Issues Facing Christians Today Dr. John R.W. Stott, John Wyatt, 2011-04-19 Terrorism Same sex marriage Debt cancellation The AIDS pandemic These are just some of the critical contemporary issues addressed in this book Issues Facing Christians Today helps thinking Christians sift through and respond to a sweeping array of complex and pressing topics Thoroughly revised and updated by Roy McCloughry and fully endorsed by John Stott this fourth edition continues a two decades plus legacy of bringing important current issues under the lens of biblically informed thinking Combining a keen global awareness with a gift for penetrating analysis the authors examine such vital topics as Pluralism and Christian witness Cohabitation environmentalism and ecological stewardship War and peace Abortion and euthanasia And much more An entirely new chapter on bio engineering has been contributed by Professor John Wyatt of University College London Including a study guide Issues Facing Christians Today is essential reading for Christians who wish to engage our culture with insight passion and faith knowing that the gospel is as relevant and deeply needed today as at any time in history As the culture wars continue this book will remain a critical contribution helping to define Christian social and ethical thinking in the years ahead The Scandal of Evangelicals and Homosexuality Mark Vasey-Saunders, 2016-03-09 English evangelicals

give the appearance of being a community at war with each other and with the world around them The issue of homosexuality is one of the key battlegrounds How has this issue become so significant to evangelicals Why is it provoking such violent responses How is it changing evangelicals and what might this mean for the future This book examines the history of evangelical responses to the issue of homosexuality setting them in a wider historical and cultural context and drawing on the work of Rene Girard to argue that the issue of homosexuality has come to symbolise deeply held convictions within evangelicalism The conflict over the issue that is now becoming apparent within evangelicalism reveals deep divisions within the evangelical community that will have great significance for the future The Scandal of Evangelicals and Homosexuality offers an alternative perspective seeking not to present an answer to the ethical question but rather to examine the way the debate has become scandalised and consider the cost It offers a window into contemporary English evangelicalism and provides an important contribution to international and ecumenical debate *Decisive Issues Facing Christians Today* John R. W. Stott, 1990 Enl ed of Involvement 1984 **ThirdWay**, 1999-05 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture ThirdWay, 1999-02 Monthly current

Luetz, Beth Green, 2021-01-04 This book reformulates Christian education as an interdisciplinary and interdenominational vocation for professionals and practitioners It speaks directly to a range of contemporary contexts with the aim of encouraging conceptual empirical and practice informed innovation to build the field of Christian education research The book invites readers to probe questions concerning epistemologies ethics pedagogies and curricula using multidisciplinary research approaches By helping thinkers to believe and believers to think the book seeks to stimulate constructive dialogue about what it means to innovate Christian education research today Chapters are organised into three main sections Following an introduction to the volume s guiding framework and intended contribution Chapter 1 Part 1 features conceptual perspectives and comprises research that develops theological philosophical and theoretical discussion of Christian education Chapters 2 13 Part 2 encompasses empirical research that examines data to test theory answer big questions and develop our understanding of Christian education Chapters 14 18 Finally Part 3 reflects on contemporary practice contexts and showcases examples of emerging research agendas in Christian education Chapters 19 24

African Christian Ethics Samuel Waje Kunhiyop, 2019-04-09 An introduction to African Christian ethics for Christian colleges and Bible schools African Christian Ethics is divided into two main parts The first deals with the theory of ethics while the second discusses practical issues The issues are grouped into the following six sections Socio Political Issues Financial Issues Marriage Issues Sexual Issues Medical Issues Religious Issues Each of these six section begins with a brief general introduction followed by the chapters dealing with specific issues in that area Each chapter begins with an introduction discusses traditional African thinking on the issue presents an analysis of relevant biblical material and concludes with some recommendations There are questions at the end of each chapter for discussion or personal reflection often asking students to reflect on how the discussion in the chapter applies to their ministry situation

Good Pastors, Bad Pastors Dela Quampah, 2014-08-20 The emergence of Pentecostalism in Ghana has attracted a massive following and generated institutions that have significantly impacted Christian discourse and national life The movement has produced prominent leaders who have developed exemplary Christian education programs and generated volumes of Christian literature unprecedented in Ghanaian Christianity Nevertheless public opinion often upbraids church leaders for unethical conduct Despite the concern for high moral standards set by Pentecostal church polity and ministerial ethical codes reports of Pentecostal ministerial misconduct appear regularly in the media Although congregation members and perceptive public observers appreciate the constructive moral impact of Pentecostal ministers instances of promiscuity power abuse financial misappropriation and superstition reveal a gap between ethical ideals and practice As this research reveals factors behind unethical ministerial conduct include inadequate training poor accountability and a general low level of ethical reflection Good Pastors Bad Pastors suggests that a multidimensional approach of responsible reportage emphatic moral education

appropriate but sympathetic response to moral failure and peer review accountability could help uphold a higher standard of ministerial ethics
