Matt W Ransom Confederate General From North Carolina

Michal Rosen-Zvi

Matt W Ransom Confederate General From North Carolina:

Matt W. Ransom, Confederate General from North Carolina Clayton Charles Marlow, 2006-07-19 On May 8 1861 Matt Ransom resigned from the North Carolina House of Commons and accepted a commission as a Confederate officer Like many North Carolinians Ransom had been reluctant to see his state leave the Union though he owned slaves at the onset of the war he strongly believed that slavery was a doomed institution However the action at Fort Sumter South Carolina had made his course of action all but inevitable Despite the fact he was without military experience or training Ransom saw it as his duty to join the Confederate forces He left behind a young family and courageously fought Union forces until the end of the war his brigade was present at Appomattox for Robert E Lee s surrender He was twice wounded in battle and was widely recognized as an effective and highly competent leader by enlisted men and officers alike After the war he returned to his beloved North Carolina and following considerable hardship rebuilt his plantation *Confederate Veteran* ,1929 **The Battle of the Crater** John F. Schmutz, 2009-06-08 The Battle of the Crater is one of the lesser known yet most interesting battles of the Civil War This book detailing the onset of brutal trench warfare at Petersburg Virginia digs deeply into the military and political background of the battle Beginning by tracing the rival armies through the bitter conflicts of the Overland Campaign and culminating with the siege of Petersburg and the battle intended to lift that siege this book offers a candid look at the perception of the campaign by both sides **The Fight for the Old North State** Hampton Newsome, 2020-08-04 On a cold day in early January 1864 Robert E Lee wrote to Confederate president Jefferson Davis The time is at hand when if an attempt can be made to capture the enemy s forces at New Berne it should be done Over the next few months Lee s dispatch would precipitate a momentous series of events as the Confederates threatened by a supply crisis and an emerging peace movement sought to seize Federal bases in eastern North Carolina This book tells the story of these operations the late war Confederate resurgence in the Old North State Using rail lines to rapidly consolidate their forces the Confederates would attack the main Federal position at New Bern in February raid the northeastern counties in March hit the Union garrisons at Plymouth and Washington in late April and conclude with another attempt at New Bern in early May The expeditions would involve joint service operations as the Confederates looked to support their attacks with powerful homegrown ironclad gunboats These offensives in early 1864 would witness the failures and successes of southern commanders including George Pickett James Cooke and a young aggressive North Carolinian named Robert Hoke Likewise they would challenge the leadership of Union army and naval officers such as Benjamin Butler John Peck and Charles Flusser Newsome does not neglect the broader context revealing how these military events related to a contested gubernatorial election the social transformations in the state brought on by the war the execution of Union prisoners at Kinston and the activities of North Carolina Unionists Lee s January proposal triggered one of the last successful Confederate offensives The Fight for the Old North State captures the full scope as well as the dramatic details of this struggle for North Carolina

Gettysburg's Southern Front Hampton Newsome, 2022-10-03 On June 14 1863 US Major General John Adams Dix received the following directive from General in Chief Henry Halleck All your available force should be concentrated to threaten Richmond by seizing and destroying their railroad bridges over the South and North Anna Rivers and do them all the damage possible With General Robert E Lee and the Army of Northern Virginia marching toward Gettysburg and only a limited Confederate force guarding Richmond Halleck sensed a rare opportunity for the Union cause In response Dix who had lived a life of considerable public service but possessed limited military experience gathered his men and began a slow advance During the ensuing operation 20 000 US troops would threaten the Confederate capital and seek to cut the railroads supplying Lee's army in Pennsylvania To some Dix's campaign presented a tremendous chance for US forces to strike hard at Richmond while Lee was off in Pennsylvania To others it was an unnecessary lark that tied up units deployed more effectively in protecting Washington and confronting Lee's men on Northern soil In this study Newsome offers an in depth look into this little known Federal advance against Richmond during the Gettysburg Campaign The first full length examination of Dix's venture this volume not only delves into the military operations at the time but also addresses concurrent issues related to diplomacy US war policy and the involvement of enslaved people in the Federal offensive Gettysburg's Southern Front also points to the often unrecognized value in examining events of the US Civil War beyond the larger famous battles and campaigns At the time political and military leaders on both sides carefully weighed Dix's efforts at Richmond and understood that the offensive had the potential to generate dramatic results In fact this piece of the Gettysburg Campaign may rank as one of the Union war effort's more compelling lost opportunities in the East one that could have changed the course of the conflict

