Dying to Live John Churcher,2012-04-27 Dying to Live is a radical exploration of the life of Jesus through the memories of Peter the Apostle and his translator Mark It is a journey not a destination It is a continuing quest not in search of integrity but to preserve it This book offers glimpses of a deeper relevant spirituality for today The starting point is that the Gospel of Mark was written as an interpretive biography not as sacred text To over spiritualise the reading of Mark is to miss the real Jesus contained within its pages To follow Jesus is not so much concerned with right belief as it is about how one lives Jesus accepted people as they were and especially offered the outsider and the rejected dignity and a sense of personal worth Churches have rightly encouraged charitable giving especially to the poor and the outcast but its creeds and doctrines have misrepresented the transformational life and teaching of Jesus masking the hard cost of discipleship required to address the underlying root causes of violence hunger and poverty in a world of plenty

The Writing on the Wall Justin Brent Wallace,2024-09-13 The Writing on the Wall concerns a partly autobiographical example of a real modern day miracle that Justin Brent Wallace received only as a result of daring to completely trust and effectively discern the voice of the Holy Spirit This also proved to him God s existence beyond doubt Herein the author reveals and discusses all the relevant circumstances showing the proof of God s existence and analyzing the result hoping to teach others how to better see and discern the Holy Spirit s presence in their lives He urges the reader to apply what he reveals supported by numerous Bible verses Heeding the Holy Spirit s voice leads to rewards of greater faith and knowledge of God as well as the assurance of living his will

Jesus's Teachings about Love, Forgiveness, and Relationships in the Christian Bible and A Course in Miracles David A. Scott, MA, LMFT,2023-01-23 Jesus was an enlightened spiritual master who lived and taught in the Middle East over two thousand years ago The Gospels of Matthew Mark Luke and John are four of the many gospels that claim to describe his life and contain his teachings More recently the spirit of Jesus dictated A Course in Miracles to Dr Helen Schucman a psychologist in New York City The Course when it was published included three volumes 1 a theoretical Text 2 a Workbook for Students and 3 a Manual for Teachers A Preface and two supplements were received by the same process and added to it

later So now we have two ways to study and explore what Jesus taught This book examines his teachings from both sources regarding 1 love and spirit 2 giving getting and receiving 3 spiritually guided forgiveness and 4 our relationship with God and each other You will discover as the author did that the Gospels and the Course are largely in agreement as one would expect if they came from the same teacher This book is also available in Kindle and paperback editions on Amazon and epub and audio editions on Kobo *Left in the Dark!* J. A. Fowler, 2014-05-08 Chapter after chapter this manuscript introduces intriguing and shocking information found in the Bible Brought to the surface are scriptures no one talks about in church Within this book you will discover Why God demands that His people be sealed with a mark on their forehead Why Jesus was able to change His appearance at will Why Jesus mother and father were never seen during or after the crucifixion
