Making Music For The Joy Of It:

Making Music William C. Allsbrook Jr., 2023-06-23 The banjo has been emblematic of the Southern Appalachian Mountains since the late twentieth century *Making Music The Banjo in a Southern Appalachian County* takes a close look at the instrument and banjo players in Haywood County North Carolina Author William C Allsbrook Jr MD presents the oral histories of thirty two banjo players all but two of whom were born in Haywood County These talented musicians recount in their own words their earliest memories of music and of the banjo as well as the appeal of the banjo They also discuss learning to play the instrument including what it feels like playing the banjo many describing occasional flow states In the book Allsbrook explores an in home musical folkway that developed along the colonial frontier By the mid 1800s frontier expansion had ceased in Haywood County due to geographic barriers but the in home musical tradition including the banjo survived in largely isolated areas Vestiges of that tradition remain to this day although the region has undergone significant changes over the lifetimes of the musicians interviewed As a result the survival of the in home tradition is not guaranteed Readers are invited into the private lives of the banjo players and asked to consider the future of the banjo in the face of contemporary trends The future will be shaped by how this remarkable mountain culture continues to adapt to these challenges Still this thriving community of banjo players represents the vibrant legacy of the banjo in Haywood County and the persistence of tradition in the twenty first century **Making Music in Montessori** Michael Johnson, 2020-11-21

Infused with a warm affable tone *Making Music in Montessori* is the Guide s guide to music education providing Montessori teachers all at once a snappy practical handbook music theory mentor pedagogical manual and resource anthology The book s goal To give teachers confidence in music so that when their children walk away from a lesson all fired up to compose their own music their teacher will know how to guide them Before *Making Music in Montessori* teachers may have only dreamed of a classroom buzzing with children working learning and growing with music alongside all of the other subject areas in the Montessori curriculum Now it s a reality If children s minds are a fertile field then *Making Music in Montessori* will stir Montessori teachers of all musical backgrounds to don their overalls roll up their sleeves sow the musical seeds and watch them blossom under their children s flaming imagination **Making Music with Sounds** Leigh Landy, 2012 *Making Music with Sounds* offers a creative introduction to the art of making sound based music It introduces the elements of making compositions with sounds and facilitates creativity in school age children with the activities primarily for 11 14 year old students It can also be used by people of all ages becoming acquainted with this music for the first time Sound based music is defined as the art form in which the sound rather than the musical note is the basic unit and is closely related to electronic music and the sonic arts The art of sound organisation can be found in a number of forms of music in film television theatre dance and new media Despite this there are few materials available currently for young people to discover how to make sound based music This book offers a programme of development starting from aural awareness through the discovery and

organisation of potential sounds to the means of generating and manipulating sounds to create sequences and entire works The book s holistic pedagogical approach to composition also involves aspects related to musical understanding and appreciation reinforced by the author s online pedagogical ElectroAcoustic Resource Site EARS II **Making Music** John T.
