New Directions For Children's Ministries:

New Directions for Children's Ministries Miriam J. Hall, 1980-01-01 Children's Ministry and the Spiritual Child Robin Turner, 2023-06-06 God is at work in the lives of children. Most ministers are looking for inspiration but feel overwhelmed. Children's Ministry and the Spiritual Child offers practical tools with evidence-based research in an easy-to-read format perfect for engaging and equipping passionate yet busy children's ministry leaders. Learn from the wisdom and research of some of the leading thinkers in the field of children's spirituality about best practices of ministry in both personal and community settings. Section 1 Reviews ways to engage a child's innate spiritual capacity. Section 2 Considers the equipping role a family plays in a child's spiritual life. Section 3 Outlines intergenerational involvement in a child's faith formation. Section 4 Offers advice for care and compassion for children when trauma happens. Section 5 Brings everything together with hands-on ideas for putting the research to use. *New Directions for Small-group Ministry* Paul

Borthwick, 1999 Six fresh, easy-to-implement models help to build adult small groups that work including honest evaluations of the strengths and weaknesses of each. **Sustainable Children's Ministry** Mark DeVries, Annette Safstrom, 2018-01-23 Are you a children's ministry leader on the edge of burnout? Sustainable Children's Ministry shows you how to recruit volunteers, partner with parents, navigate politics, and care for your own soul instead of frantically scrambling to do it all yourself. This practical resource will help you build a ministry foundation that will still be standing long after you are gone.

Bridging Theory and Practice in Children's Spirituality Zondervan, 2020-04-21 Bridging Theory and Practice in Children's Spirituality explores the different contexts, methods, and situations that influence and foster a child's spirituality and faith development. Through a blend of theoretical understanding held in tension with practical application, it equips those who are in or being prepared for the varied contexts where children are spiritually formed. It represents a broad range of Christian expression, writing from a Christ-centered perspective that furthers the conversation about the next steps in children's spirituality and faith development. Moving beyond the basics of faith nurture and what makes for effective ministry, this resource deepens our understanding of the practices in children's lives by bringing together the best of theory and practice and includes contributions from Dr. Scottie May, Wheaton College; Dr. Kevin Lawson, Biola University; Dr. Erik Carter, Vanderbilt University; John Roberto, Vibrant Faith; Dr. Dana Kennamer, Pemberton; Abilene Christian University; Dr. Shirley Morganthaler, Concordia University, Chicago; Dr. Holly Catterton, Allen Lipscomb University; Dr. Robert Keeley, Calvin College and Calvin Seminary; Dr. Mimi Larson, Wheaton College; Lacy Finn Borgo, Renovar Institute; and others. Pastors, professors, seminary students, and children's ministry leaders and practitioners all believe that nurturing a child's spiritual development is important. Yet often they are unsure about which current trends should be embraced. This book will help equip these people with the grounding needed to evaluate trends and with specific suggestions for moving forward. With short, accessibly written chapters, it helps pastors and leaders stay up to date with current trends and is an excellent resource for teaching in college.
