New Face In The Mirror:

Sin; Walk of Shame Khrona Tensei, 2020-07-29 SIN WALK OF SHAME is a story that I created as an adolescent about the Seven Deadly Sins and people in Hell who must find the Seven Heavenly Virtues in order to escape slavery by the Sins They journey through the various parts of Hell in their enslavement to SIN and see the workings of all of the Sins as well as the Virtues against the Sins This story is a precursor to other stories that I have created and hope to spread a message with as well I hope that the stories I create are influential to those who read them Take an incredible adventure into the underworld with an interesting cast of characters in Bolton II s IN WALK OF SHAME The characters journey through the various parts of hell in their enslavement to the Seven Deadly Sins As they explore the netherworld they endure the pain and challenges that Lust Gluttony Greed Sloth Wrath Envy and Pride have prepared for them They also encounter the skirmishes of Seven Heavenly Virtues against the Sins Fans of Dante s Inferno and similar titles would definitely want this novel in their collection

Folk Illusions K. Brandon Barker, Claiborne Rice, 2019-04-22 Wiggling a pencil so that it looks like it is made of rubber stealing your niece s nose and listening for the sounds of the ocean in a conch shell these are examples of folk illusions youthful play forms that trade on perceptual oddities In this groundbreaking study K Brandon Barker and Claiborne Rice argue that these easily overlooked instances of children s folklore offer an important avenue for studying perception and cognition in the contexts of social and embodied development Folk illusions are traditionalized verbal and or physical actions that are performed with the intention of creating a phantasm for one or more participants Using a cross disciplinary approach that combines the ethnographic methods of folklore with the empirical data of neuroscience cognitive science and psychology Barker and Rice catalogue over eighty discrete folk illusions while exploring the complexities of embodied perception Taken together as a genre of folklore folk illusions show that people starting from a young age possess an awareness of the illusory tendencies of perceptual processes as well as an awareness that the distinctions between illusion and reality are always communally formed

One Life or The Lives of Chester Knowles Stephen Baum, 2011-06-17 What they re saying about One Life or The Lives of Chester Knowles Surely it is a dubious literary device a bit of an underhanded indeed a cheap trick to use a reincarnation as the premise for a novel But proving once again that he is above nothing Mr Baum seizes upon the idea of reincarnation and squeezes it for all it s worth in this strangely fascinating story about a Los Angeles architect Chester Knowles who dies and then somehow

discovers himself in another man's body the dramatic twists and turns of Chester's new second life take the reader on a psycho philosophical new age crazy kind of roller coaster ride odyssey that will actually have the poor reader howling and screaming for more Baum has created a gem a tour de force of storytelling and literary craftsmanship We recommend this book highly
