

The New Macedonian Question and the European integration

Antonio Muñoz Sánchez © 2002

urtier@hotmail.com

This article was prompted by the recent judgment of the Court of Human Rights on the Macedonian minority in Bulgaria¹. The judgment is a direct criticism of the Bulgarian model of recognition of its minorities. This is striking from a political point of view since in Bulgaria, unlike other countries in the region, the issue of minorities has not been a factor of internal conflict since the end of Communism, partly owing to this model of minority participation which is now being called into question.

¹ See European Court of Human Rights, *Case of Stankov and the United Macedonian Organisation Ilinden versus Bulgaria*, Strasbourg, 2 October 2001. The basic message is that Bulgaria may not ban the activities of an organisation that calls for the end of the state and the union of some of its regions with a neighbouring country.

New Macedonian Question

Alexis Heraclides

New Macedonian Question:

The New Macedonian Question James Pettifer, 1999 The Macedonian Question and the Macedonians Alexis Heraclides, 2020-12-30 This book is a comprehensive and dispassionate analysis of the intriguing Macedonian Question from 1878 until 1949 and of the Macedonians and of their neighbours from the 1890s until today with the two themes intertwining The Macedonian Question was an offshoot of the wider Eastern Question i.e. the fate of the European remnants of the Ottoman Empire once it dissolved The initial protagonists of the Macedonian Question were Greece Bulgaria and Serbia and a Slav speaking population inhabiting geographical Macedonia in search of its destiny the largest segment of which ended up creating a new nation comprising the Macedonians something unacceptable to its three neighbours Alexis Heraclides analyses the shifting sands of the Macedonian Question and of the gradual rise of Macedonian nationhood with special emphasis on the Greek Bulgarian and Serbian claims to Macedonia 1870s 1919 the birth and vicissitudes of the most famous Macedonian revolutionary organization the VM O RO and of other organizations 1893 1940 the appearance and gradual establishment of the Macedonian nation from the 1890s until 1945 Titos's crucial role in Macedonian nationhood cum federal status the Greek Macedonian name dispute 1991 2018 including the skeletons in the cupboard the deep seated reasons rendering the clash intractable for decades the final Greek Macedonian settlement the 2018 Prespa Agreement the Bulgarian Macedonian dispute 1950 today and its ephemeral settlement in 2017 the issue of the Macedonian language and the Macedonian national historical narrative The author also addresses questions around who the ancient Macedonians were and the fascination with Alexander the Great This monograph will be an essential resource for scholars working on Macedonian history Balkan politics and conflict resolution *Former Yugoslav Republic of Macedonia* Charalampos Lekkas, Naval Postgraduate School (U.S.). Department of National Security Affairs (NSA), 2001-12-01 The recent 2001 crisis inside the Former Yugoslav Republic of Macedonia FYROM concerning its Albanian ethnic minority did not come as a surprise to the southeastern European as well as the international security chessboard It had nearly been predicted from the first years of the new state's independent life and confirmed by most analysts during and after the war in Kosovo 1998 99 This thesis will examine the survivability of the small post cold war Balkan state in relation to the historical background of the Macedonian Question the so called Macedonian Identity the resurgence of nationalist inclinations in the area the ethnic minorities especially the Albanian one the economy and the regional four neighboring states as well as the international relations of FYROM The author will argue that prevention of conflict in FYROM is urgent for the stability of all the Balkans and has to be coordinated from the international community towards all governmental and nongovernmental actors involved Integration of FYROM into European institutions provides a reliable measure Respect and protection of human civil rights of minorities as well as democratization of the civilian sector are also dominant factors for the survival of the multi ethnic nation Ethnic minorities should finally develop proper political social and economic relationships with majority populations in order to work

interested in equality and social policies aimed at combating social exclusion marginalization and poverty **NATO Review**, 1999 **An Ounce of Prevention** Henryk J. Sokalski, 2003 The science of medicine was the first to discover that an ounce of prevention is worth a pound of cure Henryk Sokalski reminds us as he begins this study of a unique United Nations mission In the political realm however its full potential has yet to be realized Sokalski former head of the United Nations Preventive Deployment Force UNPREDEP in the former Yugoslav republic of Macedonia provides the ultimate insider s look at the UN s attempt to establish a mission in this former Yugoslav republic before the imminent eruption of mass violence spilling over from neighboring Balkan states Serbia and its overwhelmingly ethnic Albanian province of Kosovo in particular An Ounce of Prevention and the UNPREDEP mission itself begins in early 1995 with a telephone call to Sokalski at his Warsaw home from UN Secretary General Boutros Ghali and it ends several years later in a disappointing Security Council veto of the mission s renewal In between Sokalski s study of this novel experiment in UN peacekeeping describes the mission s three pillars as well as contending theories on preventive diplomacy and early preventive action contemporary Balkan history and the daily bureaucratic and human challenges of reinventing civil society All the while Sokalski attempts to answer the question of whether the mission s renewed mandate could have prevented the country s recent destructive insurgency and whether UNPREDEP s truncated success could serve as a model for future UN preventive deployments
