Matthew Arnold Selected Poems Matthew Arnold,2012-02-25 Collectors Edition Matthew Arnold is one of my favorite poets and I think that this collection showcases some of his best work The poems are mostly his older and longer works so I wouldn t recommend this for someone who likes short poems some in here are pages long *Selected Poems* Matthew Arnold,1993 A selection of poems by Matthew Arnold This book is part of a series aimed at the general reader rather than the specialist and as such carries no critical or explanatory apparatus Other poets featured in this series include Christina Rossetti John Keats and Gerard Manley Hopkins *Selected Poems of Matthew Arnold* Matthew Arnold,1898 *Selected Poems of Matthew Arnold* Matthew Arnold,2015-06-12 Excerpt from Selected Poems of Matthew Arnold In making this collection which is intended primarily for school use we have tried to keep three things in view The poems chosen should exhibit Matthew Arnold s special qualities they should not in subject or in treatment be such as the young could not appreciate and they should give pupils something to think about in connexion with other poetry and other subjects of study Poems like Mycerinus and Stanzas from the Grande Chartreuse fine as they are hardly answer the second test The short lyrics as is natural with poems of that type are noteworthy rather for beauty of expression than for substance Sohrab and Rustum and Balder Dead the first poems in our selection being avowedly modelled on Homer we have thought it useful to quote in illustration a few passages of which the imitation is specially close These are taken mainly from the Iliad and for the translations we have relied on the prose version published by Messrs Lang Leaf any imperfections that remain are intentionally left to preserve the state of such historical works **Select Poems of Matthew Arnold** Matthew Arnold,1908

Yes while On earth a thousand discords ring
Man's senseless uproar mingling with his toil
Still do thy quiet ministers move on
