SELECTIONS FROM THE PROSE & PO John Henry 1801-1890 Newman, 2016-08-29 Prose and Poetry John Henry Newman, 2013-10-01 **Selections from the Prose and Poetry of John Henry Newman** John Henry Newman, 1907

Selections from the Prose and Poetry of John Henry Newman (Classic Reprint) John Henry Newman, 2015-07-11 Excerpt from *Selections From the Prose and Poetry of John Henry Newman* In the beginning of this little book of selections from the works of Cardinal Newman it is best that I should avoid misunderstanding by saying that it is not intended for persons who have already studied them and expect new and even subtle illumination It is intended for those younger students who ought to begin to consider English style in the light of an art as soon as they begin to write It is intended too for those and there are many who admire Newman while they think that they are too busy to read his most important books To the latter this volume may serve as a practical introduction to a new world but too much in that way must not be expected of it it cannot supply the place of the culture without which the reader must miss some of the strongest and finest qualities of Newman's substance and style and he who comes to it to complete an education not yet begun will of course be disappointed It aims primarily to show that Newman's style was the result of constant care on his part and that as far as he could control it it was the result of study as conscious as that of Stevenson No one can tell us what quality of force sends the sap in May to the stems of a rosebush but Mr Burbank of Los Angeles knows exactly what tints of color a rose may have since he knows the process by which roses are made more splendid year after year English prose style has grown by processes that can be analyzed since the end of the fourteenth century when Chaucer's *Parson's Tale* dragged its slow length along About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
