change Written by the most influential thinkers in the field these volumes cover educational change at both the theoretical and practical levels The updated handbook remains connected to the classical concerns of the field such as educational innovation reform and change management and also offers new insights into educational change that have been brought about by social change and shifting contexts of educational reform Like the first best selling Handbook this one will also undoubtedly become an essential resource for people involved in all spheres of education from classroom teachers teacher leaders and administrators to educational researchers curriculum developers and university professors No other work provides such a wide ranging and comprehensive examination of the field of educational change **The Once and Future**

School Jurgen Herbst,2004-08-02 Jurgen Herbst traces the debates discussions pronouncements and reports through which Americans have sought to clarify their conceptions of the goals and purposes of education beyond the common school The Once and Future School argues that to make sense of the current trials of secondary educational system and to maintain any sense of direction and vision for its future we need a clear understanding of its path in the past and of its setting in a multi national world From their beginnings in colonial America to the present day Jurgen Herbst traces the debates discussions pronouncements and reports through which Americans have sought to hammer out and clarify their conceptions of the goals and purposes of education beyond the common school The Republic of Vietnam, 1955-1975 Tuong Vu,Sean

Fear,2020-01-15 Through the voices of senior officials teachers soldiers journalists and artists The Republic of Vietnam 1955 1975 presents us with an interpretation of South Vietnam as a passionately imagined nation in the minds of ordinary Vietnamese rather than merely as an expeditious political construct of the United States government The moving and honest memoirs collected translated and edited here by Tuong Vu and Sean Fear describe the experiences of war politics and everyday life for people from many walks of life during the fraught years of Vietnam s Second Republic leading up to and encompassing what Americans generally call the Vietnam War The voices gift the reader a sense of the authors experiences in the Republic and their ideas about the nation during that time The light and careful editing hand of Vu and Fear reveals that far from a Cold War proxy struggle the conflict in Vietnam featured a true ideological divide between the communist North and the non communist South
