Matthew Thy Kingdom Come:

Matthew John F. Walvoord,1980 **Matthew** John F. Walvoord,1998 This verse by verse commentary of the book of Matthew by popular author and scholar John Walvoord examines the life of Christ and the stages of acceptance and rejection that He endured The nine parts of the book include the origin of Jesus Christ the credentials of the King the continued ministry of the rejected King the Olivet Discourse on the end of an age the period between the two advents and the death and resurrection of the rejected King Thy Kingdom Come Harold L. Patterson,2008-12 Thy Kingdom Come is a panoramic overview of the present reign of Jesus Christ at the right hand of God the Father and of the future consummation of that reign It presents three authoritative apostolic New Testament guidelines for the interpretation of the Old Testament prophecies It fairly examines the three main positions on the millennium and offers scriptural conclusions that incorporate elements of truth from all three Detailed expositions of the 110th Psalm and the book of Revelation are based on the apostolic guidelines Harold Patterson was born in Portland Oregon in 1920 In 1942 he was appointed as a Patrol Inspector in the Immigration Border Patrol and was assigned to work on the Mexican border in Southern California His career as a Border Patrolman was interrupted by military service during WW II During his military service he met and married Shirley Van Hamm in Denver Colorado In 1951 Harold and Shirley enrolled in BIOLA Bible College in Los Angeles After graduation they accepted teaching positions in Taholah Washington on the Quinault Indian Reservation They remained in Taholah for 17 years and served the Indian community in various ways during that time To upgrade his professional skills Harold earned the Bachelor of Education degree at Seattle Pacific University and the Master of Education degree at the University of Washington In 1972 Mr Patterson was appointed Associate Supervisor of Indian Education for the State of Washington and served in that capacity for nine years He also served as a lay minister and Bible teacher in various churches In 1972 the Pattersons moved to a ranch at Brooklyn Washington Throughout the years Harold maintained a very close relationship with the Quinault people and in 2005 he was adopted as an enrolled member of the Quinault Indian Nation Thy Kingdom Come Michael A. Price,2015-04-17 The Kingdom of God is from eternity past to eternity future The Kingdom of God is embodied in Almighty God Himself The authority of God that rules the universe has always existed beyond the realms of time and space and rules in the realm of the spirit as well as the physical universe It is this kingdom which God chooses to establish in the hearts and lives of His people throughout the ages Our lives are dictated by choices which God intends to correspond to His will and His purposes for His creation When Jesus Christ came to the earth He introduced the Kingdom of Heaven The Kingdom of Heaven is a dispensation within the Kingdom of God which includes the church the building of the Body of Christ and the millennial age which begins at Christs return to earth We will reign with Jesus as rulers in Gods Kingdom for all eternity We hope that this book gives some insight into the Kingdom of God as described in Gods Holy Word the Bible We hope that we gain a greater relationship with and a greater understanding of Jesus Christ as Gods appointed

King We pray that we gain a greater understanding of our spiritual authority as joint heirs with Jesus Christ in Gods Kingdom We will use this divine authority to tear the devils kingdom down to reclaim territory to preach the gospel of the Kingdom of God and His Christ to heal every sickness and disease among people and to restore the Kingdom of God back to its rightful place of highest supremacy in the earthly realm Pray with us as we move the Kingdom of God agenda forward during this age in which we now live

The Gospel of Matthew Kevin Swanson,2012-01-01 There is no more important thing we can do as parents than to teach our children the Bible especially the Gospels of Jesus Christ If we want our children to follow Christ they need to know the stories of the life of Christ and His teachings better than they know mathematics geography or the rules of grammar The Family Bible Study Guide Series is for parents who understand their God given responsibility to teach their children God s Word as they sit in the house Deut 6 7 These Study Guides will assist parents who wish to provide their children with an in depth study of the Bible J C Ryle provides the very best commentary and devotional exposition of the book of Matthew that can be found We could do no better than to use his expositions of the Gospel of Matthew for our Family Bible Study Guide Series Writing in the 19th century as an evangelical Anglican pastor Ryle intended these Expository Thoughts for family worship His writing is strikingly simple profound practical and passionate at the same time Each lesson in this Matthew Family Bible Study Guide contains the following features Outstanding practical and devotional exposition from J C Ryle Thematic breakdown for each chapter A summary of events for each chapter Content questions for each section Penetrating application oriented questions to stimulate family discussion Spiral Bound 297 Pages

Thy Kingdom Come Robert Brien,2018-02-13 Much is said in the Christian Bible about when the present age will dissolve into a time when only peace and good will prevail throughout the world This is particularly true of the Book of Revelation at the end of the Bible one of the most mysterious and hotly debated books of the Bible which has been seen variously as another illustration of mankind s perennial insecurity and fear of annihilation or disaster a pre scientific catalogue of catastrophes common to much ancient apocalyptic literature a prophecy of doom a metaphor for how ultimately evil will fail and good will prevail or a serious and literal account of how God will destroy all that is wrong in this world to bring in His New World Order This book seeks to find the deeper reality of what these scriptures are telling us Is this really God addressing mankind and i f so what is He really telling us why should He do so and how this is intimately relevant to us

Seeking the Kingdom David S. Dockery,David E. Garland,2004-12-10 For nearly 2000 years the Sermon on the Mount has been the subject of endless discussion and controversy Authors Dockery and Garland bring puzzling portions of Jesus message to light They uncover important background information on Old Testament law Jewish faith and culture and makes this monumental passage more easily understandable What does it mean to be the salt of the earth in the 1990s What are the real implications of going the second mile The Christian who wants to translate faith into vital lifestyle will find practical encouragement in these teachings of Jesus

The Bible Knowledge Commentary Gospels John F. Walvoord,Roy B. Zuck,2018-03-01 Walk with Those Who Walked with Jesus In the Gospels we witness the most crucial turning point in world history and the reason we believe what we do The New Testament begins with four accounts of the good news of the Son of God Drawing on the research of Dallas Theological Seminary scholars The Bible Knowledge Commentary Gospels explores similarities and differences among Matthew Mark Luke and John The authors also look at difficult or confusing passages apologetic evidence for these eyewitness accounts and what we can learn about Christ like living from observing the life of Jesus With dozens of visuals and Old Testament cross references this commentary is one of the most thorough and theologically sound studies of the Gospels Journey with Jesus as if for the first time in this detailed look at His life on earth

found in Matthew Mark and Luke to expound upon the prophecies presented by Jesus to His closest disciples After hearing His disciples inquires Jesus delineated details of events which would take place after His departure into heaven up and through the time of His return to establish His Earthly Kingdom The disciples were anticipating an immediate arrival of Jesus Kingdom but Jesus knowing this gave them an accounting of events which must take place prior to the establishment of that Kingdom He began by giving a direct warning to the disciples followed by an explanation of trials that they would personally encounter Jesus then told these disciples about the demise of Jerusalem which would take place in 70 A D Following that He spoke of the coldness of heart which will permeate the society in the end times He gave them the Abomination of Desolation as a sign of the approach of the end of the age Jesus detailed the events which will surround His return to set up His Earthly Kingdom Moreover through parables Jesus taught His disciples and those who will His discourse the importance of being prepared for His return In the final scene of this discourse Jesus presents a picture of a judgment which will take place in preparation for the establishment of His Kingdom There are many lessons to be learned through Jesus presentation of the Olivet Discourse This writer hopes that his readers will take to heart the lessons of this most prophetic disclosure on the end of the age
