

The cover features a central circular graphic with a dark blue background. Inside the circle, various mathematical symbols and numbers are displayed in a playful, 3D style: a large green '2', a green '4' with a $\frac{2}{3}$ fraction above it, a green '1' with a $\frac{1}{2}$ fraction above it, a green '6' with a '+' sign, a green '3' with a '=' sign, and a green '5'. Surrounding these are 3D geometric shapes: a purple cylinder, a pink square, a green cone, a blue bar graph, a white die, a green pie chart, and a large orange circle with the number '3' inside. The title 'MATHEMATICS AROUND US' is written in large, bold, white letters with an orange outline across the center of the graphic.
