**Essays on Northeastern North America, 17th & 18th Centuries** John G. Reid, 2008-11-14 In examining the history of northeastern North America in the seventeenth and eighteen centuries it is important to take into account diverse influences and experiences Not only was the relationship between native inhabitants and colonial settlers a defining characteristic of Acadia Nova Scotia and New England in this era but it was also a relationship shaped by wider continental and oceanic connections The essays in this volume deal with topics such as colonial habitation imperial exchange and aboriginal engagement all of which were pervasive phenomena of the time John G Reid argues that these were complicated processes that interacted freely with one another shaping the human experience at different times and places Northeastern North America was an arena of distinctive complexities in the early modern period and this collection uses it as an example of a manageable and logical basis for historical study Reid also explores the significance of anniversary observances and commemorations that have served as vehicles of reflection on the lasting implications of historical developments in the early modern period These and other insights amount to a fresh perspective on the region and offer a deeper understanding of North American history

**As Long as the Sun Shines and Water Flows** Ian L. Getty, 2011-11-01 This collection of papers focuses on Canadian Native history since 1763 and presents an overview of official Canadian Indian policy and its effects on the Indian Inuit and Metis Issues and themes covered include colonial Indian policy constitutional developments Indian treaties and policy government decision making and Native responses reflecting both persistence and change and the broad issue of aboriginal and treaty rights

*Roots of Entanglement* Myra Rutherdale, Kerry Abel, P. Whitney Lackenbauer, 2018-01-31 *Roots of Entanglement* offers an historical exploration of the relationships between Indigenous peoples and European newcomers in the territory that would become Canada Various engagements between Indigenous peoples and the state are emphasized and questions are raised about the ways in which the past has been perceived and how those perceptions have shaped identity and in turn interaction both past and present Specific topics such as land resources treaties laws policies and cultural politics are explored through a range of perspectives that reflect state of the art research in the field of Indigenous history Editors Myra

Rutherford Whitney Lackenbauer and Kerry Abel have assembled an array of top scholars including luminaries such as Keith Carlson Bill Waiser Skip Ray and Ken Coates *Roots of Entanglement* is a direct response to the Truth and Reconciliation Commission's call for a better appreciation of the complexities of history in the relationship between Indigenous and non-Indigenous peoples in Canada     International Books in Print ,1991     **Combined Retrospective Index to Book Reviews in Scholarly Journals, 1886-1974** Evan Ira Farber,1981     **Classified Catalogue of Selected Accessions** University of London.
