New Ghosts Old Dreams Chinese Rebel Voices:

New Ghosts, Old Dreams Geremie Barmé, Linda Jaivin, 1992 **Popular Protest And Political Culture In Modern China** Jeffrey N Wasserstrom, 2018-02-07 This innovative and widely praised volume uses the dramatic occupation of Tiananmen Square as the foundation for rethinking the cultural dimensions of Chinese politics Now in a revised and expanded second edition the book includes enhanced coverage of key issues such as the political dimensions of popular culture addressed in a new chapter on Chinese rock and roll by Andrew Jones and the struggle for control of public discourse in the post 1989 era discussed in a new chapter by Tony Saich Two especially valuable additions to the second edition are art historian Tsao Tsing yuan s eyewitness account of the making of the Goddess of Democracy and an exposition of Chinese understandings of the term revolution contributed by Liu Xiaobo one of China s most controversial dissident intellectuals The volume also includes an analysis by noted social theorist and historical sociologist Craig C Calhoun of the similarities and differences between the new social movements of recent decades and the old social movements of earlier eras TEXT CONCLUSION To facilitate classroom use the volume has been reorganized into groups of interrelated essays The editors introduce each section and offer a list of suggested readings that complement the material in that section [The Chinese May Fourth Generation and the Irish Literary Revival: Writers and Fighters](#) Simone O'Malley-Sutton, 2023-10-06 This book examines how the early twentieth century Irish Renaissance Irish Literary Revival inspired the Chinese Renaissance the May Fourth generation of writers to make agentic choices and translingual exchanges It sheds a new light on May Fourth and on the Irish Renaissance by establishing that the Irish Literary Revival 1900 1922 provided an alternative decolonizing model of resistance for the Chinese Renaissance to that provided by the western imperial center The book also argues that Chinese May Fourth intellectuals translated Irish Revivalist plays by W B Yeats Lady Gregory Se n O Casey and Synge and that Chinese peasants performed these plays throughout China during the 1920s and 1930s as a form of anti imperial resistance Yet this literary exchange was not simply going one way since Yeats Lady Gregory Synge and O Casey were also influenced by Chinese developments in literature and politics Therefore this was a reciprocal encounter based on the circulation of Anti colonial ideals and mutual transformation **In the Red** Geremie Barmé, 1999 A leading observer of Chinese literature society and politics lifts the veil on the culture wars that have raged between officials and dissidents in the period before and after the June 4 1989 Tiananmen Square massacre *Tiananmen Fictions outside the Square* Belinda Kong, 2012-05-04 An exciting analysis of the myriad literary effects of Tiananmen Belinda Kong s Tiananmen Fictions Outside the Square is the first full length study of fictions related to the 1989 movement and massacre More than any other episode in recent world history Tiananmen has brought a distinctly politicized Chinese literary diaspora into stark relief Kong redefines Tiananmen s meaning from an event that ended in local political failure to one that succeeded in producing a vital dimension of contemporary transnational writing today She spotlights key writers Gao Xingjian Ha Jin Annie Wang and Ma Jian who have

written and published about the massacre from abroad Their outsider distanced perspectives inform their work and reveal how diaspora writers continually reimagine Tiananmen s relevance to the post 1989 world at large Compelling us to think about how Chinese culture identity and politics are being defined in the diaspora Tiananmen Fictions Outside the Square candidly addresses issues of political exile historical trauma global capital and state biopower The Oxford Illustrated History of Modern China Jeffrey N.
