**Guiding Principles for Biblical Counseling** Rev Daniel W Blair, 2015-02-25

When did we start referring our brothers and sisters to the world for counseling? When did Christian counselors stop believing that His Word had everything we need for life and godliness? When did they start going to the world for their guidance and approved methodology for counseling? Psychiatry and psychology have consistently asserted that people should be salvaged from the chains of religious upbringing and moral restraint. However, studies show positive moral and emotional benefits for those with religious faith. Churches and parishioners taking back control of their religions from psychiatry and psychology will accomplish the return to a morally and spiritually strong society. This is a very practical book not only for lay leaders and pastoral counselors but for every Christian who desires to help their brethren who has suffered under the hands of secular psychology and psychiatric drug addiction.

**Christian Counseling Ethics** Randolph K. Sanders, 2013-03-08

Editor Randolph K. Sanders assembles a team of scholar practitioners to forge a comprehensive ethical approach to Christian counseling. Christian psychotherapists, pastors, and others in the counseling profession will find here a ready resource for a wide array of contemporary clinical scenarios.

*The Christian Therapist's Notebook* Philip J. Henry, Lori Marie Figueroa, David R. Miller, 2012-03-22

However, Christian therapists understand deeply the unique issues involved with their therapy. *The Christian Therapist's Notebook* is a single source for innovative, user-friendly techniques for connecting the everyday world of the client with Christian principles and Scripture. This creative, time-saving guide assists therapists in helping clients achieve therapy goals through professionally sound and principled exercises while always maintaining a positive, supportive connection with Christian beliefs. Helpful features include Scripture references relevant to common problems, case studies, vignettes, professional resource lists, client resource lists, in-session exercises, homework exercises, and handouts.

**Counseling** John F. MacArthur, Wayne A. Mack, Master's College Faculty, 2017-03-07

Gain a knowledge of counseling methods that are practical and consistent with Christian theological convictions. What do the Scriptures say about counseling? What is the biblical basis for using Scriptures in counseling? What does it mean to think biblically about counseling-related issues? At the root of this book is the confidence that Christ and His Word are not only sufficient for effectively handling the personal and interpersonal challenges of life but are superior to the resources found in the world. The practice of psychological counseling is a ministry and should not belong only to the realm of humanistic and secular theories of the mind. Written to pastors, elders, deacons, seminary students, and laypeople, well-known pastor John MacArthur and contributors present a system of biblical

truth that brings together people their problems and the living God This kind of counseling is based on the convictions that God s Word should be our counseling authority Counseling is a part of the basic discipling ministry of the local church God s people can and should be trained to counsel effectively Counseling How to Counsel Biblically provides biblical guidelines to counsel people who are struggling The contributors represent some of America s leading biblical teachers and counselors including Ken L Sarles David Powlison Douglas Bookman David B Maddox Robert Smith William W Goode and Dennis M Swanson

*A Theology of Christian Counseling* Jay E. Adams, 2010-08-10 Connecting sound biblical doctrine to the practice of effective counseling Jay E Adams vocal advocate of a strictly biblical approach to counseling and author of the highly influential book *Competent to Counsel* firmly believes that the Bible itself provides all the principles needed for understanding and engaging in holistic counseling But in order to bring the practice of counseling whether by professional therapists or by the church under biblical guidance we first have to deepen our understanding of Scripture *A Theology of Christian Counseling* is the connection between solid theology the study of God and its practical application Each of its sections are devoted to increasing our understanding of counseling s potential by looking at it through the lens of doctrines such as Prayer and the doctrine of God Human Sin and the doctrine of Man Redemption and the doctrine of Salvation Forgiveness and the doctrine of Sanctification No counseling system that is based on some other foundation can begin to offer what Christian counseling offers No matter what the problem is no matter how greatly sin has abounded the Christian counselor s stance is struck by the far more abounding nature of the grace of Jesus Christ in redemption What a difference this makes in counseling Jay E Adams With this book you ll gain insight into the rich theological framework that supports and directs your approach to how you help people change
