The Books of Samuel, Volume 1 Cyril J. Barber, 2003-10-07 How I wish this book had been available years ago when I as a young minister tried to preach on the life of King Saul Dr Cyril Barber has given us a commentary on 1 Samuel that balances dependable information spiritual interpretation and practical application I predict that in years to come this volume will be a standard reference work for serious Bible students and careful expository preachers But there is no dull academic atmosphere in these pages The book is a joy to read Dr Barber makes ancient history exciting and practical and he does so without spiritualizing the text You will enjoy using this book It will open up new facets of truth for you to receive and apply in your own life and then share with others From the Foreword by Warren W Wiersbe [The Search for Ultimate Reality](#) Dan

Lioy, 2005 In analyzing the intertextuality between the Genesis and Johannine Prologues Dr Lioy maintains that both passages utilize polemical theology to refute distorted views of ultimate reality Furthermore he theorizes that the author of the Johannine Prologue deliberately reflected the structure and themes found in the Genesis Prologue to emphasize that the God man Jesus Christ created all things and is a new spiritual beginning for all who believe in Him Ultimate reality is found through faith in the Son

Seminatorul (The Sower), Volume One, Number One Hamilton Moore, Ilie Soritau, Adrian Giorgiov, 2019-09-10 About the Journal This first volume of Sem n torul The Sower The Journal of Ministry and Biblical Research has been produced through the collaboration of Emanuel University Press the Emanuel Ethics and Society Research Centre and distinguished colleagues from the Hungarian Baptist Academy The publishing efforts were aided by Dr Alm si Tibor Rector Hungarian Baptist Academy The volume comprises the Proceedings of the International Theological Conference held by the Department of Theology on 6th May 2016 in Emanuel University of Oradea The theme of the

Conference was Hebrews Its Historical Context and Theological Significance For many scholars Hebrews 13:22 gives some guidance concerning the nature of the epistle Bear with my word of exhortation for I have written to you briefly The suggestion is that the background may be a sermon given on a certain occasion and then later adapted into letter form with the addition of personal comments at the end But what of its readers It is thought that the first readers were Hebrews and the camp of 13:13 ancient Judaism They were Jews attracted to the Christian community and who had identified with it But Christianity had none of the ritual trappings they had known no altar no priests no sacrifices They were meeting ridicule opposition imprisonment and being disowned and disinherited by their families 10:32 Some had coped well with this adversity but others were looking back to the temple from where they had come 10:32-39 Was not Judaism God ordained The author of Hebrews seeks to set before them the better things which have become theirs a better priesthood better sanctuary better sacrifice better covenant true access to the very presence of the Most High 10:19-21 Also the greater things that is Christ greater than angels Moses Joshua and Aaron The Proceedings Papers in this Journal will touch upon some of the aspects of the situation outlined above The significance of the opening verses of Hebrews for the whole epistle is outlined in the opening paper Other papers focus on the themes endurance pilgrimage echoes in interpretation a comparison of the epistle with Philo the significance of the time of reformation for worship in Hebrews a semiotic approach regarding Psalm 2 and the profile of the Son the concept of repentance and critique of the perspectives of George Milligan regarding the importance of the epistle Emanuel University continues to be a strong witness as a conservative university in all of Europe It should be understood that the sources highlighted and the views presented in these papers remain those of the contributors themselves Hamilton Moore Editor

The Decalogue in the Sermon on the Mount Dan Liroy, 2004 In this work Dan Liroy first investigates the biblical concept of the law He then conducts a thoroughgoing analysis of the Decalogue and the Sermon on the Mount He gives particular attention to the connection between these two great bodies of biblical literature The result is a comprehensive study that argues for the enduring relevance of the moral law This volume is appropriate for personal study and is also suitable as a college and seminary text
