

New Food Fast

Richard Wilk

New Food Fast:

Making Slow Food Fast in California Cuisine Victor W. Geraci, 2017-03-02 This book follows the development of industrial agriculture in California and its influence on both regional and national eating habits Early California politicians and entrepreneurs envisioned agriculture as a solution to the food needs of the expanding industrial nation The state's climate geography vast expanses of land water and immigrant workforce when coupled with university research and governmental assistance provided a model for agribusiness In a short time the San Francisco Bay Area became a hub for guaranteeing Americans access to a consistent quantity of quality foods To this end California agribusiness played a major role in national food policies and subsequently produced a bifurcated California Cuisine that sustained both Slow and Fast Food proponents Problems arose as mid twentieth century social activists battled the unresponsiveness of government agencies to corporate greed food safety and environmental sustainability By utilizing multidisciplinary literature and oral histories the book illuminates a more balanced look at how a California Cuisine embraced Slow Food Made Fast

Cooking Light Fresh Food Fast 24/7 Editors of Cooking Light Magazine, 2015-12-10 Now anyone can live a healthy lifestyle 24 7 Making fresh great tasting meals in a hurry at any time of day any day of the week has never been easier Fresh Food Fast 24 7 offers recipes for breakfast lunch dinner and for the nibbles in between so readers can eat healthy delicious food round the clock any day of the week even when they're on the go This all new collection of 280 fast recipes includes weekday breakfasts and lunches created just for brown bagging midday snacks fast family friendly weekday dinners weekend brunches lunches and suppers that are perfect for sharing with family and friends desserts that satisfy any sweet tooth and fun nibbles and drinks for cocktail hour Just like the first three books in the Fresh Food Fast series recipes in 24 7 can be made with either 5 ingredients or in 15 minutes or less Simple delicious and good for you food is easy to enjoy all day long Fresh Food Fast 24 7 includes new features The Pack It Up Gear Guide gives advice on keeping desk side lunches fresh and tasty The Market to Meal Planners give easy to use shopping lists for three days worth of meals and helps cooks make the most of fresh produce no more wasted bagged spinach Our Budget Friendly Meals icon points out affordable delicious meals Plus ingredient and technique tips guide cooks so they will get perfect results every time they step into the kitchen Every recipe is test kitchen approved and rated and comes with nutrition information Fresh Food Fast 24 7 makes it easy to live an active life and still eat healthfully

Fast Food/Slow Food Richard Wilk, 2006-08-25 Wilk and his colleagues draw upon their own international field experience to examine how food systems are changing around the globe The authors offer a cultural perspective that is missing in other economic and developmental studies and provide rich ethnographic data on markets industrial production and food economies This new book will appeal to professionals in economic and environmental anthropology economic development agricultural economics consumer behavior nutritional sciences environmental sustainability and globalization studies

The ^AOxford Companion to American Food and Drink Andrew F.

Smith, 2007-05-01 Building on the highly praised and deliciously browseable two volume compendium the Oxford Encyclopedia of Food and Drink in America this new work serves up everything you could ever want to know about American consumables and their impact on popular culture and the culinary world Within its pages for example we learn that Lifesavers candy owes its success to the canny marketing idea of placing the original flavor mint next to cash registers at bars Patrons who bought them to mask the smell of alcohol on their breath before heading home soon found they were just as tasty sober and the company began producing other flavors Edited by Andrew Smith a writer and lecturer on culinary history the Companion serves up more than just trivia however including hundreds of entries on fast food celebrity chefs fish sandwiches regional and ethnic cuisine food science and historical food traditions **Food and Morality** Susan R. Friedland, 2008 A wide range of essays from English American and overseas scholars who ponder contemporary questions such as eating foie gras **Fast Food** Andrew F. Smith, 2016-04-15 The single most influential culinary trend of our time is fast food It has spawned an industry that has changed eating the most fundamental of human activities From the first flipping of burgers in tiny shacks in the western United States to the forging of neon signs that spell out Pizza Hut in Cyrillic or Arabic scripts the fast food industry has exploded into dominance becoming one of the leading examples of global corporate success And with this success it has become one of the largest targets of political criticism blamed for widespread obesity cultural erasure oppressive labor practices and environmental destruction on massive scales In this book expert culinary historian Andrew F Smith explores why the fast food industry has been so successful and examines the myriad ethical lines it has crossed to become so As he shows fast food plain and simple devised a perfect retail model one that works everywhere providing highly flavored calories with speed economy and convenience But there is no such thing as a free lunch they say and the costs with fast food have been enormous an assault on proper nutrition a minimum wage labor standard and a powerful pressure on farmers and ranchers to deploy some of the worst agricultural practices in history As Smith shows we have long known about these problems and the fast food industry for nearly all of its existence has been beset with scathing exposés boycotts protests and government interventions which it has sometimes met with real changes but more often with token gestures blame passing and an unrelenting gauntlet of lawyers and lobbyists Fast Food ultimately looks at food as a business an examination of the industry's options and those of consumers and a serious inquiry into what society can do to ameliorate the problems this cheap and tasty product has created **Fast Food Nation** Eric Schlosser, 2001 An exploration of the fast food industry in the United States from its roots to its long term consequences *Con\$umed* Benjamin R. Barber, 2007 An examination of the effects of capitalism on American culture and society reveals how consumer capitalism overproduces goods targets children as consumers and replaces public goods with private commodities **Food and Drink in American History** Andrew F. Smith, 2013-10-28 This three volume encyclopedia on the history of American food and beverages serves as an ideal companion resource for social studies and American history courses covering topics ranging

from early American Indian foods to mandatory nutrition information at fast food restaurants The expression you are what you eat certainly applies to Americans not just in terms of our physical health but also in the myriad ways that our taste preferences eating habits and food culture are intrinsically tied to our society and history This standout reference work comprises two volumes containing more than 600 alphabetically arranged historical entries on American foods and beverages as well as dozens of historical recipes for traditional American foods and a third volume of more than 120 primary source documents Never before has there been a reference work that coalesces this diverse range of information into a single set The entries in this set provide information that will transform any American history research project into an engaging learning experience Examples include explanations of how tuna fish became a staple food product for Americans how the canning industry emerged from the Civil War the difference between Americans and people of other countries in terms of what percentage of their income is spent on food and beverages and how taxation on beverages like tea rum and whisky set off important political rebellions in U S history

Fast Food Diet Mary Donkersloot, 1992-04-15 This simple informative guide to nutritionally sound fast no fuss meals is what every busy family needs Covering both make at home meals and restaurant fare it shows that fast food can be healthy food Includes information about foods from national franchise restaurants as well as recipes for fast home cooking and a weight loss program
