Matters Of Life And Death New American Stories:

Matters of Life and Death Tobias Wolff.1983 **A Matter of Life and Death** Rosalind Bradley, 2016-08-18 This book brings together contributors from different backgrounds including a Holocaust survivor and a death row inmate to explore perspectives on death Each contributor offers commentary on a written or visual work that best expresses death to them A meaningful volume for the bereaved and those working in bereavement or spirituality Playing the Hand We Are Dealt Michael Jackson, 2024-10-01 The relationship between literature and life can be construed as a counterpoint of fate and freewill Rather than equating fate to the hand we are dealt which is reducible to the social or familial environments into which we are born this book explores the idea of fate through the books that shape our lives and under whose influence we write Writing in this sense is seen as beyond its utility of making meaning It is a way of recovering agency in the face of overwhelming experiences In juxtaposing factuality and fiction the author makes a case for a radically empirical approach to human experience A Matter of Life and Death Ian Christie, 2019-07-25 A dazzling fantasy produced in the aftermath of World War Two A Matter of Life and Death 1946 directed by Michael Powell and Emeric Pressburger starred David Niven as an RAF pilot poised between life and death This books looks in detail at the making of the film Ian Christie shows how the film drew on many sources and traditions to create a unique form of modern masgue treating contemporary issues with witty allegory and enormous visual imagination He believes the film deserves to be thought of as one of cinema's greatest A Dictionary of Anglo-American Proverbs & Proverbial Phrases, Found in Literary Sources of the Nineteenth achievement and Twentieth Centuries George B. Bryan, Wolfgang Mieder, 2005 A Dictionary of Anglo American Proverbs Proverbial Phrases Found in Literary Sources of the Nineteenth and Twentieth Centuries is a unique collection of proverbial language found in literary contexts It includes proverbial materials from a multitude of plays auto biographies of well known actors like Britain's Laurence Olivier songs by William S Gilbert or Lorenz Hart and American crime stories by Leslie Charteris Other authors represented in the dictionary are Horatio Alger Margery Allingham Samuel Beckett Lewis Carroll Raymond Chandler Benjamin Disraeli Edward Eggleston Hamlin Garland Graham Greene Thomas C Haliburton Bret Harte Aldous Huxley Sinclair Lewis Jack London George Orwell Eden Phillpotts John B Priestley Carl Sandburg Harriet Beecher Stowe Jesse Stuart Oscar Wilde and more Many lesser known dramatists songwriters and novelists are included as well making the contextualized texts to a considerable degree representative of the proverbial language of the past two centuries While the collection contains a proverbial treasure trove for paremiographers and paremiologists alike it also presents general readers interested in folkloric linguistic cultural and historical phenomena with an accessible and enjoyable selection of proverbs and The Other Shore Michael Jackson, 2013 In this book ethnographer and poet Michael Jackson addresses proverbial phrases the interplay between modes of writing modes of understanding and modes of being in the world Drawing on literary anthropological and autobiographical sources he explores writing as a technics akin to ritual oral storytelling magic and

meditation that enables us to reach beyond the limits of everyday life and forge virtual relationships and imagined communities Although Maurice Blanchot wrote of the impossibility of writing the passion and paradox of literature lies in its attempt to achieve the impossible a leap of faith that calls to mind the mystic's dark night of the soul unrequited love nostalgic or utopian longing and the ethnographer's attempt to know the world from the standpoint of others to put himself or herself in their place Every writer whether of ethnography poetry or fiction imagines that his or her own experiences echo the experiences of others and that despite the need for isolation and silence his or her work consummates a relationship with **Shouting Down the Silence** David C Dougherty, 2010-10-01 Shouting Down the Silence presents the first complete biography of Stanley Elkin a preeminent novelist who consistently won high marks from critics but whose complexities of style seemed destined to elude the popular acclaim he hoped to attain From the publication of his second novel A Bad Man in 1967 to his death in 1995 Elkin was tormented by the desire for both material and artistic success Elkin s novels were taught in colleges and universities his fiction received high praise from critics and reviewers two of his novels won National Book Critics Circle Awards and his short stories were widely anthologized and yet he was unable to achieve renown beyond the avant garde or to escape the stigma of being an academic writer He wanted to be Faulkner but he had trouble being Elkin Drawing on personal interviews and an intimate knowledge of Elkins s life and works David C Dougherty captures Elkin's early life as the son of a charismatic intimidating and remarkably successful Jewish immigrant from Russia as well as his later career at Washington University in St Louis A frequent participant at the annual Bread Loaf Writers conference he was the friend and sometime antagonist of other important writers particularly Saul Bellow William Gass Howard Nemerov and Robert Coover Despite failed attempts to bridge the gap from his academic post to wide popular success Elkin continued to write essays stories and novels that garnered unerring praise His was a classic dilemma of an intellectual aesthete loath to make use of the common devices of popular appeal The book details the ambition the success the friction and the foibles of a writer who won fame but not the fame he wanted Freeing Black Girls Tamura Lomax, 2025-03-07 In Freeing Black Girls Tamura Lomax offers an insurgent feminist love letter to Black girls women mothers and othermothers Exploring what it means to mother Black children in the twenty first century Lomax shares her journey from her traditionalist Black girlhood to finding the path to revolutionary Black motherhood Along the way she shows how all Black people are endangered by white supremacist capitalist heteropatriarchal dominance and emphasizes the power of looking and talking back Lomax insists on Black feminist ways of living that value and nourish whole persons sketching a radical dream that will allow Black women and girls to survive America while being able to love themselves others and collective Black freedom Ultimately Lomax declares that Black women and girls are emphatically not defective second class or immanent nurturers they are sacred and revolutionary beings who deserve to live a life free of predation patriarchy misrecognition misogynoir and violence Panic Brooke Warner, Leonard Schmidt, 2002-08-14 Panic is not a single state
