## **Matthew Evangelist Teacher:**

*Matthew* R. T. France, 2004-10-08 This work by R T France is not intended to be a guide to all that has been written in recent years about Matthew Rather it is an extended introduction to Matthew designed for a non specialist readership France concentrates on those areas he finds most interesting and important for the appreciation of Matthew but he does touch on most major areas of discussion in Matthean studies Among other things France covers Matthew s place in the life of the church the order of the Gospels Matthew in the post apostolic church reasons for Matthew s preeminence Matthew in the modern church and literary relationships and the order of composition of the Gospels *Matthew: The Teacher's Gospel*

Paul S. Minear, 2003-09-08 Most studies of Matthew have been oriented toward a recovery of the portrait of Jesus or toward strengthening faith in him in our time I have chosen a different orientation The focus of my attention is on the work of the Evangelist as a teacher and on his intended audience in the churches of the first century men and women who like many of us were charged with basic educational work among adult believers in Jesus Christ I hope that such an orientation may strengthen your sense of kinship both with the Evangelist who was a teacher and with his first readers who also were teachers From the Preface This insightful commentary on the Gospel of Matthew will help readers better understand the importance of this book of the New Testament Paul S Minear focuses on Matthew as a teacher in the early Christian church assesses Matthew s impact on Christians in the first century and examines the fascinating array of literary forms found in this Gospel Throughout the book aims at increasing comprehension of the distinctive and constructive theological stance of Matthew

**Jesus as Teacher in the Gospel of Matthew** Charles L. Quarles, Charles Nathan Ridlehoover, 2023 Inspired by the work of Richard France and his highly influential *Matthew Evangelist and Teacher* Charles L Quarles and Charles Nathan Ridlehoover have gathered together a collection of works that argue for a re examination of the defining features of Jesus s role as a teacher in the Gospel of Matthew This volume suggests that while each of the Gospel writers display Jesus leading disciples along speaking to crowds and confronting Jewish authorities with effective and timely teachings Matthew s portrayal of Jesus as a teacher contains distinctives that deserve further exploration After examining Jesus s Old Testament and Second Temple influences and comparing his methods to the contemporary Greco Roman tradition the contributors explore Jesus s position as a teacher of faith and forgiveness and a trainer of scribes and analyse his relationship with several different apostles Including responsive essays and concluding with a summary of Jesus and Matthew himself as evangelists and teachers this journey through the aspects of Jesus s teaching ministry gives readers a more complete look at Jesus s vocation

**Jesus Christ, Learning Teacher** Mark Chater, 2020-10-30 The Christian presence in education has never been more controversial While some secularists oppose any form of religious involvement in schools or universities some Christians also wonder why the churches are there Conflicting narratives surround the purpose of Christian involvement in education Yet at the heart of Christianity stands an educator whose passion and resurrection can be understood afresh as

learning But what does it mean to say that Jesus was a teacher If he was a good teacher was he also a learner Is today s Christian church learning Can educators help the church to recover a learning Christ who places learning at the heart of the Godhead and the church How could the Christian churches take the educational significance of Jesus more seriously Christian teachers often find themselves divided between a professional discourse on learning and making progress and a theological vocabulary which they do not fully own connecting only sporadically with their professional identity This book helps educators to treat their teacher identity as a theological resource rather than an obstacle and in so doing to discover new insights on Christ which can be of relevance to the wider church and its mission *The Torn Veil* Daniel M.

Gurtner,2006-12-21 In this 2006 text Daniel M Gurtner examines the meaning of the rending of the veil at the death of Jesus in Matthew 27 51a by considering the functions of the veil in the Old Testament and its symbolism in Second Temple and Rabbinic Judaism Gurtner incorporates these elements into a compositional exegesis of the rending text in Matthew He concludes that the rending of the veil is an apocalyptic assertion like the opening of heaven revealing in part end time images drawn from Ezekiel 37 Moreover when the veil is torn Matthew depicts the cessation of its function articulating the atoning role of Christ s death which gives access to God not simply in the sense of entering the Holy of Holies as in Hebrews but in trademark Matthean Emmanuel Christology God with us This underscores the significance of Jesus atoning death in the first gospel

*The Theme of Recompense in Matthew's Gospel* Blaine Charette,2015-01-29 Matthew s theology of the Spirit has received scant scholarly attention a regrettable oversight since the evangelist is careful to note that the eschatological redemption described in his Gospel is the direct result of the activity of God s Spirit Matthew s

narrative of God's restoring work which begins with Jesus and continues through his followers is informed by even as it extends the larger biblical narrative concerning God's creative redemptive and restorative work at the centre of which stands his Spirit his active presence As the study elaborates upon the broad sweep of Matthew's interest in the Spirit the operation of the Spirit is examined in relation to the three theological categories of christology soteriology and ecclesiology [You Mean I Don't Have to Tithe?](#) David A. **Theology of the New Testament** Frank S. Thielman,2011-03-22

