M. Schryver, 2015-05-22 Surely I come quickly Revelation 22:20 When Christ was with His disciples prior to the beginning of the Church at Pentecost He taught them the great doctrines that they should know and pass on after His death and resurrection Among those important teachings were the fact that every man and woman are sinners all need the Savior to be their own Redeemer and that He Jesus Christ will come to earth a second time to set up and rule over His earthly Kingdom For three centuries these were the main teachings of the Church Then around 300 A.D. some men opposed many of Christ's teachings especially concerning His promise about the coming Kingdom on the earth and caused this great doctrine to be removed from the Church The coming Millennial Kingdom is the leading subject of the preaching of John the Baptist Jesus Christ and the Apostles Its teaching embraces a larger portion of Scripture revelation than all other subjects combined If you're a Christian you need to be looking for Christ's call to you heavenward He's even at the door Hopefully this book will help to get you ready to meet Christ when He calls and it will be sooner than you think **Matthew Henry's Commentary on the Whole Bible: Volume VI-I - Acts - Romans** Matthew Henry, Cassell's Biographical Dictionary, etc. [With plates. Brown,2011-11-30 Studies the book trade during the age of Fergusson and Burns Over 40 leading scholars come together in this volume to scrutinise the development and impact of printing binding bookselling libraries textbooks distribution and international trade copyright piracy literacy music publication women readers children s books and cookery books The 18th century saw Scotland become a global leader in publishing both through landmark challenges to the early copyright legislation and through the development of intricate overseas markets that extended across Europe Asia and the Americas Scots in Edinburgh Glasgow London Dublin and Philadelphia amassed fortunes while bringing to international markets classics in medicine and economics by Scottish authors as well as such enduring works of reference as the Encyclopaedia Britannica Entrepreneurship and a vigorous sense of nationalism brought Scotland from financial destitution at the time of the 1707 Union to extraordinary wealth by the 1790s Publishing was one of the country s elite new industries      **A Biblical Study of Divorce** Dale Fisher,2004-08 Having been taught the strict Traditional View the author studied the Scripture and concluded that this view is lacking both biblically and in practice as are the Traditional Dissolution Divorce the Betrothal and the Consanguinity views Studying all the pertinent passages the author adopted what he calls the More Liberal Dissolution Divorce View The two testaments teach the same view on divorce and remarriage with one exception The New Testament passages of Jesus and the Apostle Paul are interpreted in harmony with Greek grammar and the meaning of words The author concluded that the divorce teaching of Scripture is addressed only to believers and that it is time to stop the hypocrisy fostered by the other views of professing a certain belief but not daring to implement that belief in practice The author knows of no study in print that reaches these important conclusions      *Why Christians Should Not Tithe* James D. Quigg,2009-08-01 The premise of *Why Christians Should Not Tithe* is simple God having freed his people from the Law through faith in Jesus Christ does not place on them a burden from the Law The thesis is equally as simple Christian giving is not a tithe Christ challenges the believer to give himself and his possessions to the gospel cause but the tithe fixes a limit and implies nothing more is needed *Why Christians Should Not Tithe* is a thorough discussion of the four tithes in Moses Law Jesus comments on tithing and the twenty one principles of giving developed by the apostles in Acts and the epistles Included is a brief review of the history of tithing from post apostolic times to the present The book concludes with a new paradigm for giving not based on the tithe but on the apostles doctrine of Christian giving Should Christians tithe to support the gospel Here is a study that will help every Christian discover the biblical answer for him or her self      *Happiness* Randy Alcorn,2015-09-17 Do you ever wonder

whether God even cares if we're happy. This world can be so hard and we aren't promised an easy road. But that's not the whole story. The Bible is filled with verses that prove that ours is a God who not only loves celebrations but also desperately wants his children to experience happiness. Why else would he go to the lengths he did to ensure our eternal happiness in his presence? We know that we will experience unimaginable joy and happiness in heaven, but that doesn't mean we can't also experience joy and happiness here on earth.

