisper of love and peace It is steady and unwavering It is reliable It is permanent

*The Mirror In The Brook* Mark Hamilton, 2016-11-21 This book offers you the reader an in depth look through all facets of life It is compiled of my personal experience with faith love encouragement and personal reflection of life's struggles triumphs and victories I pray the mirror in the brook touches your heart as it has mine I hope these pages will inspire you and empower you to Hold onto your Dreams and just Breathe Most of all Jesus loves us so much more than we will ever know Did you ever ask God why when your heart was breaking I did and the Holy Spirit said who are you to question infinite God and his wisdom with your finite mind We may never understand why God does what he does but he is almighty God and we are just

the little people Isaiah chapter 40      *Nurture in Time and Eternity* Robert Cummings Neville, 2016-07-04 The dimension of eternity has been lost from much contemporary religious consciousness Liberals tend to focus on action within time as do conservatives who see history as a battleground for a war of good against evil Spiritual life however also requires nurturing a sense of eternity within time These sermons from Marsh Chapel at Boston University follow the lectionary in highlighting the places of temporal life within eternity and the places eternity is found in temporal life The liturgical year is employed as the venue for articulating a comprehensive theology on the themes of the temporal and eternal aspects of Christian nurture

**Wisdom** Paul Dunion, 2021-06-18 *Wisdom Apprenticing to the Unknown and Befriending Fate* is a lucid account of such an apprenticeship The work's major theme is You can't get life right and if you allow life may get you right Efforts to get life right including the Spiritual Bypass the Intellectual Bypass the Psychological Processing Bypass and the Trivia Bypass are debunked as alleged detours around life's mystery unpredictability and insecurity The work offers a unique developmental model describing how wisdom evolves as we allow defeat to interrupt the ego's claim to sovereignty preparing us to reconcile life's inevitable dominance We can then begin to live the question What is life asking of us Further maturation of the apprenticeship happens as we live the question How do we confirm what truly matters The target audience is composed of those who refuse to believe that aging means accumulating years while slipping into mediocrity massaged by cocktails and playing golf My work continues to reveal a population approaching middle age who are disillusioned with dominant cultural understandings of aging They want to believe that aging is not simply about escaping an unfulfilling career and experiencing mental and physical decline This group will greatly benefit from the work's lucid account of how to construct a personal epistemology or what it means to learn about how to know The text introduces the notion of good knowing which avoids branding a fact with certainty The reader is encouraged to commit to knowing the knower in regard to biases and psychological defenses welcoming ambiguity and ignorance The target audience further encompasses those reaching retirement age who want to believe that their life experience is not limited to a series of personal and professional victories and defeats Rather they wish to leave behind a legacy as a final offering embracing a life well lived while feeling prepared to leave this earthly plane The aging apprentice is inspired to acquire an artifact symbolic of some early driving force that rendered power in the name of adventure and ambition Seven stages of development are examined leading from the driving force of ambition to the driving force of discriminating wisdom With less to prove grace comes to the aging apprentice interrupting a sense of urgency Gratitude reconciles us with grace morphing into the eyes of mercy as the aging apprentice now knows the true name of home      *The Works of H.G.