Studying the theology of the New Testament can be a daunting task even to the knowledgeable Bible student or pastor. Each of the twenty seven books written by various authors has its own theological emphasis and nuances. How do we elicit a coherent message from such theological diversity especially given that some of the theological statements in the New Testament seem to be at odds with one another? Is such an endeavor achievable or even valid? Theology of the New Testament takes a balanced approach in response to these challenges. Frank Thielman presents a theology of the New Testament that is careful to take into account the cultural and historical circumstances surrounding each book and the New Testament as a whole. He not only examines each book's theological content individually but also in relation to the rest of the New Testament particularly within each of the three theological units that comprise the New Testament: the gospels and Acts, the Pauline epistles and the general epistles, and Revelation. This canonical and synthetic approach honors both the theological diversity of the various books and the theological connections between the books. In the end, Thielman finds a unified theological vision of the New Testament anchored in the centrality of Jesus Christ. Frank Thielman's *Theology of the New Testament* is an outstanding achievement. The book is marked by scholarly depth, exegetical rigor, and theological profundity. Both students and professors will profit immensely from this lucid treatment of the theology contained in the New Testament documents.

Thomas R. Schreiner, Professor of New Testament, The Southern Baptist Theological Seminary: An accessible presentation of the key theological points of the New Testament books by an accomplished New Testament scholar and teacher. Its clear style, lucid organization, and sound theological insight make it a prime resource for serious students in both the academy and the church.

Karen H. Jobes, PhD, Associate Professor of New Testament, Westmont College: [The Authenticity of the Parable of the Wheat and the Tares and Its Interpretation](#)

Ramesh Khatri, 2000-07: This thesis seeks to demonstrate the authenticity as dominical teaching of the parable of the darnel (Mt 13:24-30) and its interpretation (Mt 13:36-43). The interpretation in particular is almost universally regarded as non dominical, notably by J. Jeremias and his followers. My thesis argues that the whole of Mt 13:36-43 and Mt 13:24-30 should be seen as dominical. The introduction gives a brief survey of parabolic studies and outlines the case against the authenticity of Mt 13:24-30, 36-43. Chapter AI defends the authenticity of the parable (Mt 13:24-30). The following chapters do the same for the interpretation (Mt 13:36-43) looking at the Son of Man and related teaching (chapter BI), the kingdom of God (BII), righteousness and lawlessness (BIII), and other motifs (BIV), and finally the question of the coherence of the parable and its interpretation (BV). My approach has been negatively to demonstrate the weakness of the scholarly arguments against authenticity and positively to offer a case for authenticity via a study of background including special study of the rural Palestinian practices and of relevant Jewish theological ideas and b) a careful use of the criterion of multiple attestation which demonstrates that our material is linguistically and theologically coherent with other well attested Jesus tradition. The originality of the work lies apart from anything else in the fact that a full length defence of the authenticity of Mt 13:24-30, 36-43 has not been attempted before. But we have also brought to bear various insights canvassed

in other contexts but not specifically in connexion with Mt 13 24 30 36 43 e g suggesting a background to the Son of Man tradition in Ezekiel and the Similitudes of Enoch making use of the Old Testament concept of God as farmer explaining the agricultural background to the parable and interpretation

Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease      *Making Disciples* Sylvia Wilkey Collinson, 2007-01-01 The Christian faith

community regards the making of disciples as a prime directive of Jesus himself though this theme is not dominant in contemporary models of teaching in the church This investigation seeks to develop a theory of discipling and to test its congruence as an effective educational strategy with the objectives of modern Christian faith communities After briefly examining the discipling model of teaching as practiced in the world of the Ancient Near East a detailed study of New

Testament texts investigate the practice of discipling by Jesus and his followers and in the church of the first century. An understanding of the concept of discipling is gained by gradually refining its definition as the study progresses through a contemporary examination of other informal models of education. Religious and educational research findings are explored to enable the validity of the discipling model to be determined. Finally, the definition is used as a benchmark to examine various contemporary educational theories within the community of faith. In contrast to the schooling model, discipling has been shown to be an effective model for teaching attitudes, values, and behavior as well as knowledge and beliefs in today's church. Its emphasis on commitment to learning relationships within a nurturing community and active involvement in the mission of Christ to the world and its capacity to adapt to differences in age, culture, ability, and interests make it a model of teaching worthy of much greater attention by the Christian faith community.

**Upon This Rock: A New Look** Kenneth J.

Morgan, 2012-12-26 This book is more than a mere academic exercise; it is the foundational work for that long-awaited study in one of the most neglected areas of Systematic Theology, viz. Ecclesiology, the doctrine of the Church. Now that work will be a new possibility because of the work of Ken Morgan in this text. Dr. Walter C. Kaiser Jr. This book presents a technical exegetical study of these topics: "You are Peter, and upon this rock I will build My church; I will give you the keys of the kingdom of heaven. Whatever you bind on earth shall have been bound in heaven, and whatever you loose on earth shall have been loosed in heaven. If you forgive the sins of any, their sins have been forgiven them; if you retain the sins of any, they have been retained." Shepherd My sheep. What is the relationship between Israel and the church? What does Paul's metaphor of the olive tree in Romans 11 represent? Does Paul say in Ephesians 2 that Gentiles become citizens of Israel?
