Gastronomic Judaism as Culinary Midrash Jonathan D. Brumberg-Kraus, 2018-10-29 This book is about what makes food Jewish or better who and how one makes food Jewish Making food Jewish is to negotiate between the local regional and now global foods available to eat and the portable Jewish taste preferences Jews have inherited from their sacred texts and calendars What makes Jewish food Jewish and what makes Jewish eating practices continually viable and meaningful are not fixed dietary rules and norms but rather culinary interpretations and adaptations of them to new times and places culinary midrash Jewish cuisine is a fusion of interactions a reflection of displacement and intentional positioning and re positioning vis a vis sacred texts old and new lands Jewish and non Jewish neighbors old and new family combinations re imaginings of our personal ethnic gender and other identities Jonathan Brumberg Kraus questions Jewish identity in particular and identity generally as something fixed stable and singular and unintentional Jewish food choices are situational often temporary expressions of Jewish identity It addresses the tension between what Jewish authoritative textual sources and their proponents say is Jewish food and Jewish eating and what Jews actually eat So while discussing connections between ancient

religious texts and modern Jewish food preferences this book does not stop there Using examples from his experience Brumberg Kraus describes the improvisational characteristics of gastronomic Judaism as the interplay of texts tastes artifacts and everyday practices not only in the classic sacred texts but also in Jewish cookbooks and internet blogs on Jewish home cooking seasonal intensification of Jewish food choices e g latkes at Chanukah or keeping kosher for Passover safe treif the fusion cultural appropriation of diasporic Biblical and Palestinian foods in new Israeli cuisine and the impact of the environmentalist New Jewish Food movement on contemporary Jewish food choices and identity [The Jewish Cookbook](#) Leah Koenig,2019-09-11 A rich trove of contemporary global Jewish cuisine featuring hundreds of stories and recipes for home cooks everywhere The Jewish Cookbook is an inspiring celebration of the diversity and breadth of this venerable culinary tradition A true fusion cuisine Jewish food evolves constantly to reflect the changing geographies and ingredients of its cooks Featuring more than 400 home cooking recipes for everyday and holiday foods from the Middle East to the Americas Europe Asia and Africa as well as contemporary interpretations by renowned chefs including Yotam Ottolenghi Michael Solomonov and Alex Raji this definitive compendium of Jewish cuisine introduces readers to recipes and culinary traditions from Jewish communities the world over and is perfect for anyone looking to add international tastes to their table
