New Day:

Good Morning Message Peggy Edwards, 2010-08 This daily devotional book has been a God led inspiration from its very start up from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network Our God is so awesome I've had people return emails to me or speak to me and ask How did you know that I needed that today or How did you know I was going through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I'm led to put them into a year of daily devotions book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn't include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you **Sleeping**

Beauty Jez Bond, Mark Cameron, 2014-02-06 There will come a point in every witch's life where the scales are tipped so far to one side that the world nature humanity whatever you want to call it finally fights back The demons are expelled and we return to the natural state *Sleeping Beauty* is the fairytale of the beautiful princess Arabella who pricks her finger on a spindle and sleeps for a hundred years Here adapted for the stage you can join a host of characters for a night of magic romance and laughter In this quirky and flamboyant new stage version of the traditional story by Jez Bond and Mark Cameron the battle of good versus evil is given a facelift bringing this fairytale vividly to life through comedy drama and original songs The songs are included at the back of the edition melody with chord symbols [Cumulative List of Organizations Described in Section 170 \(c\) of the Internal Revenue Code of 1954](#) United States.
