Sachar, 2013-07-31 First published in 1976 Howard M Sachar s A History of Israel From the Rise of Zionism to Our Time was regarded one of the most valuable works available detailing the history of this still relatively young country Decades later readers can again be immersed in this monumental work The second edition of this volume covers topics such as the first of the Aliyahs in the 1880s the rise of Jewish nationalism the beginning of the political Zionist movement and later how the movement changed after Theodor Herzl the Balfour Declaration the factors that led to the Arab Jewish confrontation Palestine and its role both during the Second World War and after the war of independence and the many wars that followed it over the next few decades and the development of the Israeli republic and the many challenges it faced both domestic and foreign and still faces today This is a truly enriching and exhaustive history of a nation that holds claim to one of the most complicated and controversial histories in the world **Israelis in Conflict** Adriana Kemp, Uri Ram, David Newman, Oren Yifta, 2014-06-01 Globalisation and increased cultural heterogeneity have had a major impact on states whose identity has been defined in terms of a single often socially constructed allegiance to the state and a single hegemonic ideology Nowhere are changing notions of identity more prevalent than in Israel a country whose dominant Western Jewish society has been subject to understanding their past and present in terms of a single ideology of state formation Zionism This book challenges some of the traditional analytical paradigms prevalent in Israeli social science for the past fifty years **Israel** S. Ilan Troen, Noah Lucas, 1995-05-04 This book provides new interpretations and research findings from a wide spectrum of viewpoints on Israel s formative first decade of independence **The Israeli Diaspora** Steven J. Gold, 2005-06-29 Winner of the 2003 Thomas and Znaniecki Award this book based on extensive research in all of the major Israeli communities including New York Paris and London looks at their reasons for leaving their relations with Israelis who have not left and with the Jewish and non Jewish communities in the countries in which they settle as well as those who after years of emigration decide to return