The Papers of Jefferson Davis Jefferson Davis, 1997-02-01 The New Year comes in auspiciously for us Jefferson Davis proclaimed in January 1863 and indeed there were grounds for optimism within the Confederacy By September however various hopes for ending the conflict with the North had given way to the harsh realities of a prolonged war increasingly confined to southern soil Although Davis suffered poor health during much of the nine month period he remained an active and vital leader Volume 9 of The Papers of Jefferson Davis gives a vivid picture of the tasks he faced Military matters consumed most of Davis' time Already strained relations with Joseph E Johnston worsened in the spring and he was eventually relieved of his overall command of the western armies Surrenders at Vicksburg and Port Hudson ended Confederate access to the Mississippi River and in the East Robert E Lee's stunning victory at Chancellorsville was blotted out by bloody repulse south of Gettysburg Correspondence from Europe reveals what Davis knew of the Erlanger loan and the diminishing chances of French and British intervention As problems for the Confederacy mounted discontent grew Davis received complaints from across the young country the conscription system being of particular concern In April he saw firsthand the unhappiness over limited resources as he took to the streets to help calm the Richmond bread riot Over 2 000 documents many never before published are included in Volume 9 Eighty one are printed with annotation 242 more in full

text and about 1 750 others are calendared in summary form They show Davis fighting to maintain morale and military cohesion during one of the Confederacy s most difficult periods *Civil War High Commands* John Eicher,David Eicher,2002-06-01 Based on nearly five decades of research this magisterial work is a biographical register and analysis of the people who most directly influenced the course of the Civil War its high commanders Numbering 3 396 they include the presidents and their cabinet members state governors general officers of the Union and Confederate armies regular provisional volunteers and militia and admirals and commodores of the two navies *Civil War High Commands* will become a cornerstone reference work on these personalities and the meaning of their commands and on the Civil War itself Errors of fact and interpretation concerning the high commanders are legion in the Civil War literature in reference works as well as in narrative accounts The present work brings together for the first time in one volume the most reliable facts available drawn from more than 1 000 sources and including the most recent research The biographical entries include complete names birthplaces important relatives education vocations publications military grades wartime assignments wounds captures exchanges paroles honors and place of death and interment In addition to its main component the biographies the volume also includes a number of essays tables and synopses designed to clarify previously obscure matters such as the definition of grades and ranks the difference between commissions in regular provisional volunteer and militia services the chronology of military laws and executive decisions before during and after the war and the geographical breakdown of command structures The book is illustrated with 84 new diagrams of all the insignias used throughout the war and with 129 portraits of the most important high commanders **American Civil War** Spencer C. Tucker,2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict **North Carolina, Rebuilding an Ancient Commonwealth, 1584-1925**

Robert Digges Wimberly Connor,1929 The Photographic History of the Civil War in Ten Volumes: Soldier life, secret service Francis Trevelyan Miller,Robert Sampson Lanier,1912 Thousands of scenes photographed 1861-65 with text by many special authorities *The Civil War in North Carolina* John G. Barrett,1995-02-01 Eleven battles and seventy three skirmishes were fought in North Carolina during the Civil War Although the number of men involved in many of these engagements was comparatively small the campaigns and battles themselves were crucial in the grand strategy A Photographic History of The Civil War Francis Miller,2018-02-01 The Photographic History of the Civil War was first published in 1911 to commemorate the fiftieth anniversary of the great conflict These volumes were dedicated to the American People in tribute to the courage and the valor with which they met one of the greatest crises that a nation has ever known A crisis that changed the course of civilization Contained within are thousands of photographs as well as the rise of photographic journalism during a conflict This series offers a unique record of one of the greatest conflicts in the history of mankind Included in this series are maps to mark the battles and line art decorations that give the reader an authentic feel of the era The photographs in this series can be viewed as art history or more importantly journalism Covering every aspect of war from the frontline to everyday life these volumes are a testament to the conflict and the country which emerged from it Soldier Life Secret Service presents a photographic record of the Business Side of War Making It documents the marshalling of federal volunteers the schools of the soldiers and the secret services of both armies **Official Congressional Directory** United States. Congress,1893 **Senate documents** ,1892 The Daily News Almanac and Political Register for ... ,1896 **Proceedings and Addresses of the Annual Session of the State Literary and Historical Association of North Carolina** North Carolina Literary and Historical Association,1906 **A Journal of the American Civil War: V6-1** Mark A. Snell,Theodore P. Savas,2021-12-31 Balanced and in depth military coverage all theaters North and South in a non partisan format with detailed notes offering meaty in depth articles original maps photos columns book reviews and indexes 26th Wisconsin Infantry in the Carolinas 1st USCT Battle of Town Creek Stoneman's Carolinas Raid interview with Craig Symonds Unpublished Confederates reports from Bentonville Cyclopaedia of Political Science, Political Economy, and of the Political History of the United States John Joseph Lalor,1889 *Who's who in Finance* ,1911 *Who's who in Finance, Banking and Insurance* John William Leonard,1911
