Home and Away Mats Sundin, 2024-10-22 INSTANT 1 BESTSELLER In one of the last great remaining untold stories in all of sports the Hall of Fame Toronto Maple Leafs captain Mats Sundin shares for the first time an unfiltered look at playing hockey in Sweden and across North America as part of the sport's most fabled franchises Growing up in Sollentuna Sweden on the outskirts of Stockholm Mats Sundin skated on the lake downhill from his house a house his father had built with his own hands on land his mother insisted on buying for their future In the darkness of the Scandinavian winter Sundin would chase after his older brother on that lake for countless hours Summers spent in nature with his grandparents instilled a lifelong love for the outdoors Playing hockey in their driveway the three Sundin brothers imagined scenes of suiting up for Sweden's national team and scoring a game winning goal against their favoured rival the Soviet Union It wasn't until his late teens that he caught the eyes of scouts and coaches from the other side of the Atlantic At the 1989 NHL draft eighteen year old Sundin was as surprised as anyone when he was selected first overall by the Quebec Nordiques After a few years as a Nordique Sundin was traded to the Toronto Maple Leafs in exchange for the highly popular Leaf captain Wendel Clark In his early years in Toronto he felt both at home and from away working extra hard to gain acceptance in the world's toughest hockey market Even once he was named captain Sundin didn't deviate from his quiet nature but instead lead by example never asking anyone to work harder than he did Over thirteen seasons with the team he would learn just how fiery the cauldron of Leafs Nation could be In *Home and Away* Mats Sundin writes openly for the first time about what it was like for him to uproot his life in Sweden to embark on a long hockey career an ocean away *Home and Away* is an elegiac heartfelt and honest story of a man who followed his passions cherished his family faced heavy scrutiny and ultimately earned his way into both the hearts of fans and the hockey record books His journey transcends the rink and shows what it means to be a quiet and unpretentious Swedish kid who went on to become one of the most accomplished players in the history of the game

INSTANT NATIONAL BESTSELLER One of the NHL s most talented young stars shares his inspiring coming of age story about following his dreams after being diagnosed with type 1 diabetes Max you have type 1 diabetes the doctor said My mom and I looked at each other For her time stood still for a second as our entire future as a family shifted But I had no clue what the diagnosis meant So I said the first thing that came to mind Can I still play hockey As a kid when Max Domi was asked what he wanted to be when he grew up he only ever had one answer a hockey player Growing up the son of a professional hockey player Max saw from an early age what it took to make the NHL grit talent and the support of a team Over countless hours in the garage at the rink and in the gym Max chased his dream It seemed that Max was born to be on the ice But then when he was twelve years old Max started getting sick And sicker Finally he and his family learned the awful truth Max had type 1 diabetes Overnight Max and his family found their lives upended All Max wanted was to be a normal kid but suddenly the simplest things a game of basketball with friends a family meal a school field trip were complicated with a thousand different considerations Would people notice or make fun of him if he carried his blood testing kit everywhere Would his teammates think he was weak if his blood sugar went low at hockey practice How much insulin did he need after a meal And all the while the fear of what might happen if things went wrong hung over his head Max had to grow up quickly As he struggled to find his new normal Max slowly began to realize that overcoming his disease demanded the same qualities that it took to be a hockey player mental and physical toughness maturity and the love and care of family and friends Bit by bit he learned sometimes the hard way not just to control his diabetes but to turn it into an advantage If managing his disease was going to demand that Max be stronger more prepared and more disciplined than anyone else then he wouldn t just be good at those things he d be the best He d do whatever it took to move himself closer to his dream of playing in the NHL Inspiring heartwarming and exciting No Days Off is a memoir about what it s like to be a kid whose world is turned upside down and what it takes to face adversity **Hockey 365** Mike Commito,2018-09-08 Hockey historian Mike Commito brings a new piece of hockey history for every day of the year **Wayne Gretzky's Ghost** Roy MacGregor,2012-11-06 Roy MacGregor has been called the best hockey writer in the country and we finally have a collection of his very best hockey writing revised and updated For nearly 40 years Roy MacGregor has brought hockey our national sport alive on the page From tales of the

game's greats Guy Lafleur, Jean Beliveau, Marcel Dionne to today's stars Sidney Crosby, Alex Ovechkin, Daniel and Henrik Sedin. His magazine and newspaper coverage has revealed so much about these and so many other personalities in moments of promise, victory and defeat. While many of these stories play out on the ice, some of the most compelling take place on the home front. Mario Lemieux's battle against cancer, the many tribulations of Bob Gainey and MacGregor's prose shines especially when focused on the human side of a sport defined by superhuman feats of speed, aggression and power. Wayne Gretzky's *Ghost* is a personal book and also a book of challenging ideas that Wayne Gretzky, through no fault of his own, was the worst thing to happen to hockey that CBC's *Hockey Night in Canada* has lost sight of what it is that goaltending has become a position out of all proportion to what was intended. And who could offer a better perspective on the game than a writer who, playing as a youngster, had to face an onrushing phenom from Parry Sound named Bobby Orr or who spent a year ghostwriting a national newspaper column for the *Great One* himself. When it comes to hockey, Roy MacGregor has seen and in some cases done it all.
