Organizational Behavior and Human Resource Management for Complex Work Environments Belias, Dimitrios, Rossidis, Ioannis, Papademetriou, Christos, 2024-07-10 Navigating the complexities of organizational behavior and human resource

management can be daunting in today's fast-paced workplaces. The ever-changing landscape driven by technological advancements and evolving employee expectations challenges professionals and academics alike. Many struggle to fully grasp and adapt to these shifts, which can lead to low employee engagement, ineffective leadership, and ethical dilemmas. What is needed now is a comprehensive solution that provides insights and strategies to address these challenges head-on. *Organizational Behavior and Human Resource Management for Complex Work Environments* takes on this role and delves into critical topics such as leadership, employee well-being, team dynamics, and ethical decision-making. By exploring these subjects, readers gain a deeper understanding of the intricacies of modern workplaces and how to navigate them effectively. The book bridges the gap between theory and practice, offering actionable insights applied in real-world scenarios. It is a valuable resource for professionals looking to enhance their skills and knowledge in organizational behavior and human resource management.

Working Environment and Digital Transformation Eleonora Veglianti, 2022-10-20. Every organization faces the challenge of competing in the digital economy. An increasingly dynamic environment requires more flexible and resilient organizations. The spread of the COVID-19 pandemic revolutionized dormant concepts and standards, requiring innovative approaches to bring forth new scenarios. Redesigning the work environment is an issue that cuts across both academic and practical levels and involves reorganizing traditional business models. This book explores the potential of different approaches to work organization and proposes solutions to improve collaboration and efficiency in the work environment while enabling a better balance between personal and professional life. The book includes an analysis of the public sector. By illuminating advantages and disadvantages, the research results contribute to discussion in the public organizations field with the aim of proposing new strategic paradigms for sustainable and resilient future work environments.
