Brown Jr., Joan L. Brown, 2015-01-31 How did an angel enter Victor Wolf's life The answer was simple at the hockey rink when a little schoolteacher asked a favor of him to bring her the head of a poisonous snake when he went snake hunting She didn't look like an angel The deep discolored circles under her eyes reminded the coach of a raccoon She looked as though she hadn't had a good night's sleep in a while The tough hockey coach didn't look much better He also had circles that everyone said were from too much nightlife They each had their dark secrets Jr's Angel intertwines the coach and the teacher as they reveal details of their pasts The coach played a chess game with God for much of his life As the game neared its end the coach realized that God would always be the Winner As though to make amends God sent him the only woman Victor Wolf ever really loved The file cabinet is nearly empty although a few notes remain Now I had begun to store my notes that covered twenty years of my life and adventures with my husband As I filed some papers I came across a book by one of Vic's favorite authors Ernest Hemingway Hidden inside was a quote by Hemingway Every man's life ends the same way It is only the details of how he lived and how he died that distinguish one man from another This folded scrap of paper held a clue to Vic's philosophy Vic loved Hemingway because the man wrote about how he had experienced life Vic knew the best fiction had to be based upon reality and experience Vic's notes and writings revealed how he lived life But his life held sorrow and disappointment until he met the woman who introduced him to the concept of love Vic's story had left many unanswered questions This book fills in the missing gaps of many characters Jr's Angel is a tribute to love a word that a tough guy couldn't speak until he fell under the influence of a little schoolteacher who had been abused and put in a corner She survived somehow Once she met the tough guy she flourished The two found each other warrior and angel Unselfish love and dedication allowed each to thrive He became her true love and hero she became his angel on this earth The Sermons and Practical Works of Isaac Watts Isaac Watts, 1805 100 Days of April-May Edyth Bulbring, 2013-09-05 April May is back and this time she's brought friends April May is back for another year at Trinity College and she still hasn't changed her socks Sebastian aka Edward aka the boy with the lime green eyes is still drop dead gorgeous and totally bad news But then Fatty turns up A giant of a boy who eats stew sandwiches and cries when no one's looking And he's best friends with Sebastian Awkward Juggling the evil teacher Mrs Ho as her new live in mom along with a new brother the devious Sam Ho and a house with half a roof April May's life is as much of a mess as the crummy extension Fluffy is building out back Before she knows it April May is in an all night dance off and she's adopted a dog called Alistair The less said about him the better No wonder April May's in counselling It's a shame that she's the one giving all the guidance 100 DAYS OF APRIL MAY is the hilarious

real page turner that takes the reader on a roller coaster ride of such epic proportions that one almost forgets it's not fiction. A great read that is reminiscent of the lineage of Anais Nin, its champions tireless and daring explorations of what it means to be culturally, spiritually, and sexually free. Sunny Massad, author of *Untherapy*, This book will draw you in from the beginning. An insecure, fearful, lonely, and neglected child in the mud of Israel becomes a hippie in America, a PhD in psychology, a sannyasin seeker in India. She experiments with drugs and therapies and ends up with Osho Rajneesh for a while. From that commune, her adventures take her all over Asia to the Himalayas, Australia, and back to the US. In the end, she comes full circle to reconcile with her estranged parents, having grown into a lotus blossom blessed with Freedom, Trust, and Forgiveness. A great read. Roshani Shay, Curtis PhD, Professor Emeritus, Western Oregon University. Powerful and thought-provoking. Pratibha's nuanced, richly descriptive writing introduced me to places and faces I'll never forget. Such a vividly engaging story. It touched me deeply. Jennifer Traig's memoir *Devil in the Details* paints a portrait of a well-meaning Jewish girl and her good-natured parents and takes a very funny, very sharp look back at growing up with obsessive-compulsive disorder. Recalling the agony of growing up an obsessive-compulsive religious fanatic, Traig fearlessly confesses the most peculiar behavior like tirelessly scrubbing her hands for a full half hour before dinner, feeding her stuffed animals before herself, and washing everything she owned because she thought it was contaminated by pork fumes. Jennifer's childhood mania was the result of

her then undiagnosed OCD joining forces with her Hebrew studies what psychiatrists call scrupulosity While preparing for her bat mitzvah she was introduced to an entire set of arcane laws and quickly made it her mission to follow them perfectly Her parents nipped her religious obsession in the bud early on but as her teen years went by her natural tendency toward the extreme led her down different paths of adolescent agony and mortification Years later Jennifer remembers these scenes with candor and humor In the bestselling tradition of *Running with Scissors* and *A Girl Named Zippy* Jennifer Traig tells an unforgettable story of youthful obsession

The Heart of Listening Cris Smith, 2013-04-04 Thirty years ago I was afraid of surrendering my life completely to trusting in the Divine This fear is what stopped me from growing in my faith and crippled me into believing that if I did something terrible would befall on me or my family as a way of testing my faith I was afraid to practice my faith and my heart was contaminated with guilt anger and inferiority Then something happened I took a leap of faith and decided to join my husband in a catechist program that was being delivered at our church Little did I know that this would be the catalyst that would move me in a direction for a new life The program taught the meaning of scriptures and how to read and

meditate upon them One night I opened the bible to a scripture passage found in 1 John 4 18 The words Perfect Love casts out fear suddenly jumped off the page and spoke to my heart directly I knew that the Lord was speaking to me through this scripture passage and He released my fears With this new found freedom I embarked on a journey that helped me discover my connection with God and the many ways in which He communicated to me This book reveals my journey as God revealed His presence to me through signs and symbols in my journal writing meditation prayer past memories through His creation in nature the stillness around us and through everyday miracles In a personal way he continues to speak to me through life and death experiences Along with my sorrows he fills me with joy through his His peace grace and PERFECT LOVE My Heart's at Home Jill Savage, 2007-02-15 Founder and Executive Director of Hearts at Home Jill Savage explores the important role home plays in a family s journey With her personable humorous style Jill shares from her experience as a mother of five and from conversations with many other moms to offer practical ideas and motivation to create a home that is a safe place for a functional family to blossom community center that offers hospitality and compassion church where prayer and Scripture guide all members museum filled with a family s history stories and heritage school with lessons of virtue integrity and ethics This anchor book for Hearts at Home will extend beyond this valuable ministry to encourage all women to build the heart of their home on biblical principles and to raise a family that is strong loving and firmly standing on a foundation of faith