In *Happiness*, noted theologian Randy Alcorn, bestselling author of *Heaven*, dispels centuries of misconceptions about happiness, including downright harmful ideas like the prosperity gospel, and provides indisputable proof that God not only wants us to be happy, he commands it. Randy covers questions like: How can I cultivate happiness in my life? What's the difference between joy and happiness? Can good things become idols that steal our happiness? Is seeking happiness selfish? How can I achieve happiness through gratitude? What does it look like to receive God's grace? The most definitive study on the subject of happiness to date, this book is a paradigm-shifting wake-up call for the church and Christians everywhere.

[The Pentecostal Commentary](#) Billy M. Prewitt, A Trinitarian Exposition of the New Testament. This series is designed with the serious Trinitarian Pentecostal student in mind. With a foundational commitment to the inspiration and infallibility of Scripture, each passage is explained in terms of its theological and practical significance. In addition, the distinctive Pentecostal pneumatology is sustained. Key doctrines are identified and expounded. Important cross-references within Scripture are noted. Historical connections in Church history are mentioned. Erroneous teachings are scrutinized. Comments are based on the King James Version. The KJV text is printed in the body of the commentary. With a modern style of readability, this commentary series is appropriate for anyone seeking to grow and understand the truths of Scripture and is especially helpful to pastors as well as college and seminary students.

Author's Foreword: As a Pentecostal student attending a Pentecostal Bible college, I went to the college bookstore to purchase my textbooks without knowing that the commentaries on my book list were written by non-Pentecostals. Even though my classes required commentaries from various publishers, none of the publishers were Pentecostal. I often wondered why a Pentecostal Bible school would use non-Pentecostal commentaries for class. What I did not know at the time was that there really was no such thing as a Pentecostal commentary written for and by Pentecostals. Since then, there have been a few Pentecostals who have written on individual books, but there are significant portions of even the New Testament that have had little or no Pentecostal voice. As a result, serious Pentecostal students have no other choice but to learn at the feet of non-Pentecostals. I am not opposed to non-Pentecostal commentaries. Indeed, I have gained considerable insights from reading such, but there are two points of theology that I must consciously filter out every time I read them. The most important concern to a Pentecostal is that the pneumatology, the study of the Holy Spirit, presented by non-Pentecostals is very different than that of a Pentecostal. The second point is the emphasis on Calvinistic doctrines, especially eternal security, with which most Pentecostals do not agree. In addition, there are other theological differences and substantially different hermeneutical principles that can dramatically alter the interpretation of

texts in non Pentecostal ways In my studies I have always desired to have a commentary that was thoroughly Pentecostal but I never imagined that I would write one From one Pentecostal to another I hope you will find this series to be a breath of fresh Spirit anointed air Series Preface While it is hoped that Bible students from other theological traditions will study and benefit from its contents it is first and foremost Pentecostal As such this commentary does not include surveys of other viewpoints unless such inclusion is necessary for clarity of argument In addition with all due respect to our Charismatic brethren it may be said that this series is not meant to be inclusive of Charismatic interpretations related to pneumatology The Pentecostal Commentary series intentionally excludes views of Scripture that do not hold to its inspiration inerrancy and infallibility and also excludes modern liberal arguments of authorship date purpose and so on Traditional viewpoints on these subjects will be discussed without confusing the issue In addition 19th century criticism methods and concerns over source documents will not often be discussed In other words this series assumes that the Biblical text is as God wants it to be and that it was written by the person and at the time traditionally ascribed

Allison,2005-11 A leading Matthean scholar blends exegesis history of interpretation and theological reflection to offer illuminating studies on the First Gospel *The Image of God: Lost and Recreated* Otis Gouty,2019-09-27 This is a book that demonstrates how a person can get the image of God Adam and Eve were created in the image of God but lost it They were given freedom of choice Unfortunately they rejected God and chose the way of Satan which has been passed on to all of us down through the centuries from parent to child The Bible is accepted as truth Every step of the way taken here is documented by the Bible Scientific discoveries are introduced to form a basis for understanding and to compliment biblical references Children born after Seth were born in the evil image of Adam and Eve God was so deeply grieved by the evil intentions of Seth s descendants that he sent the flood to destroy all of mankind Noah was favored by God but even so he was still of the lineage of Seth The Old Testament is filled with the sinful acts of God s chosen children but the faithful unchanging God had a plan which He brought to pass in the person of Jesus This book provides a penetrating and dramatic picture of how God has implemented His plan to the present time
