

The background of the image is a scenic landscape featuring rolling hills and a sunset. The sun is low on the horizon, casting a warm, golden glow across the sky and the landscape. The hills are covered in green grass and some trees with autumn-colored foliage. The sky transitions from a deep blue at the top to a bright orange near the horizon.

Old faiths in new light Samuel Phillips Newman Smyth, 1882 The Popular and Critical Bible Encyclopædia and Scriptural Dictionary Bp. Samuel Fallows, 1902 The Popular and Critical Bible Encyclopaedia and Scriptural Dictionary Samuel Fallows, 1904 Popular Voices in Latin American Catholicism Daniel H. Levine, 2014-07-14 Throughout Latin America observers and activists have found in religion a promise of deep and long lasting democratization But for religion to change culture and politics religion itself must change Such change is not only a matter of doctrine ritual or institutional arrangements but also arises out of the needs values and ideas of average believers Combining rich interviews and community studies in Venezuela and Colombia with analysis of broad ideological and institutional transformations Daniel Levine examines how religious and cultural change begins and what gives it substance and lasting impact The author focuses on the creation of self confident popular groups among hitherto isolated and dispirited individuals Once silent voices come to light as peasants and urban barrio dwellers reflect on their upbringing and community on poverty and opportunity on faith prayer and the Bible and on institutions like state school and church Levine also interviews priests sisters and pastoral agents and explains how their efforts shape the links between popular groups and the larger society The result is a clear understanding of how relations among social and cultural levels are maintained and transformed how programs are implemented why they succeed or fail and how change appears both to elites and to ordinary people Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **New Light on Mormonism** Ellen E.
