Gateway to Reading Nancy J. Polette,2013-04-08 Get young readers hooked on some of the best titles in juvenile literature ranging from humor to mystery to fantasy with unusual and effective methods like games Getting students to want to read is one of the greatest challenges facing middle school teachers and librarians Determining which are the right books that can spark a child s mental awakening is also difficult This book from prolific author Nancy Polette furnishes interesting and fun games to pique students interest in junior novels that are worth reading carefully selected titles that will contribute to their educational and emotional growth Gateway to Reading 250 Author Games and Booktalks to Motivate Middle Readers is a powerful tool for luring middle school students away from the distractions of 21st century media and introducing them to junior or tween novels that they won t be able to put down By presenting children with a challenge to engage their minds racing to decode book titles or using their creativity to come up with titles of their own for example students are naturally drawn towards reading these books from well known children s authors

Transatlantic Memories of Slavery ,2015-08-10 While the memorialization of slavery has generated an impressive number of publications relatively few studies deal with this subject from a transnational transdisciplinary and transracial standpoint As a historical phenomenon that crossed borders and traversed national communities and ethnic groups producing alliances that did not overlap with received identities slavery as well as its memory call for comparative investigations that may bring to light aspects obscured by the predominant visibility of US American and British narratives of the past This study addresses the memory of slavery from a transnational perspective It brings into dialogue texts and practices from the transatlantic world offering comparative analyses which interlace the variety of memories emerging in

diverse national contexts and fields of study and shed light on the ways local countermemories have interacted with and responded to hegemonic narratives of slavery The inclusion of Brazil and the French English and Spanish Caribbean alongside the United States and Europe and the variety of investigative approaches ranging from cinema popular culture and visual culture studies to anthropology and literary studies expand the current understanding of the slave past and how it is reimagined today This fascinating book brings freshness to the topic by considering objects of investigation which have so far remained marginal in the academic debate such as heroic memorials civic landscape white family sagas Young Adult literature of slavery Latin American telenovelas and filmic narrations within and beyond Hollywood What emerges is a multifarious set of memories which keep changing according to generation race gender nation and political urgency and indicate the advancing of a dynamic mobilized memorialization of slavery willing to move beyond mourning towards a more militant stand for justice This is an important book for those interested in African American American and Latin American studies and working across literature cinema visual arts and public culture It will also be useful to public official and civil servants interested in the question of slavery and its present memory
